

COUNCIL MEETING – 6TH NOVEMBER 2013
ITEM 14 – MEMBERS’ QUESTION TIME

The following question has been submitted by Councillor Lupton for response by the Cabinet Member for Children and Young People:-

“In view of the significant concern of residents living in Thorpe Thewles and Wolviston over the lack of consultation on the Joint Ventures (Stockton BC and Spark of Genius) proposal to establish children’s homes in their communities, can the Cabinet Member inform Council how they propose to undertake consultation with residents, where there are similar proposals in other communities, and what weight will be given to residents comments and concerns before completion of contracts on the purchase of any property in the future?”
