Select Committee: CYP	Type of Review: Task and Finish
Timeline CYP Select Committee 15.12.10 and 26.01.11 Cabinet 17.02.11	
1. What services are included? Information, Advice, Guidance and related support services funded through Connexions budget. The review will also include targeted services core funded through Youth Service and not included in the CYP Youth Review of Universal services.	
2. Task & Finish Teams overall aim / objectives in doing this work is: To review the effectiveness of the service structure and delivery model of these services to young people, taking account of the emerging policy direction at a national level. To identify possible options for the way in which the service is delivered.	
3. Please give an initial indication how transformation will enable efficiencies and improvements to be delivered by this EIT review? The review will seek to maximise use of resource on key / statutory objectives, rationalising service delivery and seeking savings from potential "low impact" activity.
