3	Minutes of the last meeting and matters arising Minutes were agreed as a true and accurate record.	

	<p>Matters arising: Pg 1 – This will be Ann McCoy’s last meeting as she is moving to Cabinet lead for Children and Young People. Cllr Jim Beall would be the new lead for Adult and Social Care. GP thanked Ann for the contribution she had brought to the Partnership.</p> <p>Pg 3 – Issues – RH requested if the Partnership would wish for a specific update on Housing. They agreed this would be positive.</p> <p>Pg 5 – RH – the Tees PCT strategy has now gone to the SHA and is part of World Class Commissioning assessment.</p> <p>GP sent a letter out to Dr Rodger Thornham on behalf of all the Partnership to thank him for his contribution.</p>	<p>RH to agenda for future meeting</p>
<p>4</p>	<p>Health Inequalities Review Tackling Health Inequalities:- The Audit Commission have reported on “Tackling Health Inequalities in the North East” and made an assessment of the key challenges for organisations to address health inequalities. RH went through the report with the team and gave a brief update on the key issues. The report is an opportunity for the Partnership to review the current position with Stockton.</p> <p>Issues / Concerns were raised around the table on the following:</p> <ul style="list-style-type: none"> - School Pg 26 – Over 16’s – MR explained it is all about changing teenager’s aspirations in life. - Breastfeeding Pg 21 – Darlington once got funding to look at Breastfeeding and got an award and it appears to have worked. RH highlighted that we do have a directory of where you can breastfeed although it does need updating. - Table 13 AC noted that it is good to see that Obesity has dropped - Alcohol Pg 29 Queries about alcohol and why CAA had given a flag to Hartlepool. RH highlighted the reasons behind this which included some concern around sustainable funding in Hartlepool. - Smoking Quitters: - RH explained that there was good local provision there is a lot of work going into this, to maximise uptake. <p>The H+WBMT were reviewing the 7 challenges and would feedback to the partnership its assessment. Any specific views and comments on these challenges could be fed info RH to collate as part of the process.</p> <p>Marmot Review:- RH gave a presentation on Marmot Review. Marmot has published its strategic review of health inequalities in England post 2010. The presentation/ overview highlighted the future</p>	<p>ALL</p>

	PCT Board and Cabinet.	
8	<p>NST – Alcohol Harm Reduction</p> <p>RH updated that the NST are to come to Tees in October to assess Stockton-on-Tees, Hartlepool, Redcar & Cleveland Not assessing Middlesbrough as they already participated in this NST process. This visit is to look at how well we are doing and looking at issues highlighted.</p> <p>Members of the Partnership may get requests to be interviewed further. Details will be circulated nearer the visit.</p>
