

Stockton-on-Tees

BOROUGH COUNCIL

APPENDIX B

**Cowpen Lane Depot
Billingham
Stockton-on-Tees
TS23 4DD**

Name of Person Requesting Salt Bin: Adopted

Location: Unadopted

Ref No: Date:

Request for grit bins with plans of the location and justification for their placement is to be passed to the Area Manager to confirm approval.

The following criteria are to be assessed in considering the need: -

1)	Severity of Gradient	None	Slight	Moderate	Steep
	Length of Gradient		Short (20m)	Medium (40m)	Long (>50m)
	Please Give Details: -				
2)	Severity of Bends	None	Up to 30°	Up to 60°	90° or over
	Length of Bends		Short (20m)	Medium (40m)	Long (>50m)
	Please Give Details: -				
3)	Severity of Junction	None	Up to 30°	Up to 60°	90° or over
	Radius of Junction		Short (4m)	Medium (4 – 12m)	Long (>12m)
	Please Give Details: -				
4)	Category of Traffic		Estate	Industrial	Rural
	Give Details (Lorries, Cars etc: -				
5)	Traffic Flow			Light	Heavy
	Comments (Time): -				
6)	Whether already on a recognised salt run (Engineer to complete using plans)		Priority 1	Priority 2	Priority 3
7)	Convenient area to site bin/heap (If so please mark on plans)			Yes	No
8)	Bus Route (Bus Stops Visible)			Yes	No
9)	Have any accidents been reported in the last 12 months			Yes	No
10)	Is an alternative route available			Yes	No
	Please Give Details: -				
11)	Bin/Heap already provided in this area (Technicians to complete using plans)			Yes	No
12)	Photos Taken			Yes	No
13)	Any special factors (eg. Hospital, Nursing Home, Aged Persons Bungalows, Doctors)				

Considering the factors detailed above I Recommend / Do Not Recommend* that a salt bin / salt heap be provided.

No individual factor, but rather a combination of factors should justify the provision of a grit bin.

*Delete as applicable
