

Ground floor Conference Room, Municipal Buildings

If the fire alarm should sound please leave the ground floor conference room, through the double doors and make your way to the car park at the rear of Municipal Buildings. If the Bomb alarm should sound, which is the same as the fire alarm but intermittent then please leave the conference room, exit Municipal Buildings through the front doors and make your way to the car park at the rear of Splash.

Location of the toilets are on the ground floor turning right from the conference room and following the corridor along, gents are first door on the left and ladies are fourth door on the left.
