

## Options for NHS Dental Care

NHS England appreciates that the decision by Queensway to stop providing NHS dental care from the end of March 2018 may cause some concern, but would like to reassure patients that there are other NHS dental practices in the surrounding area currently accepting NHS patients (see table below for details). NHS England is activity exploring opportunities to build the current level of NHS access available to improve choice for patients and will provide further details in due course.

Practice Name	Telephone	Address	Distance from Queensway
