

**SCHOOL TERM & HOLIDAY DATES 2010/2011 and 2011/2012 –
CONSULTATION RESPONSES**

Secondary Headteachers and Principals Group:

Following the meeting of Secondary Headteachers and Principals Group held on 2 April 2009. The group agreed that they would prefer option 1 2010/11 and 11/12.

Myton Park Primary School

For info. - Our staff preferred option one

St Josephs RC VA Primary School – Norton

I have just read the holiday proposals for 2010-11 and favour option 1. With Easter being so late, it doesn't give the Y6 teacher much time before the SATs week in May.

Holy Trinity Rosehill CE VA Primary School

We say 'Option 1'.
With Easter so late we want the maximum time back at school after the break for Y6 SAT preparation.

Middlesbrough Borough Council

Further to your letter of the 11 March 2009 please find attached the school term dates agreed in Middlesbrough for 2010/2011, which is option one inline with the majority of our neighbouring Authorities.

For 2011/2012 we are not in a position to comment as we will be undertaking a much wider consultation as there has been a proposal that there be a two week break during October. I realise that this is outside the guiding principles agreed across the region but I have been requested to research the educational value of a longer break during this period. I would therefore be very grateful for your comments regarding this proposal as soon as possible.
