CAB **Fly-Tipping Fixed Penalty Notices**
109/17

Consideration was given to a report that outlined some of the changes around legislation relating to fly tipping and how the offence was dealt with in Stockton-on-Tees. Last year, Local Authorities in England dealt with over one million fly tipping incidents an increase of 7%. Locally, the Council dealt with thousands of requests for service each year with incidents of fly tipping increasing in line with the national picture. The estimated cost of clearance of fly tipping in England is around £57 million per year.

RESOLVED that:-

1. The issue of Fixed Penalty Notices be authorised for small scale fly tipping offences contrary to section 33 (1) (a) of the Environmental Protection Act 1990.
2. The maximum Fixed Penalty be set at the upper scale of £400 without the option to discount. This would bring Stockton on Tees Borough Council in line with the majority of our neighbouring authority areas.

CAB **VCSE Compact**
110/17

Consideration was given to a report that provided an overview of the draft Compact 2018-21 (The Compact), developed jointly with Catalyst, which covers the principles under which the Public Sector and the Voluntary Community Social Enterprise Sector work together in the Borough.

The Compact covered the principles under which both the Public Sector and the Voluntary Community Social Enterprise Sector operated in their relationship with each other. It covered a range of factors including common principles, consultation and communication, funding and resources and conflict resolution. There had been a Compact in place for a number of years which had been refreshed regularly. The current document ran out in Autumn 2017.

It was timely that the Compact was due renewal as it gave the opportunity for scrutiny and consultation, to make sure it was fit for purpose. The document had been streamlined to make it more user friendly and accessible but ensuring that the salient points were still incorporated.

The draft Compact had been developed in collaboration with Catalyst and other public sector partners. The draft consultation document was launched on the 16th October with workshops held at the Catalyst annual event on the 31st

October 2017, consultation closed at the end of December 2017. All comments received had been considered and fed into the draft consultation document.

The consultation demonstrated that there was strong support for the Compact. Feedback included:

- It was felt that the consultation was a good thing as it raised awareness of the Compact and then could use it later.
- The Compact acts as a reminder to work to the agreement, act professionally and it could be used for mediation
- Felt it was an aspirational document but also aimed at a high, strategic level.

RESOLVED that the draft Stockton-on-Tees Borough 2018-21 Compact be endorsed.

CAB **Adoption Tees Valley Delegated Authority**
111/17

Consideration was given to a report that sought approval for Stockton Council to host Adoption Tees Valley in line with the proposal in the Full Business Case.

In June 2015, the Department for Education (DfE) published 'Regionalising Adoption' and asked all adoption agencies in England to consider how to work much more closely together on a regional basis. This was enacted as the Education and Adoption Act 2016 which advised authorities and voluntary adoption agencies to join together to form Regional Adoption Agencies (RAA). The Act also gave the Secretary of State a new power to direct one or more named local authorities to make arrangements for any or all of their adoption functions to be carried out on their behalf by one of the local authorities named, or by another agency. By 2020, all local authorities must be part of a Regional Adoption Agency (RAA) under Section 16 of the Education and Adoption Act 2016.

The Government's view was that structural change would improve the process for children and adopters leading to improved numbers of children being adopted, an improved experience for adopters and improved timeliness overall. The DfE expected the RAA programme to deliver consistently good and innovative adoption practice that ensured improved life chances for children.

In October 2015, the Tees Valley local authorities submitted an expression of interest to the Department for Education for an adoption reform grant to scope the development of a Tees Valley Adoption Service. Initially this project was being led by Middlesbrough Borough Council, however, since January 2016, Hartlepool Borough Council had fulfilled the lead authority role.

At its meeting on 10th October, Cabinet received and approved the Full Business Case for Adoption Tees Valley. The Business Case proposed that Stockton-on-Tees Borough Council host the service on behalf of all the partner Councils. Since this meeting Darlington Borough Council, Hartlepool Borough Council, Middlesbrough Borough Council and Redcar and Cleveland Borough Councils had all approved the delegation of powers in line with the draft Section 101 agreement subject to final amendments.

RESOLVED that the delegated powers be accepted from Darlington Borough Council, Hartlepool Borough Council, Middlesbrough Borough Council and Redcar and Cleveland Borough Council to host Adoption Tees Valley in line with the proposal in the Full Business Case.

114/17

The Homelessness Reduction Act would come into force on the 3rd April 2018. It was a significant piece of new legislation which would require councils to provide services to anyone at risk of becoming homelessness.
