Members were advised that the officer led EIT Task and Finish final reports were considered by Cabinet in December 2010, and the EIT review of School Catering was considered by Cabinet in February 2011. Cabinet had accepted the recommendations.

REVIEW OF SCHOOL CATERING

Members were advised that the increase in the price of school meals had been highlighted in the local press and the service had not received any adverse feedback from this. A second Bailiff company had been appointed and the Corporate Management Team had approved the access channel strategy.
