

**AGENDA ITEM**

**REPORT TO CLEVELAND &  
CRIME PANEL**

**7 DECEMBER 2012**

**REPORT OF HEAD OF  
COMMUNITY PROTECTION**

**FIRST DRAFT PERFORMANCE MONITORING REPORT**

**SUMMARY**

To consider first draft monitoring report.

**RECOMMENDATIONS**

- members of the Panel consider the draft report and offer comments on it
- the Panel agrees to review quarterly performance monitoring reports during 2013/14, and that the dates of Panel meetings be arranged so as to allow for timely reviews following the end of each quarterly period.

**DETAIL**

1. Attached to this report is a first draft of a performance monitoring report, prepared by officers from the Office of the Police & Crime Commissioner. Members of the Panel will note that it covers not only Police performance, but also a range of performance indicators from other criminal justice agencies.
2. This draft illustrates a range of performance information which could be made available to the Panel in future. It provides an opportunity to check whether members of the Panel find the format useful and clear and whether there are any parts they would wish to dispense with and/or additional information which they would wish to see.
3. It is anticipated that the Commissioner will wish to establish a quarterly performance monitoring regime in relation to the Police & Crime Plan, and it is proposed that the Panel should review the same quarterly monitoring reports during 2013/14. The main advantages of such an arrangement are that it is efficient, and that the Commissioner and the Panel will be looking at the same dashboard, and the potential disadvantage is that it could lead members of the Panel towards scrutinising the performance of Cleveland Police, which is not the Panel's responsibility, rather than scrutinising the performance of the Commissioner.
