BILLINGHAM NORTH							
BN1 2444	No	High Grange Community Centre, Casson Way, Billingham			High Grange Community Centre, Casson Way, Billingham	Although I exercise a postal vote, I think the 4 current polling stations could be distributed more evenly through the ward. The Tunstall Ave/Barmpton Close mobile is only a few hundred yards away from the Marsh House Avenue station. The most Northerly polling station is also quite close to the 2 mentioned above, leaving those in the North West of the Ward quite a distance to travel to a polling station compared to those living in the South and East parts. Polling Stations were in good positions to cover the Ward.	No change
