STOCKTON-ON-TEES BOROUGH COUNCIL

CONSTITUTION

Part 1 – Summary and Explanation

PURPOSE OF THE CONSTITUTION

- 1.1 Stockton-on-Tees Borough Council (“the Council”) has adopted a constitution which sets out how the Council operates, how decisions are made, by whom and the procedures that are followed to ensure that decisions are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose. Generally speaking the Council will exercise its powers and duties in accordance with the Constitution, unless the provisions are waived (see 1.39 below) or the law requires the Council to do something else.
- 1.2 This is a document to help residents, businesses, partners, stakeholders, Councillors and Officers to understand how the Council works. We have included hyperlinks between different parts of the Constitution wherever possible to make it easy to navigate your way around the information. We have also included hyperlinks to other documents/sites where we think this will be helpful. All hyperlinks are coloured [blue like this](#).

THE COUNCIL

- 1.3 The Council comprises 56 Councillors (also called Members), who are elected every four years. Councillors are democratically accountable to residents of their Ward.
- 1.4 All Councillors meet together as the Council (often referred to as "Full Council"). Meetings of the Council are normally open to the public. These meetings set some of the Council's overall policies and the budget each year (known as the Budget and Policy Framework). Certain decisions must be taken by full Council, but most may be delegated to others. Who has responsibility for the Council's functions is set out in [Part 2](#) of the Constitution.
- 1.5 There are three different types of Council meeting:
- The Annual Meeting of the Council, which will usually be held in May;
 - Ordinary meetings; and
 - Extraordinary meetings, which will be called as and when required in accordance with the Council Procedure Rules.

You can find details of [Council meetings](#) on the Council's website

COUNCILLORS

- 1.6 Councillors are directly accountable to residents, tax payers and local businesses for the running of the Council. They have a duty to represent all constituents in their Ward (including those who did not vote for them) and they must make decisions in the best interests of the Borough as a whole. They are involved in decision making in accordance with the Council's Procedure Rules. Councillors can also represent the authority on external bodies.
- 1.7 The regular election of Councillors will be held on the first Thursday in May once every four years, with all Councillors being elected at the same time. The last election was in 2019. The term of office of Councillors will start on the fourth day after being elected and will finish on the fourth day after the date of the next regular election (except for the Leader and the Mayor who remain in office until the Annual Meeting). You can find out more about [Councillors](#), the political groups that they may represent, [elections and voting](#) on the Council's website.

- 1.8 The Council maintains an up to date register of Councillors, and you can [click here](#) to view Councillors committees and declarations of interests.
- 1.9 Councillors carry out the following roles and functions, they:
- determine the Council's policies and budget;
 - represent their communities and bring their views into the Council's decision-making process i.e. become the spokesperson of and for their communities;
 - contribute to the good governance of the area and actively encourage community participation and resident involvement in decision making;
 - deal with individual casework and act as a spokesperson for constituents in resolving particular concerns or grievances;
 - respond to constituents' enquiries and representations, fairly and impartially;
 - take decisions at full Council, and through membership of Cabinet, or the Council's Committees or Panels;
 - participate in reviewing and scrutinising decisions made or actions taken in the exercise of the Council's functions;
 - are available within the terms of the Constitution to represent the Council on other bodies; and
 - promote and maintain the highest standards of conduct and ethics in the way they undertake their duties.
- 1.10 Councillors are required to comply with the Members' Code of Conduct, the [Protocol on Member/Officer Relations](#) and the other Codes and Protocols set out in [Part 4](#) of this Constitution. The Council's Monitoring Officer is responsible for the provision of training and advice to Councillors on the role of a Councillor including the Code of Conduct.
- 1.11 Councillors will be entitled to receive allowances in accordance with the [Members' Allowances Scheme](#) set out in [Part 5](#) of this Constitution.

THE CABINET

- 1.12 The Cabinet (which is also called "the Executive") is the part of the Council which is responsible for most of the significant decisions. The Cabinet is made up of the Leader of the Council, who is elected by the Council, and up to nine other Councillors appointed by the Leader. One of the Cabinet members is also appointed by the Leader as his/her deputy. The Leader determines which executive decisions will be made by the Cabinet collectively and which decisions may be taken either by a committee of Cabinet or by individual Cabinet members or Officers.
- 1.13 When "[Key Decisions](#)" are to be discussed or made, these are published in the Cabinet's [Forward Plan](#) (except in cases of urgent decisions where this is not possible). If Key Decisions are on the agenda for a meeting of the Cabinet, this will generally be open for the public to attend except where for example personal or confidential matters are being discussed (further details are set out in the [Access to Information Procedure Rules](#)). The Cabinet has to make decisions which are in line with the Council's overall policies and budget. If Cabinet wishes to make a decision which

is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

- 1.14 Each member of Cabinet is responsible for a particular functional area (known as a "Portfolio"), and the [allocations of portfolios to Cabinet Members](#) is determined by the Leader.
- 1.15 Proceedings of the Cabinet shall take place in accordance with the Cabinet Procedures Rules set out in [Part 3](#) of this Constitution.

