

Scrutiny Review of the Child's Journey - Appendix 1

No.	Recommendation	Responsibility	Action	Date
	That the Council:			
1	Requires all those working with children and young people to promote a culture and use of language which recognises individuality, respects young people's preferences on language, avoids labelling and use of jargon, and emphasises the child or young person at the heart of all we do;	Martin Gray	To include a specific requirement as part of the new practice framework being developed	May 2019
2	Endorses the development of the Bright Minds Big Futures Big Committee and requests further updates on its progress;	Jane Webb / Martin Gray	6 monthly progress report to be considered	Nov 2019
3	Proposes that the Corporate Parenting Board continues to engage, and work closely with, the Let's Take Action Group;	Jamie Wassell / Rhona Bollands	Engagement to be built into all agendas	Ongoing
4	Ensures that future safeguarding partnership arrangements retain a focus on the voice of the child as part of its active learning process;	Kim Staff	To include in active learning reviews	May 2019
5	Supports the expanded role of the Young Inspectors beyond residential care home inspection;	Jo Lee / Dave Willingham	To expand into additional services areas	Sep 2019
6	Undertakes a specific piece of work with the Big Committee on how the Council can evidence young people's views have an impact on care planning;	Rhona Bollands / Kim Staff	To complete a specific piece of work on understanding of social worker roles	October 2019
7	Undertakes consultation with children and young people to redesign the children in care / looked after review process;	Kim Staff	To review the process by which reviews are held to encourage greater involvement	Sep 2019

No.	Recommendation	Responsibility	Action	Date
8	Encourages all schools to respond to views expressed by pupils through examples such as the secondary school wellbeing survey (Schools Health Unit Exeter - SHUE) survey, which demonstrate the need for a strong pupil voice;	Deborah Merrett	Follow up with schools at safeguarding Forum	June 2019
9	Notes that the Committee welcomed the commitment to using appropriate tools for engagement, and consideration should be given to widening their use where appropriate;	Jackie Ward	Report further in roll out of tools currently used by Disabled Children's Team	October 2019
10	Ensures a continued focus on the child's lived experience is embedded into assessment and care planning and that this is monitored through audit and supervision.	Rhona Bolland	To be reviewed as part of review of supervision process	May 2019
