

Key:

Proposed sign

Notes:

1. The presence of overhead / underground statutory undertakers equipment should be anticipated. No work should commence until the exact location of all undertaker's equipment is known. Hand excavated trial holes may be required to locate services
2. All signs to be mounted on new posts shall be positioned a minimum of 450mm from the nearest kerbline.
3. Refer to Designer's Risk Register for abnormal risks and mitigation measures
4. Refer to drawings C.950.G.012, 014, 015 & 016 for sign face, mounting and foundation details.