THE ROLE OF THE MAYOR

- 1.16 The Mayor is the first citizen of the Borough of Stockton-on-Tees. He or she has the following roles and functions (which in his/her absence shall be carried out by the Deputy Mayor). He or she will:
- (a) promote the Council as a whole, acting as a focal point for the community, attending such civic and ceremonial functions and fulfilling such civic duties as the Council and he/she determines to be appropriate;
 - (b) preside over meetings of the Council so that Council business can be carried out efficiently and with regard to the rights of Councillors and the interests of the community;
 - (c) ensure that the Council meeting is a forum for the debate of matters of concern to the local community and the place at which Councillors who are not on the Cabinet are able to hold the Cabinet and committee chairs to account;
 - (d) uphold and promote the purposes of the Constitution, and, subject to the advice and guidance of the Monitoring Officer, during Council meetings to interpret the Constitution as and when necessary; and
 - (e) promote public involvement in the Council's activities.
- 1.17 The Mayor is a Member of the Council and is elected by Councillors at the Annual Meeting of the Council.
- 1.18 Each year the Councillor with the longest cumulative service on the Council will normally be nominated to serve as Deputy Mayor (unless that Councillor has previously served as Mayor). When appointed by Council as Deputy Mayor, the Councillor concerned will usually be agreed as the person nominated to serve as Mayor for the following Municipal Year.
- 1.19 Where, in any year, more than one Councillor satisfies the criterion as the Councillor with the longest cumulative service on the Council, and no one agreed nominee has been chosen, nominations will be submitted and voted upon at the Annual Meeting of the Council for the position of Deputy Mayor for the forthcoming municipal year.
- 1.20 If in any year the Councillor with the longest cumulative service, or chosen nominee, decides not to agree to their name being put forward as nominee to the Annual Meeting of the Council, this will not preclude that Councillor from being re-considered for nomination in future years.

OFFICERS

- 1.21 The Council has people working for it (called "Officers") to give advice, implement decisions and manage the day to day delivery of its services. Officers have a duty to ensure that the Council acts within the law and uses its resources wisely, with certain Officers having extra responsibilities

in this regard (for example the Monitoring Officer and the Chief Finance Officer – See [Part 2](#) of the Constitution for more details). A [Member and Officer Protocol](#) governs the relationship between Officers and Councillors.

- 1.22 The functions and responsibilities which the Council and the Cabinet have given to Officers are detailed in [Part 2](#) of the Constitution.
- 1.23 The Council produces an annual [Pay Policy Statement](#) which sets out the Council's approach to setting the pay of its employees (other than those working in local authority schools).
- 1.24 The Council has a number of senior officers who are often referred to as Chief Officers, who have been given specific functions and responsibilities in this Constitution in [Part 2](#). The Council's Chief Officers are appointed on different terms and conditions of employment from other Officers and are set out in [Part 2](#).
- 1.25 Some of these officers also have particular statutory responsibilities that are further described in [Part 2](#).

THE RIGHTS OF RESIDENTS

- 1.26 Everyone has an equal right to access Council services. Residents also have the following rights, to:
- vote at Council Elections (if they are registered);
 - submit [petitions](#) to the Council and expect them to be dealt with fairly;
 - attend meetings of the Council, Cabinet, committees, and sub-committees (including joint committees with other local authorities) except in each case where confidential or exempt information is likely to be disclosed, and the meeting is therefore held in private in accordance with the Council's [Access to Information Procedure Rules](#);
 - find out from the [Forward Plan](#) what key decisions are likely to be taken by the Cabinet and when;
 - see reports and background papers, and any records of decisions made by the Council and the Cabinet (subject to restrictions in connection with exempt or confidential information);

- at open meetings of the Council, Cabinet and Committees, to report on the proceedings by filming, photographing, audio-recording or by any other means, and to provide written commentaries during a meeting and oral commentaries outside of a meeting. The Council has a [Protocol](#) governing this;
- complain to:
 - (a) the Council itself under its complaints procedure;
 - (b) the Local Government and Social Care Ombudsman after having first used the Council's own complaints procedure and given the Council a chance to respond to the complaint. The Ombudsman will normally allow the Council 8 to 12 weeks for a response, but the Ombudsman may get involved earlier if there are extenuating circumstances; and
 - (c) the Monitoring Officer about an alleged breach of the Members' Code of Conduct.

