

SCRUTINY REVIEW OF DAY OPPORTUNITIES FOR ADULTS

Summary

This next evidence-gathering session for the review of Day Opportunities for Adults is scheduled to receive information from the Council's Children's Services directorate, along with contributions from health partners, Tees Valley Clinical Commissioning Group (TVCCG) and Tees, Esk & Wear Valleys NHS Foundation Trust (TEWV).

Detail

1. Representatives from SBC Children's Services will be in attendance to respond to the following:
 - Needs of young people transitioning into Adult Services.
 - What information is available about services and how is it shared (inc. examples)?
 - What do young people and their families / carers value about day opportunities services (how is this ascertained?) – is this reflected in the current adults offer?
2. As identified within the scope for this review, TVCCG personnel will provide views on the following:
 - Previously commissioned services and the subsequent impact of COVID-19.
 - Future commissioning priorities / planning around day opportunities for adults.
3. Although not originally included within the review's scope, TEWV have offered to provide input into the Committee's work and have been asked to comment on the following:
 - The role of TEWV in supporting day opportunities for adults across Stockton-on-Tees (including current provision, data on usage, and any collaboration with relevant partners (CCG, Council, VCSE sector))
 - Impact of COVID-19 in terms of this role (including any engagement with service-users / families / carers)
 - Views on existing / future services – what should be retained / adapted / changed; how is this being informed by service-users / families / carers in order to deliver meaningful day opportunities?
 - Any awareness of good practice elsewhere around day opportunities for adults?
4. A copy of the agreed scope and plan for this review is included for information.
