ENV 56/09 **EIT Review of Built and Natural Environment**

Members were presented with a Suggested Review Pro Forma for the EIT Review of Built and Natural Environment.

The Chair explained that there had been no discussion on this item yet and Members needed to agree which areas of Built and Natural Environment they wanted to include in the review. The Acting Head of Technical Services was in attendance at the meeting and drew Members attention to the environmental policies contained on the Suggested Review Pro Forma and invited Members comments.

Members discussed the following possible areas for the review:-

- * Green Travel - public transport, walking, cycling
- * Green Travel - home to school transport (walking bus etc)
- * Green Travel - the use of electric cars by SBC
- * Street Art and Furniture - The budget for the removal of unwanted street art and furniture
- * Green Space - Recent policy papers on making the most of green space
- * New hospital and adjoining plans and the environmental policies
- * Section 106 Agreements

- * Financial cost of green travel and the possible financial benefits for the Health Service
- * Environmental Policy NI descriptors
- * Domestic energy

The Scrutiny Officer and the Acting Head of Technical Services noted Members comments and outlined that they would draw up a scope for the review. A dedicated Link Officer and Finance Officer would be assigned to the review.

A Tripartite meeting would take place before the Scope and Project Plan would be presented to the Committee at its next meeting.

CONCLUDED that Members comments be noted.

ENV 57/09 Action Plan for Carbon Management

Environmental Policy Manager presented Members with the Action Plan for Review of Carbon Management. Members were given the opportunity to ask questions and make comments on the Action Plan.