JOINT ARRANGEMENTS

- 1.27 The Council is able to enter into various forms of joint arrangements with other Local Authorities and Bodies. This Constitution includes [Details of Joint Arrangements](#) which the Council has entered into, in [Part 2](#).

SCRUTINY

- 1.28 The Council appoints an Executive Scrutiny Committee and a number of Select Committees which support the work of the Executive and the Council as a whole. The Terms of Reference of these Committees and their composition are included in [Part 2](#) of this Constitution. The Executive Scrutiny Committee is also able to "[call-in](#)" decisions made by the Cabinet that may mean they cannot be acted upon until Scrutiny and possibly the Cabinet and Council have re-considered the matter.
- 1.29 The Council also appoints a Scrutiny Liaison Forum to provide a forum to foster and develop a close constructive working relationship between Cabinet Members, the Corporate Management Team and Scrutiny Chairs and thereby assist in the efficient and effective working of scrutiny and the scrutiny work programme in order to deliver the Council's key priorities and secure added valued.

DECISION MAKING (INCLUDING KEY DECISIONS)

- 1.30 The Local Government Act 2000 ("the 2000 Act") divides functions of the Council into two categories; executive and non-executive. Non-executive functions (or Council functions) are specified in Regulations issued under the 2000 Act and include functions such as those relating to planning, licensing and registration. Non-executive functions may be delegated to committees, sub-committees or officers under section 101 of the Local Government Act 1972 ("the 1972 Act"). Unless specified as a non-executive function, a function is presumed to be an executive function.

- 1.31 Executive Decisions may be taken by the Leader, the Cabinet as set out in paragraph 1.12 above or delegated to a committee of Cabinet, a portfolio holder or an officer, under the Local Government Act 2000.
- 1.32 The Council will issue and keep up to date a record of what part of the Council or individual has responsibility for particular types of decision or decisions relating to particular areas or functions. This record is set out in [Part 2](#) of this Constitution, along with local schemes of delegation maintained by the Council's Chief Officers.
- 1.33 There are further notes enabling Officers to take decisions in accordance with the provisions of the Council's approved [Concordat for Communication and Consultation with Members](#) (which requires consultation on certain issues with Ward Members and other partner organisations).
- 1.34 Where a decision is delegated under this constitution that does not prevent the person or body that has delegated the function from also exercising the function.
- 1.35 Decisions of the Council will usually be made in accordance with the following principles:
- proportionality (i.e. the action must be proportionate to the desired outcome);
 - due consultation and the taking of professional advice from Officers;
 - respect for human rights and equality of opportunity;
 - a presumption in favour of openness;
 - clarity of aims and desired outcomes; and
 - an explanation of what options have been considered and giving the reasons for decisions
- 1.36 A **Key decision** taken by the Leader, Cabinet, Committee of Cabinet or an Officer is any executive decision which is likely:
- (a) to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates with a full year effect of £500,000 or more; or
 - (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the Borough; or
 - (c) in some circumstances where it is likely to have a significant impact on communities in one ward, unless it is considered impracticable to do so.
- but does not include any decision:
- (d) taken as a consequence of implementing an earlier Key Decision; or
 - (e) concerning a bid for funding; or
 - (f) taken on expenditure within the budget approved by Council in respect of the commissioning of a package of health or social care for an individual that is required to meet a statutorily assessed need.

Key Decisions are taken in accordance with the [Access to Information Procedure Rules](#)

DUTY TO MONITOR AND REVIEW THE CONSTITUTION.

- 1.37 The Monitoring Officer, on behalf of and in consultation with the Managing Director, will monitor and review the operation of the Constitution on a regular basis, in order to ensure that it is up to date and may make changes to ensure that legislative references are updated, it reflects the Councils structures and decision-making requirements and any other minor changes that may be necessary.
- 1.38 The Leader may amend and update the Executive arrangements at any time and shall notify the Director of HR, Legal and Communications of any changes.

