A discussion ensued regarding the role of the Health & Well Being Partnership and how it would improve access to services for individuals.		Noted	No	No	No	
A query was raised regarding how the Fire Service could link in with the services currently being provided by the PCT. Elaine Morris (EM) identified that partnership working was currently taking place between the PCT and the Fire Service in Stockton, building upon the good practice of joint working piloted in Middlesbrough.		Noted	No	No	No	
DP raised a query regarding the links between debt and health, stating that funding for initiatives such as the credit union were on a time limited basis through Neighbourhood Renewal Funding (NRF). EM explained that an exercise was currently taking place to determine which projects funded through the Neighbourhood Renewal Health Package would be mainstreamed.		Noted	No	No	No	
A discussion took place regarding the links between well being and community facilities. RH recognised that community access to services was an important issue for the Partnership. A further discussion took place regarding facilities for the elderly across the Borough.		Noted	No	No	No

<p>Chair raised a query regarding the commissioning of health services, stating that health projects awarded to the VCS are currently funded through NRF and as such have no longevity. Chair further stated that historically the VCS found it difficult to tap into mainstream PCT budgets. Chair suggested that the PCT should have a more risk based approach to commissioning services to the VCS and use the NRF Health projects as a good example of how this can be successful. A discussion took place regarding the delegation of budgets to the Area Partnership Boards (such as the Area Transport Strategies) and how the PCT should adopt this as good practice and offer a pot of funding to communities. Chair informed members that he would raise this issue at the next Health Improvement Partnership (HIP) meeting.</p>		Noted	Chair to raise issue of delegated budgets to the Area Partnership Boards at the next HIP meeting.
