

**CLEVELAND POLICE AND CRIME PANEL – 2 FEBRUARY 2021  
ITEM 4 – MEMBERS’ QUESTIONS TO THE ACTING COMMISSIONER**

**The following question has been submitted by Mayor Preston for response by the Acting Commissioner:-**

“I support the PCC and Cleveland Police 100%. I want the public to play an active role in our force’s ongoing improvement. Progress and collaboration requires the setting of easily understood targets that measure performance and success. I want to see our performance assessed vs forces with similar demographic profiles. What metrics and targets do you think we should adopt and readily share with the public?”