SUSPENSION OF THE CONSTITUTION

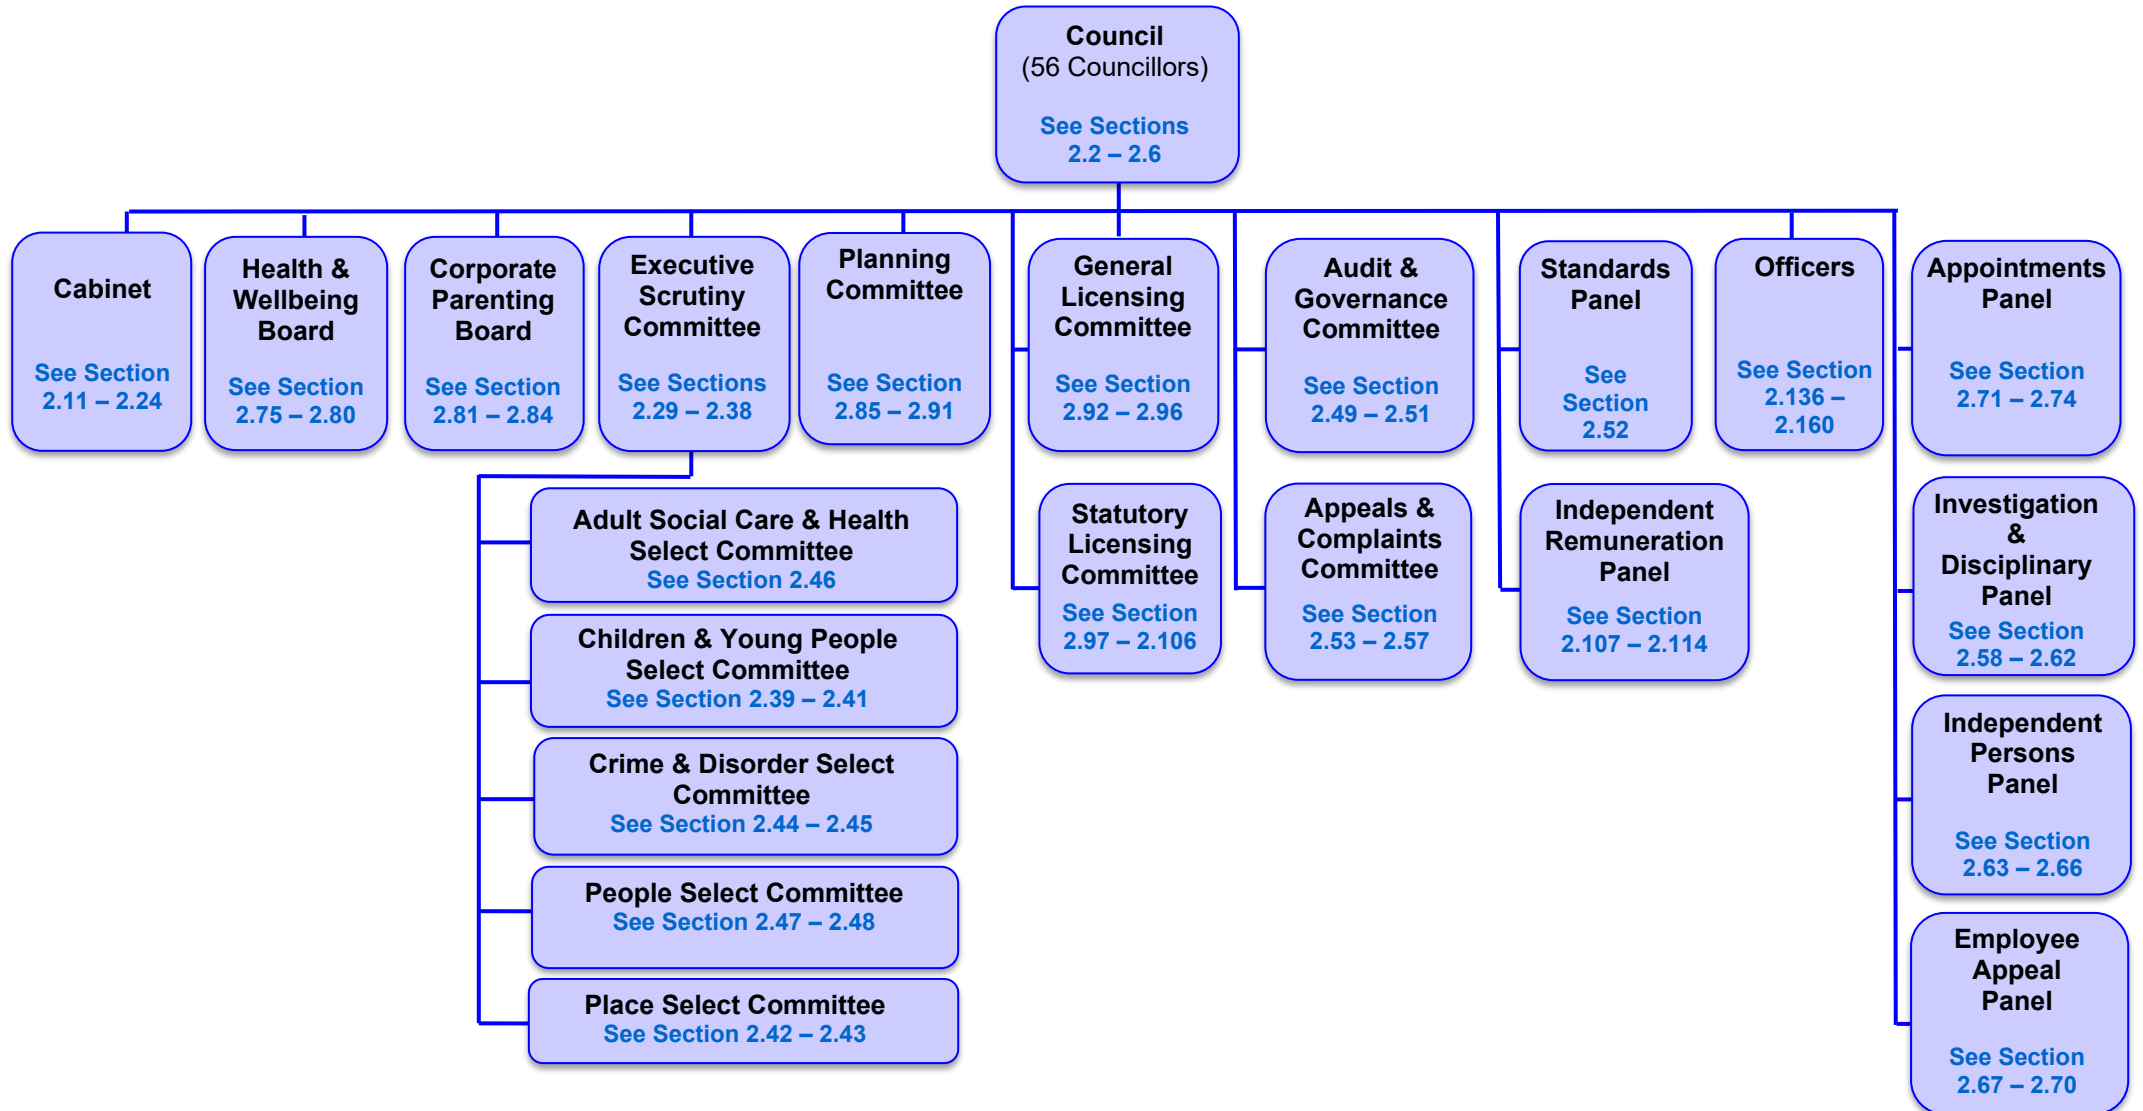

- 1.39 Any part of the Constitution may be waived or suspended by the full Council, or by the Cabinet, or another Officer in relation to Executive functions to the extent permitted within Procedure Rules and the law.

FUNCTIONS OF THE INDEPENDENT REMUNERATION PANEL

- 2.107 The Independent Remuneration Panel will consider and keep under review certain key aspects of the Members’ Allowance Scheme and, as and when appropriate, submit reports (containing recommendations) to the Cabinet and Council, regarding:
- 2.108 the responsibilities or duties in respect of which the following should be available:
 - (a) special responsibility allowance;
 - (b) travelling and subsistence allowance;
 - (c) co-optees’ allowance; and
- 2.109 the amount of such allowances and as to the amount of basic allowance;
- 2.110 whether dependants’ carers’ allowance should be payable to members of the authority, and as to the amount of such an allowance;
- 2.111 whether, in the event that the scheme is amended at any time so as to affect an allowance payable for the year in which the amendment is made, payment of allowances may be backdated and
- 2.112 whether adjustments to the level of allowance may be determined according to an index and if so which index and how long that index should apply, subject to a maximum of four years, before its application is reviewed.

- 2.113 This Panel will be made up of 4 Independent Members appointed by the Council from time to time.
- 2.114 The quorum for this Panel is 3.

