

Consultation Meeting 28th June 2011

The meeting was at the invitation of the Central Billingham Residents Association chaired by James Hadman:

Eight residents attended and asked a number of questions and offered comments.

- What will happen to the mental health unit at Parkside?
- So it is only one wing of the building that will change?
- Will the space be used for other purposes
- I have been trying to get the briars cut for a long time through Care for Your Area
- What is the age range of Halcyon centre clients?
- I wish I had known about Halcyon sooner it sounds just what a relative of mine could have enjoyed.
- Will transport still be provided?
- Will the journeys be much longer?
-
