NB. The above list is a selection of prices for popular activities for comparative purposes only and is not comprehensive. It is intended to provide a sample of pricing for publicly owned leisure facilities in the Tees Valley, however the management of such facilities varies. Membership of each Borough's 'leisure card' scheme often leads to a reduction per visit on the standard prices outlined above, to varying degrees. (eg.TAL's Option 3 card provides a 50% discount.) Monthly/yearly passes are sometimes available. Tees Active's full price list has previously been distributed to Members. This also contains special rates including for example early bird/lunchtime swimming prices. (prices may have reduced slightly depending on implementation of VAT reduction)
