

Progress Update - Obesity

Number	Recommendation	Responsibility	Anticipated Completion Date/ Completion Date	Evidence of progress	Assessment of progress (Categories 1-4)
1	The Committee recommends that the Director of Public Health together with appropriately identified partners from the Health and Well-being Partnership Board publish a long-term strategy to tackle obesity that is appropriately resourced. The Committee acknowledges the excellent work already carried out by stakeholders and this strategy will capture and build upon the work that is currently delivered in the borough.	<del>Elizabeth Shassere</del> Ruth Hill Claire Spence	<del>By end June</del> March 2010  December 2009	A proposal to implement a structure for the development of the Healthy Weight Healthy lives strategy and strategy group has been written and approved by CMT  Obesity Stakeholder event held on the 28 <sup>th</sup> July 2009.  Date to be confirmed for the first Health Weight, Healthy Lives Partnership group.	1 – Achieved  2 - Ongoing
2	The Committee recommends that the PCT and SBC evaluates not only the success of obesity programmes currently commissioned and delivered within the Borough but also consider introducing examples of best practice elsewhere to ensure that value for money is being achieved and services are delivered in targeted areas and to targeted groups as appropriate.	All commissioners of obesity related activity  All members of the HWHL groups.	Ongoing	Under the principles of world class commissioning, all commissioned activity should include robust monitoring and evaluation processes and quarterly monitoring reports are received and reviewed by commissioners to inform service improvements and further development.  The development of the strategy structures will provide the forum for sharing and disseminating best practice.	2 - Ongoing