FUNCTIONS CARRIED OUT THROUGH JOINT ARRANGEMENTS

- 2.115 The Council and the Cabinet are able to enter into various forms of joint arrangements with other local authorities and bodies.
- 2.116 The Council may establish joint arrangements with one or more local authorities and/or their Cabinets to exercise functions jointly, or advise the Council. Such arrangements may involve the delegation of functions to another authority, an officer of the authority or the establishment of a joint committee with those other local authorities.
- 2.117 Where three or more Councillors are appointed to a non-executive function joint committee, those members must be appointed in political balance. Subject to below, the Cabinet may only appoint Cabinet Members to such a joint committee and those members need not reflect the political composition of the local authority as a whole.
- 2.118 Where a joint committee involves mixed functions then there is no need for political balance but both Cabinet and Council must approve the arrangements.
- 2.119 The Cabinet may appoint members to a joint committee from outside the Cabinet in the following circumstances:
- (a) the joint committee has functions for only part of the area of the authority, and that area is two-fifths (or smaller) of the authority by area or population. In such cases, the Cabinet may appoint to the joint committee any Councillor who is a member for a ward which is wholly or partly contained within the area; and
 - (b) the joint committee is discharging a function in relation to five or more local authorities; or the function which the joint committee is discharging is a function which is required by statute to be discharged by a joint committee.
- In this case the political balance requirements do not apply to such appointments.
- 2.120 Where a joint committee is formed with health bodies pursuant to section 75 of the National Health Service Act 2006 and Regulation 10 of the NHS Bodies and Local Authorities Partnership Arrangement Regulations 2000, then a non-executive member may be appointed in addition to Cabinet members.
- 2.121 Where arrangements provide for the discharge of functions by a joint committee and one or more, but not all, of the functions to be discharged by the joint committee are the responsibility of the Cabinet (executive), then
- (a) where only one member of the authority is a member of the joint committee, that person may be, but need not be, a member of the Cabinet; and
 - (b) where more than one member of the authority is a member of the joint committee, at least one member of the Cabinet must be a member of the joint committee.
- 2.122 Details of any joint arrangements including any delegations to joint committees shall be maintained by the Proper Officer.

Tees Valley Combined Authority

- 2.123 Since 1 April 2016 the Council has been part of the Tees Valley Combined Authority. You can access the [Combined Authority's website here](#). The Combined Authority was created by an Order as a separate statutory corporation that covers the area of 5 local authorities ("Constituent Councils"):
- Stockton-on-Tees Borough Council;
 - Middlesbrough Council;
 - Hartlepool Borough Council;
 - Darlington Borough Council; and
 - Redcar and Cleveland Borough Council.
- 2.124 The Combined Authority operates under a directly elected Mayor and is responsible for a number of transport, economic development and regeneration functions, which it exercises concurrently with the Constituent Councils.
- 2.125 The Combined Authority operates an executive model, with a Cabinet comprising:
- An elected Mayor;
 - Representatives of each of the Constituent Councils; and
 - The Chair of the Tees Valley Local Enterprise Partnership.
- 2.126 The Combined Authority is a member of Transport for the North. The Council participates in Transport for the North through its membership of the Combined Authority.
- 2.127 The Leader of the Council will be the Council's appointed "member" of the Combined Authority. The Deputy Leader shall be the substitute member of the Combined Authority, in the absence of the Leader.
- 2.128 Each Constituent Council appoints three Councillors to the Combined Authority's Overview and Scrutiny Committee, and the membership of this committee must, so far as reasonably practicable, reflect the balance of political parties prevailing among the Constituent Councils.
- 2.129 The Council also appoints one Councillor to the Audit and Governance Committee of the Combined Authority.

Cleveland Police and Crime Panel

- 2.130 The Police Reform and Social Responsibility Act 2011 requires each police area outside of London to have a police and crime panel. The purpose of the panel is to hold the Police and Crime Commissioner to account. Where, as in the case of Cleveland Police, a police force covers a number of local authorities, the police and crime panel for that area takes the form of a joint committee between a number of local authorities. Stockton Council is the lead authority of the Cleveland Police and Crime Panel, which includes the following local authorities:

- Stockton;
 - Middlesbrough;
 - Hartlepool; and
 - Redcar and Cleveland.
- 2.131 More details about the role of the Cleveland Police and Crime Commissioner can be found on the [official site of the Police & Crime Commissioner for Cleveland](#).
- 2.132 The [Access to Information Procedure Rules in Part 3](#) of this Constitution shall apply, with such modifications as may be required in the circumstances.
- 2.133 If all the members of a joint committee are members of the Cabinet in each of the participating authorities then its access to information regime is the same as that applied to the Executive.
- 2.134 If the joint committee contains Councillors who are not on the Cabinet of any participating authority then the Access to Information rules in Part V A of the Local Government Act 1972 will apply.

