

**STOCKTON-ON-TEES BOROUGH COUNCIL**

**CABINET RECOMMENDATIONS**

**PROFORMA**

Cabinet Meeting .....24th June 2021

1. Title of Item/Report

Approval of 9 month Extension to Waste Disposal Contract

2. Record of the Decision

Cabinet was advised that the current Tees Valley Waste Disposal Contract ended on 21st July 2025, with the timetable of the Service Commencement Date (SCD) for the new ERF project to be the 1st April 2026.

Due to this 9 month period (between 21st July 2025 and 1st April 2026), it was a requirement that we have an arrangement in place for the disposal of our waste until our new facility is operational and accepting waste.

Cabinet was therefore invited to authorise the Council to enter into the Contract Extension Option Agreement between the four former Cleveland authorities and Suez, which shall provide service continuity on the existing Waste Disposal Contract until at least 31st March 2026.

RESOLVED that Cabinet authorise the Council to enter into the Contract Extension Option Agreement between the four former Cleveland authorities and Suez, which shall provide service continuity on the existing Waste Disposal Contract until at least 31st March 2026 .

3. Reasons for the Decision

To mitigate the risk of being left without a waste disposal outlet for our municipal waste for the 9 month period between 21st July 2025 and 1st April 2026.
