Cabinet Meeting14th January 2016

1. Title of Item/Report

Children's Social Care Activity and Performance

2. Record of the Decision

Consideration was given to a report on Childrens Social Care Activity and Performance.

In light of the Ofsted inspection of child protection in January 2013, it had been decided to review the content and format of future children's social care reports to Cabinet.

In addition to a range of measures to illustrate the pressures experienced by the service, a number of performance indicators would be included so that Cabinet could more closely monitor the impact of these pressures on performance and outcomes for children.

As a way of achieving this, the use of a 'process model' was approved by Cabinet on 13 June 2013.

The report was based on the available data at the end of quarter 2 (30 September 2015).

RESOLVED that:-

1. The continued workload pressures and associated activity in the children's social care system and the consequent impact this is having on both performance and budget be noted.

2. Cabinet receive further reports on a quarterly basis, both in relation to Early Help Activity and Performance and Social Care Activity and Performance.
