PROFORMA

Cabinet Meeting1st December 2016

1. Title of Item/Report

School Performance 2015 – 2016 for vulnerable pupils

2. Record of the Decision

Consideration was given to a report that presented a headline, summary analysis of performance in the academic year 2015 – 2016 against all key stages for all providers in the Borough for vulnerable pupils and the strategies in place. It was informed by the latest available data; KS4 and primary unvalidated statistical first release data, and BUSI analysis.

SEN data was based upon Stockton schools and did not include data for Stockton SEN pupils educated out of the Borough. It was noted that the LA SEND Inspection comparison tool did not allow comparison to national 2016 data.

Reports would be presented to Cabinet during the year as further data became available.

The report presented an analysis of school performance in the academic year 2015 – 2016 for vulnerable pupils including:

- Pupils in receipt of Pupil Premium Funding;
- Performance of boys;

- Looked After Children;
- Children with Special Needs;
