

CO-ORDINATED ADMISSION SCHEME

PRIMARY AND SECONDARY SCHOOLS

Includes: Applications for Primary Schools
Applications for Secondary Schools
In year transfer requests

2011/12

Introduction

1. The 1998 Act, as amended by the Education Act 2002, has introduced new statutory requirements for every Local Authority (LA) to draw up a scheme covering every maintained school in its area. Stockton-on-Tees LA has drawn up a full co-ordinated admissions scheme for the main rounds for Primary and Secondary applications for 2011/12 and 'in year' transfer requests for the academic year 2010/11.

The scheme also complies with changes introduced to the new School Admissions Code through the Education & Inspections Bill 2006.

Interpretation

2. In this scheme:

"the LA" means Stockton on Tees Borough Council acting in their capacity as local education authority;

"the LA area" means the area in respect of which the LA are the local education authority.

"primary education" has the same meaning as in section 2(1) of the Education Act 1996;

"secondary education" has the same meaning as in section 2(2) of the Education Act 1996;

"primary school" has the same meaning as in section 5(1) of the Education Act 1996;

"secondary school" has the same meaning as in section 5(2) of the Education Act 1996;

"school" means a community, foundation or voluntary school (but not a special school) which is maintained by the LA;

"VA schools" means such of the schools as are voluntary-aided schools;

"admission authority" in relation to a community or voluntary controlled school means the LA and, in relation to a VA school means the governing body of that school;

"the specified year" means the school year beginning at or about the beginning of September 2011;

"admission arrangements" means the arrangements for a particular school or schools which govern the procedures and decision making for the purposes of admitting pupils to the school within the normal round of admissions;

"in year" transfer requests mean any applications received for those primary or secondary schools whose normal age of entry is other than 5 or 11 received during the academic year 2010/11.

"nearest appropriate school" is defined as the school closest to the home address with places, unless your child is a baptised Catholic then a place would be offered at the nearest Roman Catholic School with places.

Applying for a school place

3. There will be a standard form known as the Common Application Form (CAF) which will be used for the purpose of admitting pupils into the reception class for primary school and the first year of secondary education in the specified year and separate form (Transfer Request form) for any applications made for a "in year" into any year group during the academic year 2010/11.
4. The CAF and Transfer Request Form must be used as a means of expressing one or more preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the LA area who wish to express a preference for their child –
 - (a) to be admitted to a school within the LA area (including VA schools).
 - (b) to be admitted to a school located in another LA's area (including VA schools and Academies).

5. The CAF and 'In year' Transfer Request Form will –
 - (a) invite parents to express three preferences by completing the form including, where relevant, any schools outside the LA's area, in rank order of preference;
 - (b) invite parents to give their reasons for each preference.
 The CAF will also
 - (c) Specify a closing date and where it must be returned.

6. The LA will make appropriate arrangements to ensure:
 - (a) that the CAF is available on request from the LA and the 'In year' Transfer Request Form will be available from the LA and schools; and
 - (b) that a written explanation of the scheme is available from the LA and on their website.

7. The procedure for 'In year' Transfer Requests is attached to this Co-ordinated Scheme as Appendix 1.

8. All preferences expressed on the CAF are valid applications. The governing body of a VA school can require parents who wish to nominate, or have nominated, their school on the CAF, to provide additional information on a supplementary form only where the additional information is required for the governing body to apply their oversubscription criteria to the application. Where a supplementary form is required, this will be requested after the VA schools have received information from the LA about who has applied for their schools. Information requested should be returned by the parent to the individual school.

9. Where a school receives a supplementary form it will not be regarded as a valid application unless the parent has also completed either the Stockton on Tees CAF or, if resident in another area which has a CAF, their home area's common application form, and the school is nominated on it. Where supplementary forms are received directly by VA schools the school must inform the LA immediately so it can verify whether a CAF or neighbouring area's CAF has been received from the parent and, if not, contact the parent and ask them to complete one. In these circumstances, the school should also send the LA a copy of the supplementary form if so requested. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form where this is not strictly required for the governing body to apply their oversubscription criteria.

Processing of CAFs

10. Completed CAFs should be returned to the LA:
 - (a) for secondary schools by the **31 October 2010*** in the self addressed envelope provided. The LA will enter information for all the schools within the Borough onto their system and forward information for applications to VA schools and other LAs at the latest by the **12 November 2010**.
 - (b) primary schools by the **15 January 2011*** in the self addressed envelope provided. The LA will enter information for all the schools within the Borough onto their system and forward information for applications to VA schools and other LAs at the latest by **7 February 2011**.
 - (c) **Online applications** – the facility to apply for a school place on line will be open during the time for application – **7 September to the midnight on the 31 October 2010**.

**If the closing date falls on a Saturday or Sunday, any applications received through the post on the Monday morning after that date, will be classed as on time. Any others received on that day will be classed as late.*

Allocation of places

- 10 Places will be allocated using the Equal Ranking Scheme* for Primary and Secondary by all admission authorities within Stockton on Tees.

