CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting27th November 2013

1. Title of Item/Report

CHILDREN'S SOCIAL CARE ACTIVITY AND PERFORMANCE

2. Record of the Decision

Consideration was given to a report on Children's Social Care Activity and Performance.

In light of the Ofsted inspection of child protection in January 2013, it was decided to review the content and format of future children's social care reports to Cabinet.

In addition to a range of measures to illustrate the pressures experienced by the service, a number of performance indicators were included so that Cabinet could more closely monitor the impact of these pressures on performance and outcomes for children.

As a way of achieving this, the use of a 'process model' was approved by Cabinet on 13 June 2013.

Given the importance and profile of these issues was agreed that the new activity and performance reports were brought to Cabinet on a bimonthly basis ie every alternate Cabinet.

RESOLVED that:-

1. The continued workload pressures and associated activity in the children's social care system and the consequent impact this is having on both performance and budget be noted.

2. Further update reports on a bi monthly basis be received in order to continue to monitor children's social care activity and performance.

3. Reasons for the Decision

There are significant and continuing pressures in the children's social care system which could potentially impact on the Council's ability to effectively safeguard children, fulfil statutory duties and remain within
