## Scrutiny Review of Defibrillators

### Summary

This item will be used to consider the summary of evidence received to date during the review, to assist Members to consider draft recommendations.

### Detail

1. The Committee has considered a range of information during the review and this has been summarised to help Members consider areas for draft recommendations at this meeting.
2. The summary of evidence received to date is provided at **Appendix 1**. Also attached are the following documents referred to during the review:

**Appendix 2** - Consensus Paper on Out of Hospital Cardiac Arrest (British Heart Foundation/NHS England/Resuscitation Council)

**Appendix 3** – Resuscitation Council Guide to AEDs

3. A draft report will be considered at the meeting on 10 October, and the review is scheduled to report to the meeting of Cabinet on 16 November.
