

STOCKTON-ON-TEES BOROUGH COUNCIL

CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting1st February 2007

1. Title of Item/Report

Safety Camera Partnership

2. Record of the Decision

Cabinet considered a report concerning the establishment of a new Road Safety Partnership with effect from April 2007 replacing the current Cleveland Safety Camera Partnership. The four former Cleveland authorities had agreed to continue the Safety Camera Partnerships within the new framework but were looking to significantly reduce the operating costs in order to use the efficiency savings to invest in education and training initiatives including maintaining those that were under financial pressure.

A new Business Case for the Safety Camera Partnership had been produced for endorsement by the partner organisations and was provided to Cabinet..

RESOLVED that

1. the revised Business Case for the Cleveland Safety Camera Partnership from April 2007 as detailed in the report be approved
2. the use of the Council's remaining Road Safety Grant allocations for Road Safety Education, Publicity and Training initiatives as set out in the report be approved.
3. Members note that £50,000 pa savings from the partnership had already been incorporated into the Medium term financial Plan.

3. Reasons for the Decision

The Council supported the original Business Case submission in 1999/00 for the hypothecation scheme. A new Business Case for the Safety Camera Partnership had been produced for endorsement by the partner organisations. Approval was also sought for the allocation of the

efficiency savings to other road safety initiatives.
