2. Recommendations

1. That the 2016 /2017 Annual Report of the Stockton-on-Tees Local Safeguarding Children Board be noted.

3. Reasons for the Recommendation(s)/Decision(s)

There is a statutory requirement under section 14A of the Children Act 2004 and the Apprenticeships, Skills, Children and Learning Act 2009 for Local Safeguarding Children Boards to produce and publish an annual report on the effectiveness of safeguarding in the local area, including the implementation of Serious Case Review action plans.

4. Members' Interests

Members (including co-opted Members) should consider whether they have a personal interest in any item, as defined in **paragraphs 9 and 11** of the Council's code of conduct and, if so, declare the existence and nature of that interest in accordance with and/or taking account of **paragraphs 12 - 17** of the code.

Where a Member regards him/herself as having a personal interest, as described in **paragraph 16** of the code, in any business of the Council he/she must then, **in accordance with paragraph 18** of the code, consider whether that interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice the Member's judgement of the public interest and the business:-

- affects the members financial position or the financial position of a person or body described in **paragraph 17** of the code, or
- relates to the determining of any approval, consent, licence, permission or registration in relation to the member or any person or body described in **paragraph 17** of the code.

A Member with a personal interest, as described in **paragraph 18** of the code, may attend the meeting but must not take part in the consideration and voting upon the relevant item of business. However, a member with such an interest may make representations, answer questions or give evidence relating to that business before the business is considered or voted on, provided the public are also allowed to attend the meeting for the same purpose whether under a statutory right or otherwise (**paragraph 19** of the code)

Members may participate in any discussion and vote on a matter in which they have an interest, as described in **paragraph 18** of the code, where that interest relates to functions of the Council detailed in **paragraph 20** of the code.

### **Disclosable Pecuniary Interests**

It is a criminal offence for a member to participate in any discussion or vote on a matter in which he/she has a disclosable pecuniary interest (and where an appropriate dispensation has not been granted) **paragraph 21** of the code.

Members are required to comply with any procedural rule adopted by the Council which requires a member to leave the meeting room whilst the meeting is discussing a matter in which that member has a disclosable pecuniary interest (**paragraph 22** of the code)

The Stockton-on-Tees Local Safeguarding Children Board (SLSCB) Annual Report is presented to Cabinet for information to Councillors in relation to the achievements and future challenges of the SLSCB. The Annual Report is attached.

**RECOMMENDATIONS**

1. That the 2016 / 2017 Annual Report of the Stockton-on-Tees Local Safeguarding Children Board be noted

1. There is a statutory requirement under section 14A of the Children Act 2004 and the Apprenticeships, Skills, Children and Learning Act 2009 for Local Safeguarding Children Boards to produce and publish an annual report on the effectiveness of safeguarding in the local area, including the implementation of Serious Case Review action plans.
2. In accordance with this statutory requirement the report was submitted to the Chief Executive, Leader of the Council, the local Police and Crime Commissioner and the Chair of the Health and Well-being Board.
3. It is the intention of SLSCB to share this with all partner agencies and with those that have influence over the services provided to children and families in Stockton-on-Tees. The purpose of this report is:
  - To provide an outline of the main activities of SLSCB and achievements during 2016-17;
  - To comment on the effectiveness of safeguarding activity and of SLSCB in supporting this;
  - To provide the public and partner agencies with an overview of safeguarding activity;
  - To identify gaps and challenges in service development in the year ahead.
4. The key achievements and challenges of the Board for 2016 / 2017 are referenced in the SLSCB 2016 /2017 Annual Report which has been circulated with this report. The following is a snapshot of some of the other achievements:

- All of the Councils Children's Homes, including those developed as part of the joint venture with Spark of Genius, were rated good or outstanding.

Assurance was obtained around the CAMHS DNA pathway, and the LAC Nurse/Named Nurse arrangements. This was a productive piece of work from which learning was shared to improve local circumstances.
- 700 taxi drivers and private hire firms received training so they can help protect vulnerable adults and safeguard children
- The Youth Offending Team was praised by the Youth Justice Board for its "excellent performance", particular reference was made to safeguarding work.

5. The Year Ahead – 2017 / 2018

The embedded working approach introduced during 2016 / 2017 will remain, focusing on:

- Ensuring co-operation and co-ordination between agencies
- Effective challenge and scrutiny of policies, practice and performance
- Enabling change to improve outcomes

6. In addition the Board will continue with its two operational priority areas of:

- a) **Preventing harm:** tackling the root causes of neglect, with a focus on domestic abuse, drugs and alcohol and parental mental health
- b) **Protecting vulnerable children:** reducing the risks of children and young people who are VEMT or at risk of being VEMT.

It will also continue to build upon its third priority area - **business improvement**.

7. Work will also include the following, which is not in any particular order and in some cases is already underway as we produce the 2016 / 17 Annual Report:

- Review and propose preferred footprint option for the new Safeguarding Partnership that is required from the Children & Social Work Act 2017.
- Continue to request Operational Assurance Reports as a means of facilitating effective scrutiny and challenge.
- Champion the Graded Care Profile 2 Assessment Tool
- Request assurance of effectiveness of the Hartlepool & Stockton-on-Tees Children's Hub.
- Recognise the importance of ensuring Children Missing Education are monitored / seen to avoid them being 'lost'.
- Challenge all agencies to share learning from single agency audits highlighting that this is not solely the function of Children's Social Care.
- Monitor improvements and the impact made, following the appointment of the VEMT Co-ordinator.
- Highlight and share good practice related to the 'Future in Mind Programme' that will take place within schools to support mental wellbeing of children.
- Continue to ask 'So What' and 'Why' in order to establish the impact of work taking place with children and their families.

8. All partners of SLSCB strive to make continual improvements of their effectiveness in ensuring the safety and well-being of children both individually and as a partnership whilst at the same time recognising the challenges faced, locally, regionally and nationally.

#### **COMMUNITY IMPACT IMPLICATIONS**

9. It is not considered necessary to produce an equality impact assessment.

#### **FINANCIAL IMPLICATIONS**

10. There are no specific financial implications arising from this report. Financial contributions are made to SLSCB by member agencies and this forms part of the mainstream budget reporting through the usual channels.

#### **LEGAL IMPLICATIONS**

  - Section 14 (1) of the Children Act 2004

#### **RISK ASSESSMENT**

12. SLSCB Annual Report is categorised as low to medium risk. Existing management systems and daily routine activities are sufficient to control and reduce risk.

#### **COUNCIL PLAN POLICY PRINCIPLES AND PRIORITIES**

13. The Report supports the Council's policy principles of:
  - Protecting the vulnerable
  - Developing strong and healthy communities
14. The Report particularly supports the approach of the Council and partners to protect the vulnerable and develop strong and healthy communities, through providing assurance of how this partnership Board is working together to safeguard children, improve health and wellbeing and reduce inequalities. This is being progressed through a combination of universal and targeted activities, to meet the varying needs of children and their families
15. Improving outcomes for children by effective service delivery will impact on their potential quality of life in adulthood thus protecting the vulnerable through targeted intervention.
16. In addition the effective safeguarding of children and young people will also have a significant impact on developing strong and healthy communities.

#### **CORPORATE PARENTING IMPLICATIONS**

17. For those children who are looked after, the Council has a responsibility as corporate parent to ensure that their needs are appropriately met, this includes ensuring they are safe and in suitable secure placements.
