

**Scrutiny Review of the Marketing of Stockton Borough**

**Summary**

Members are requested to consider the summary of evidence for the review and consider the areas for draft recommendations.

**Detail**

1. Following the Committee's work on the review of the Marketing of the Borough, the evidence received has been summarised in the attached document. This also includes some suggested areas for recommendations.
2. Members are requested to consider the information received, and consider the areas for recommendations. These will then be worked up and a draft final report will be produced for the Committee's consideration at the meeting of 13 March.