FUNCTIONS OF OFFICERS (INCLUDING STATUTORY PROPER OFFICER FUNCTIONS)

- 2.135 This part of the Constitution sets out the ways in which the officers of the Council are authorised to make decisions and which decisions they have the power to make. It is called the "Scheme of Delegation"
- 2.136 The Council operates a "Cascade" principle of delegation to ensure that decisions are taken at the most appropriate level closest to those who will be affected. This means that the vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its officers.
- 2.137 In order to ensure the smooth functioning of the Council and the efficient delivery of services, Full Council, the Leader and the Cabinet have delegated to officers all of the powers that they need to perform their roles.
- 2.138 In addition certain officers have specific legal duties to ensure that the Council acts within the law, uses its resources wisely and exercises its powers properly. These officers are known as "Statutory" or "Proper" Officers, and some have specific legal titles in addition to their job titles. Sections 2.156 – 2.158 of this Part of the Constitution explain these roles.
- 2.139 "Officers" is the term used to refer to the people employed, retained or appointed by the Council to advise and support Councillors and implement their decisions. The term "officers" in this Constitution includes employees and a limited number of people who operate in this capacity including authorised officers, contractors, consultants, agency staff and volunteers.
- 2.140 The way the Council structures its services and its officer arrangements changes from time to time to reflect changes in service delivery and best practice. The current arrangements include a Managing Director supported by 8 other Directors. Click to see the [current organisational structure](#).

General Principles Relating to Officer Delegation

- 2.141 This scheme gives the power for the Directors to take decisions in relation to all the functions in their areas of responsibility.
- 2.142 The powers of this Scheme are delegated to the officers referred to by title within this Scheme of Delegation. The delegations apply to whoever holds that post title at any time – not to the individual person. The powers are automatically transferred to any successor officer, to whom the functions are allocated following any reorganisation of the Council's management arrangements, irrespective of a change in the title/name of the officer post.
- 2.143 Delegations relate to all provisions for the time being in force under any applicable legislation and cover executive, non-executive and local choice functions of the Council and all powers and duties incidental to that legislation.
- 2.144 Any delegation must be exercised:
- (a) in compliance with all the Council's Procedure Rules, Contract Procedure Rules the Pay Policy Statement approved annually and the Officer Code of Conduct;
 - (b) in accordance with the decision-making requirements set out in the Constitution including requirements for decision-records and access to information;
 - (c) having taken appropriate advice from other officers;
 - (d) following any appropriate legislative, regulatory, consultation, equalities or procedural requirements that may be required;
 - (e) having identified and managed appropriate strategic and operational risks within the officer's area of responsibility;
 - (f) with the approved Budget and Policy Framework approved by the Council (or separate approval must be sought) and Financial Procedure Rules; and
 - (g) in compliance with the Council's Information Security policies and relevant legislation including the GDPR.
- 2.145 An officer, in exercising delegated powers may consult the relevant portfolio holder or chairman of committee if he/she considers it appropriate to do so and shall consult other appropriate officers for professional advice including legal, financial and technical officers and shall have regard to any views and advice received.
- 2.146 Whenever legislation is amended or replaced by new provisions, then the relevant delegated authority in this scheme applies to those new provisions. Whenever new legislation related to the functions exercised by the Director is introduced, that Officer will have the delegated authority to exercise powers or otherwise take action under that legislation until such time as the Council, Cabinet, a Committee or the Managing Director decides to whom to allocate responsibility for the new legislation.
- 2.147 The cascade principle under which this scheme operates means that any officer given powers under this scheme may further delegate those powers to other officers either:
- (a) through a Local Scheme of Delegation (which sets out all the standing delegations given to specific officers in defined areas of the Council's service areas). This is a [full list of the Local Schemes of Delegation](#) and you can look at any of the schemes in detail, or

- (b) through a Specific Delegation in relation to an individual decision which must be evidenced in writing using the agreed standard form, dated and signed by the officer delegating the power with a copy supplied to the Monitoring Officer – here is a [register of these Specific Delegations](#). A Specific Delegation does not need to be given where an officer is given delegated powers to action a particular decision by Council, Cabinet or a Committee or Sub-Committee.

