Consideration was given to a report on the views and comments received from the Licensing Committee, trade and other interested parties following consultation on the review of the Private Hire and Hackney Carriage Licensing Policy. Members were requested to approve the final policy.

The existing Private Hire and Hackney Carriage Licensing Policy was introduced on 1 May 2012. At their meeting held on 17 October 2014, the

Licensing Committee agreed a draft revised policy document in respect of Private Hire and Hackney Carriage licensing for consultation with the trade and other interested parties (Minute L63/14 refers).

All licensees were informed in the 'Trade Times' newsletter of the consultation, an advert was placed in a local newspaper and details and a consultation response document were placed on the Trading Standards & Licensing website.

Consultation was undertaken and the Licensing Committee considered the responses received, together with officer's comments at their meetings on the 15 July 2015 and 20 October 2015. Members considered that various proposed amendments should be incorporated into the draft revised policy. Details of the relevant issues and what was proposed were set out in the report to Council. Review of the Council's Sex Establishment Licensing Policy

Consideration was given to a report on the Sex Establishment Licensing Policy following its review and consultation with relevant stakeholders.

Council previously agreed to adopt Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1976, which enabled the licensing of sexual entertainment venues (Cabinet Decision 20th December 2010 refers). Council also agreed to the introduction of a Sex Establishments Policy (Cabinet Decision 3rd November 2011 refers). The original policy was adopted following extensive consultation with interested parties including Cleveland Police, representatives of businesses and residents in the Borough, Premise Licence and Club Premise Certificate holders (alcohol licensed premises) and the Local Safeguarding Children's Board.

Since the adoption of the policy in November 2011, no applications for a sexual entertainment licence had been received by the Authority and no issues or concerns had been raised. The Policy set out in detail the Authority's views in relation to suitability of applicants, number of establishments and where they could be located.

As a result it was proposed that the policy remained relatively unchanged and that the policy be reviewed, in future, every 5 years.

The policy was considered by the Authority's Licensing Committee on 4th November 2014. Members agreed to a proposal to carry out a consultation exercise with stakeholders.

A consultation exercise was carried out between 20th November 2014 and the 16th January 2015. The review was advertised in the Herald & Post on the

20th November 2014, with a copy of the policy available on the Trading Standards & Licensing website. No comments were received.

A copy of the Policy was also circulated to Responsible Authorities designated under the Licensing Act including Public Health, Planning, Environmental Health, Local Safeguarding Children's Board and Cleveland Police.

Cabinet considered this matter at its meeting held on 12th November 2015 and a copy of the relevant minute extract was attached to the report.

RESOLVED that the Sex Establishment Licensing Policy as presented in Appendix 1 be approved.
