The Authority was required by the Gambling Act 2005 to publish a statement of the principles that it proposed to apply when exercising its functions under the Act, in the form of a Gambling Policy. This policy statement must be published every three years. The Council's policy statement took effect in January 2013 and was due for review.

The purpose of the report was for Members to consider the views and comments received from the Licensing Committee and other interested parties following consultation on the proposed revised policy.

Consultation closed on the 20 October 2015. A small number of responses were received including substantive comments from Luxury Leisure Limited, Gosschalks Solicitors (on behalf of the Association of British Bookmakers) and Coral Racing Limited

The policy and comments received were considered at the Licensing Committee held on the 20 October 2015 when consideration was given to amending the draft policy to take account of some of the points raised. These changes had been incorporated into the final draft policy attached to the report.

The main changes to the policy were detailed within the report.

Further minor changes had been made to the draft policy following the comments received during the consultation exercise. These were detailed within the report.

A copy of the final draft policy was attached to the report.
