REASONS FOR RECOMMENDATIONS/DECISIONS

To enable Cabinet to exercise its strategic oversight of higher value planned procurement projects, in accordance with the updated constitution.

RECOMMENDATIONS

That Cabinet

1. approves the contract listed in Annex 1.
2. gives authority to the relevant Director or Assistant Director to make the specific contract award decision and any subsequent contract variation and extension decision in accordance with the delegations listed in Annex 1.

DETAIL

1. The constitution defines a range of decisions that require a specific Cabinet approval, the financial threshold for which is set at a level of £500k or more. Annex 1 lists contracts that exceeds the financial threshold and have not otherwise been delegated to officers.

FINANCIAL IMPLICATIONS

2. The report includes higher value contracts expected to be awarded in the current financial year. The expenditure committed as a result of these tenders/ quotes is planned and remains within the Council's approved budget/MTFP or is subject to a bid for external funding which will ensure that at the point of contract award funds are available within the MTFP.

LEGAL IMPLICATIONS

3. Notwithstanding Cabinet approval it remains the responsibility of officers to ensure that the correct processes within Contract Procedure Rules have been followed and that where applicable the Public Contracts Regulations 2015 are complied with.
4. Where the value of goods, services or works exceeds the threshold at which the procurement process must comply with the Public Contracts Regulations either a tender exercise or the use of a suitable framework agreement will comply with the Regulations.
