

STOCKTON-ON-TEES BOROUGH COUNCIL

CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting24th April 2014

1. Title of Item/Report

Economic Climate Update Report

2. Record of the Decision

Consideration was given to an update report on the Economic Climate. The report provided Members with an overview of the economic climate, outlining the effects that this was having on Stockton Borough, and the mitigations already in place and those being developed in response to this.

A report was submitted to Cabinet in December 2008, which set the scene of the economic downturn, and the effects that the global recession and economic climate were having on businesses, rising unemployment, and mortgage repossessions.

The monthly update report would enable a focussed account to be made of any recent changes to economic circumstances (both positive and negative), the direct impact that this may be having on the Borough, and the responses and mitigations either in place or being developed to support businesses and residents. Attached to the report was a summary of those changes and responses.

RESOLVED that the content of the report be noted and the work undertaken to date be supported.