**Equal Ranking means that all of the preferences written on the CAF will be considered as a separate application for each school.*

SECONDARY ADMISSIONS - Determining offers in response to the CAF

12. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the CAFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the CAF where
- it is acting in its separate capacity as an admission authority; or
 - an applicant is eligible for a place at more than one school, or
 - an applicant is not eligible for a place at any school that the parent has nominated.
13. **By the 12 November 2010** the LA will notify the voluntary aided admission authority for each of the schools of every application that has been made for that school. Where parents have requested a place at a school outside of the LA area, the information will be forwarded to the relevant authority/authorities.
14. **By 14 January 2011** - VA schools, other LAs and Academy, inform LA of allocation of places for all applications received in the priority order of their admission policy. Any applications which are refused also need to be listed in order of priority.

The LA compares lists and considers all preferences from the parent and if first preference is refused, look to see where 2nd or 3rd preferences can be accommodated. The lists will be sent back to the VA schools for their approval before finalising allocations.

Liaison will take place with VAs and other LAs/Academy until the allocation of places is resolved for each application, as required.

15. **By the 11 February 2011** - the LA will match ranked lists for all schools and:
- where the child is eligible for a place at only one of the nominated schools, that school will be allocated to the child;
 - where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.

Where the child is not eligible for a place at any of the nominated schools, they will be offered a place at the nearest appropriate school with a vacancy.

16. **On 1 March 2011** the LA will post letters (2nd class post) to parents to let them know which school has been allocated to their child. The letter will also tell them of their statutory right to appeal if they have been refused a place at their preferred school.

Parents will be asked to return their appeal forms to the appropriate admission authority e.g. Community Schools to the LA (Democratic Services) and VA Schools to the individual school who will then forward to the LA (Democratic Services).

PRIMARY ADMISSIONS - Determining offers in response to the CAF

17. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the CAFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the CAF where
- it is acting in its separate capacity as an admission authority; or
 - an applicant is eligible for a place at more than one school, or
 - an applicant is not eligible for a place at any school that the parents has nominated.
18. **Week commencing 15 November 2010** – Packs for admission to Primary School will be distributed to all parents. Applications are to be made on common application form and all applications returned to LA. The LAs system for online applications will become 'live' from the 15 November to midnight on the 17 January 2011.
19. **Closing date for return of CAFs and online applications – 15 January 2011**
20. **Week ending 7 February 2011** – the LA will notify the admission authority for each of the schools of every application that has been made for that school. Where parents have requested a place at a school outside of the LA area, the information will be forwarded to the relevant authority/authorities.

After 7 February – All VA schools make arrangements to gather information required from parents and set up admission committees for allocation of places.

21. **14 March 2011** VA schools and other LAs inform the home LA of allocation of places for all applications received in the priority order of their admission policy. Any applications which are refused also need to be listed in order of priority.

The LA compares lists and considers all preferences from the parent and if first preference is refused, look to see where 2nd or 3rd preferences can be accommodated. The lists will be sent back to the VA schools for their approval before finalising allocations.

Liaison will take place with VA and other LAs schools until the allocation of places is resolved for each application, as required.

22. **By the 28 March** - the LA will match ranked lists for all schools and:

- where the child is eligible for a place at only one of the nominated schools, that school will be allocated to the child;
- where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.

Where the child is not eligible for a place at any of the nominated schools, they will be offered a place at the nearest appropriate school with a vacancy.

23. **On the 15 April 2011** the LA will post (2nd class) out a letter to parents informing them of their allocated school. The letter will tell them which school has been allocated and their statutory right to appeal if they have been refused a place at their preferred school.

Parents will be asked to return their appeal forms to the appropriate admission authority e.g. Community Schools to the LA (Democratic Services) and VA Schools to the individual school who will then forward to the LA (Democratic Services).

NO CAF RECEIVED BY THE LA

24. Where no CAF is submitted for primary or secondary school, the child will be offered a place at the nearest appropriate school with a vacancy or will receive a letter from the LA requesting that they make contact to discuss further.

LATE APPLICATIONS

25. CAFs received after the closing date will be dealt with after all the other applications have been looked at unless there is a good reason, e.g. if a family moves into the area. If that is the case, the application can be considered along with all of those that came in on time as long as the allocations have not been completed.

The LA will continue to co-ordinate applications for admission in September 2011 for any late applications for primary or secondary, received eg after the closing date and post offer date up until the start of that school year.

WAITING LISTS

26. The LA will maintain a waiting list for all oversubscribed maintained Stockton on Tees Schools. The waiting list will be open for Primary and Secondary schools for the Autumn Term of September 2011 until December 2011. Places will be allocated, if they become available, in accordance with the published oversubscription criteria.

27. Where the LA is able to offer a place to a non-Stockton on Tees child from the Waiting List, we will liaise with the home LA.
