

**COUNCIL MEETING – 16<sup>TH</sup> SEPTEMBER 2015**  
**ITEM 14 – MEMBERS' QUESTION TIME**

**The following question has been submitted by Councillor Vickers for response by the Cabinet Member for Children and Young People:-**

“Whilst a lot of attention is given to the Ofsted results achieved by our schools, little is given to the results of our children's homes. School OFSTED results are available to the boroughs parents and they have the freedom to move their children between schools accordingly, it is we, as corporate parents who have such a responsibility to look after the interests and welfare of some of the most vulnerable young people in the borough. Of all the children's homes in the borough how many 'require improvement'?”
