

CLEVELAND POLICE AND CRIME PANEL – 14 SEPTEMBER 2021 ITEM 5 – MEMBERS’ QUESTIONS TO THE COMMISSIONER

The following question has been submitted by Cllr Barrie Cooper for response by the Commissioner:-

“I would like the Commissioner to know that I am receiving numerous complaints of speeding in the populated 20mph zones around Middlesbrough, I’m also aware of similar problems in neighbouring Local Authority areas so I would ask the Commissioner if more Speed Camera vans could be made available as a deterrent in these vulnerable areas?”
