

APPENDIX B

SERVICE REVIEWS

The following front line services will be subject to a detailed review. These reviews will include appropriate consultation and impact assessments and will be reported back to Cabinet prior to implementation. Youth services, Children Centres and Waste/refuse collection will be wide ranging and will be reported in to /undertaken by Scrutiny Committees

The reviews will need to consider:

- Statutory responsibilities
- The service specifications, levels and standards
- Targeting the services to the areas or people in most need
- The requirement for differential service levels.(e.g. this principal has already been agreed by Cabinet for the library service)

REVIEWS ARE AS FOLLOWS:

Community Safety
