It was noted that Stockton Schools choose when they take the 5 PD days.

Members of JCC noted and agreed the holiday dates as presented.

Schools

Oakdene Primary School

The Headteacher agreed with the proposed dates.

Wolviston Primary School

The Headteacher agreed with the proposed dates.

Mill Lane Primary School

The Headteacher agreed with the proposed dates.

Academies

North Shore Academy

The Academy Senior Leadership Team totally support trying to have common dates across the Tees Valley and further if possible.

Hardwick Green Primary Academy

The Headteacher responded by indicating that 'in her view an 8 week term was not beneficial (too long), and a 5 week term is too short for developing a curriculum topic. I would prefer a more even spread across the year'.
