EIT Review of Sport, Leisure and Recreation

Summary

The Committee are asked to consider and challenge the baseline information for Leisure and Sports Development as part of the review of Sport and Recreation.

Detail

1. As part of the review of Sport, Leisure and Recreation, the baseline information for Leisure and Sports Development, has been prepared for this meeting and is attached to this report. Baseline information is designed to outline a service in its current form.
2. Members are requested to consider and challenge the baseline information in order to ensure that it is robust. Members are also asked to identify any further information requirements that are believed are necessary to inform the review.
3. In addition to the baseline report, and to provide further context, please see attached at Appendix 2 a copy of the Sport and Active Leisure Strategy 2009-14.

For further information on the strategy's development, please see:
