CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting4th September 2014

1. Title of Item/Report

ECONOMIC CLIMATE UPDATE REPORT

2. Record of the Decision

Consideration was given to a report that provided Members with an overview of the economic climate, outlining the effects that this was having on Stockton Borough, and the mitigations already in place and those being developed in response to this.

Following the recession in 2008 Stockton Council's ambition remained the same; to create a borough that was more confident, vibrant and successful than ever before; where business and people prosper and grow. To do this the nature and extent of opportunities and challenges must be understood that exist within Stockton's economy.

The monthly update report would enable a focused account to be made of any recent changes to economic circumstances (both positive and negative), the direct impact that this may be having on the Borough, and the responses and mitigations either in place or being developed to support businesses and residents. Attached to the report was a summary of those changes and responses.

RESOLVED that the content of the report and support the work being undertaken be noted.
