1. Summary

The Children and Young People's Plan (CYPP) has been developed by the Children and Young People's Partnership in order to give clear strategic direction to the Council and partner agencies in their work to develop provision and improve outcomes for children and young people in Stockton-on-Tees.

The plan sets out the key priorities over the 2015-18 period, how these have been identified, and how progress towards improved outcomes will be monitored. It forms a key part of the Council's agreed policy framework and of the Health & Wellbeing Board's governance framework.

2. Recommendations

Cabinet is requested to recommend approval of the Children & Young People's Plan to Council.

3. Reasons for the Recommendations/Decision(s)

The Children & Young People's Plan is part of the Council's agreed policy framework and will support the Council in delivering its key policy commitments in relation to children and young people.

4. Members' Interests

Members (including co-opted Members) should consider whether they have a personal interest in any item, as defined in paragraphs 9 and 11 of the Council's code of conduct and, if so, declare the existence and nature of that interest in accordance with and/or taking account of paragraphs 12 - 17 of the code.

Where a Member regards him/herself as having a personal interest, as described in paragraph 16 of the code, in any business of the Council he/she must then, in accordance with paragraph 18 of the code, consider whether that interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice the Member's judgement of the public interest and the business:-

- affects the members financial position or the financial position of a person or body described in **paragraph 17** of the code, or
- relates to the determining of any approval, consent, licence, permission or registration in relation to the member or any person or body described in **paragraph 17** of the code.

A Member with a personal interest, as described in **paragraph 18** of the code, may attend the meeting but must not take part in the consideration and voting upon the relevant item of business. However, a member with such an interest may make representations, answer questions or give evidence relating to that business before the business is considered or voted on, provided the public are also allowed to attend the meeting for the same purpose whether under a statutory right or otherwise (**paragraph 19** of the code)

Members may participate in any discussion and vote on a matter in which they have an interest, as described in **paragraph 18** of the code, where that interest relates to functions of the Council detailed in **paragraph 20** of the code.

Disclosable Pecuniary Interests

It is a criminal offence for a member to participate in any discussion or vote on a matter in which he/she has a disclosable pecuniary interest (and where an appropriate dispensation has not been granted) **paragraph 21** of the code.

Members are required to comply with any procedural rule adopted by the Council which requires a member to leave the meeting room whilst the meeting is discussing a matter in which that member has a disclosable pecuniary interest (**paragraph 22** of the code).

COUNCIL DECISION

CHILDREN & YOUNG PEOPLE'S PLAN 2015-18

SUMMARY

The Children and Young People's Plan (CYPP) has been developed by the Children and Young People's Partnership in order to give clear strategic direction to the Council and partner agencies in their work to develop provision and improve outcomes for children and young people in Stockton-on-Tees.

The plan sets out the key priorities over the 2015-18 period, how these have been identified, and how progress towards improved outcomes will be monitored. It forms a key part of the Council's agreed policy framework and of the Health & Wellbeing Board's governance framework.

RECOMMENDATION

Cabinet is requested to recommend approval of the Children & Young People's Plan to Council.

DETAIL

1. The Children and Young People's Plan (CYPP) has been developed by the Children and Young People's Partnership which was established following a review of partnership structures within the overall remit of the Health and Wellbeing Board, as approved by Cabinet in July 2014.
2. The Children and Young People's Partnership is a multi-agency forum with senior representatives from member organisations. The agreed terms of reference for the Partnership state its aim as follows:

"The Children & Young People's Partnership ('the Partnership') will provide strategic leadership and support to ensure healthy, happy and safe children and young people who are able to maximise their potential and are protected from harm. It will ensure this for all children and young people; and particularly for the most vulnerable children and young people.

The Partnership will support the vision of the Health and Wellbeing Board (HWB) and the Local Safeguarding Children's Board (LSCB) to protect our children and young people; to improve and protect their health and wellbeing; and to reduce inequality."

3. The terms of reference for the Partnership include the following objective:

"Produce and monitor the implementation of a Children and Young People's Plan (CYPP) and outcomes-based action plan, identifying strategic priorities for children and young people based on a robust assessment of need and evidence-based practice and other key multi-agency strategies e.g. the Joint Health and Wellbeing Strategy 2012-18."

4. Accordingly, the attached Children & Young People's Plan has been developed by the Partnership as a means of giving clear strategic direction to the work of the Council and partner agencies in our ambition to make Stockton-on-Tees an excellent place for children and young people to grow up in, particularly those whose circumstances make them more vulnerable to poor outcomes.

5. The plan has been developed as a reasonably brief, strategic document, focused on providing clarity about the Partnership's priorities, the rationale for these, and the way in which the Partnership will monitor delivery and achievement of actions required to achieve priorities. The plan has taken account of a wide range of evidence, for example: needs assessments; performance data; learning from reviews and inspections; listening to the views of children and young people. It has taken account of discussion with the Stockton-on-Tees Local Safeguarding Children's Board and the Health & Wellbeing Board.
6. The Children & Young People Partnership will monitor delivery of the CYPP and will report on progress in line with the agreed performance frameworks of the Health & Wellbeing Board and Council.
7. Once the plan is approved, work will take place for the document to be formatted in an appropriate style for publication via the Council's website.
