CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting9th October 2008

1. Title of Item/Report

New Joint Waste Management Strategy 2008-2020

2. Record of the Decision

Consideration was given to a report on the new Joint Waste Management Strategy 2008-2020. The existing Joint Waste Management Strategy was developed between the four former Cleveland County Authorities and was intended for the period 1 October 2001 - 30 June 2020. However to reflect the greater joint working across the Tees Valley Area the new Joint Waste Management Strategy had also been expanded to include Darlington Borough Council.

In addition to Darlington joining the other Tees Valley Councils as part of the Waste Management Group, much had changed in waste management terms since the current Joint Waste Management Strategy was adopted. In 2007 following extensive consultation the government published a new Waste Strategy for England. The targets of the new national strategy were reflected in the new Joint Waste Management Strategy and Implementation Plan.

RESOLVED that:-

1. The Tees Valley Joint Waste Management Strategy at Appendix 1 of the report be approved.

2. The Stockton-on-Tees Borough Council Implementation Plan at Appendix 2 of the report be approved.
