Cabinet Meeting – 18 October 2018

1. Title of Item/Report

Director of Public Health Annual Report

2. Record of the Decision

Consideration was given to the Director of Public Health Annual Report.

The Director of Public Health Annual Report outlined some of the key health and wellbeing challenges and opportunities in Stockton Borough, including the data and evidence and details of current work and planned next steps.

Under the Health and Social Care Act (2012), the Director of Public Health in the Local Authority had a statutory duty to publish an independent report on the health of the population in their area; the Local Authority had a duty to publish the Report.

The Report was based on the JSNA and Joint Health and Wellbeing Strategy 2012-18, plus additional evidence from other sources and therefore had been developed through consultation with partners and communities. The focus of the Report was using 'community-centred approaches' to improve health and wellbeing in Stockton-on-Tees.

RECOMMENDED to Council that Director of Public Health Annual Report be agreed.
