

STOCKTON-ON-TEES BOROUGH COUNCIL

CABINET RECOMMENDATIONS

PROFORMA

Cabinet Meeting1st December 2016

1. Title of Item/Report

Ofsted Single Inspection Framework Action Plan

2. Record of the Decision

Consideration was given to a report on the action plan being implemented post inspection by Ofsted under the Single Inspection Framework in May / June. Ofsted required an action plan to be submitted by 14 November. The report therefore updated Members on the contents of that action plan.

Ofsted undertook their inspection in May and June 2016. The final report was published on 5 August, and was reported to Cabinet on 1 September.

Ofsted required the submission of an action plan detailing work undertaken, proposed or planned to address the recommendations in the final report. The action plan was attached to the report.

Key issues to note were:

- a. Action was underway on all recommendations.
- b. Some had been completed and were in fact underway throughout the time of inspection and in advance of the publication of the final report.
- c. The action plan would be incorporated into the Children's Services Strategy for Change and Improvement, and would therefore be reported as part of quarterly performance updates to Cabinet and Children and Young People Select Committee.
- d. Although the Local Safeguarding Children Board was not required to produce a similar action plan, the recommendations had been built into the LSCB Business Plan which would be agreed on 17 November.

RESOLVED that the report be noted
