Cabinet Meeting – 12 September 2019

1. Title of Item/Report

Scrutiny End-of-Term Report 2015-19

2. Record of the Decision

Consideration was given to a report on the Scrutiny End-of-Term Report 2015-19.

The Scrutiny End of Term Report was produced for the period 2015-19 and was attached to the report. The Report highlighted the work of the Council's Select Committees during the last four years, and contained infographics which summarised each year's work programme in detail. These infographics function as each year's Annual Report.

The End of Term report was considered by each Select Committee prior to the Local Government Elections, and was circulated to the Executive Scrutiny Committee.

It was noted that review recommendations were made at a certain point in time, and naturally as the Report covered a four year period, a number of the issues covered had developed further.

Aside from those relating to a small number of more recently completed reviews, the majority of scrutiny recommendations from this period had been subject to monitoring by Select Committees and had been signed off as complete.

Production of the End of Term Report and consideration by Cabinet and Council (25 September 2019) supported the aims of the statutory Guidance. Consideration of the Report by Council also fulfilled the requirements of the Constitution.