- 2.148 All Local Schemes of Delegation (and any changes to them) must be agreed by the Managing Director and the Monitoring Officer.
- 2.149 Where a function has been delegated to an officer (including where sub-delegated through the Cascade principle), the person or body making the delegation may at any time take back responsibility for the function and may also exercise the function concurrently (make the decision as well) despite the delegation.
- 2.150 In some circumstances the officer to whom a power has been delegated may consider a matter to be of such importance or sensitivity that their delegated authority should not be exercised. In these circumstances he or she may refer the matter back to the delegator for determination.
- 2.151 Any power delegated or cascaded under this Scheme can be exercised by the relevant Director or Statutory Officer and in all cases by the Managing Director personally (unless restricted by legislation or this Constitution).
- 2.152 Directors must appoint (evidenced in writing) another officer or officers as their deputy and such deputy officers shall have all the powers of a Director as set out in this Constitution. A deputy may be appointed in relation to all the areas of service delegated to the Director under this Constitution or in relation to a particular area of service only. A deputy may be appointed for a specific period of time (for example to cover the absence of a Director) or without time limitation. The appointment of a deputy shall not prevent the exercise by the Director of any delegation set out in this Constitution.
- 2.153 If there is any dispute or lack of clarity as to which Director has power to make decisions on specific areas of service, the Managing Director shall have power to determine by whom the function should be exercised.

Restrictions on Delegations to all Officers

- 2.154 Nothing in this Scheme of Delegation shall authorise officers to exercise any function, power or responsibility which has been specifically reserved to the Cabinet in the Executive Functions of this Constitution.
- 2.155 No officer is authorised by this scheme of Delegation to take any decision in respect of any matter (or related matters) which will result in the Council incurring expenditure which exceeds the limits set out below

Officer	Limit in respect of revenue expenditure	Limit in respect of capital expenditure
Head of Paid Service and Chief Officers in consultation with a relevant portfolio holder.	“£500,000 EXCEPT the purchasing of a package of health and social care for an individual to meet a statutorily assessed need provided the	No limit where Council has approved the scheme in the budget and the Cabinet has agreed to progress the scheme.

	expenditure is within the commissioning budget approved by the Council”

Arrangements for Statutory and Proper Officer functions

2.156 Many legislative provisions require the appointment of a "Proper Officer" to undertake formal responsibilities on behalf of the Council. The Managing Director/Head of Paid Service shall be the Proper Officer of the Council for the purposes of the Local Government Act 1972, the Local Government Act 2000 and for all other statutory purposes unless:

- (a) such designation is given by the Council to any other officer; or
- (b) the Managing Director/Head of Paid Service, exercising the powers given to him/her by this Constitution, appoints another officer of the Council to be the Proper Officer for a specific service area or function.

2.157 The Monitoring Officer shall maintain the [Statutory & Proper Officer Register](#) which shall record all Proper Officer appointments, as set out below.

- 3.22 Where a Councillor has a prejudicial and personal interest under paragraph 4.40 of the Members' Code of Conduct, the Councillor must leave the meeting room during the whole of the consideration of that item, unless there is a right of public address at that meeting, in which case they may remain in the meeting room and make representations, provide information, give evidence or answer questions in the exercise of functions in the same way as a member of the public would be able to do **QUESTIONS BY THE PUBLIC**
- 3.23 Members of the public may ask questions of members of the Cabinet at Ordinary (but not at Special or Extraordinary) meetings of the Council, subject to the following Rules, and the discretion of the Mayor as to the total number of questions which may be asked and the length of time which is to be allowed for questions at each meeting.

- 3.25 A question must be in the form of a question, and not a statement, and it may only be asked if notice has been given by delivering it in writing or by electronic mail to the Proper Officer at least seven clear working days before the day of the meeting, unless the Mayor exercises his/her discretion and agrees, with the consent of the Councillor or Councillors to whom the question or questions are to be put, that a question or questions may be asked without the required period of notice or any notice at all having been given. - 3.29 The Mayor will invite the questioner to put the question to the Councillor named in the notice. This will not preclude another Councillor from responding to the question when it is considered appropriate to do so. If a questioner who has submitted a written question, or another member of the public, who is the questioner's representative, is unable to be present at the relevant meeting to ask the question in person, the question will not be dealt with. A written answer will instead be provided.
- 3.30 A questioner who has put a question in person, or a representative of a questioner asking a question on the questioner's behalf, may also put one supplementary question, without notice, to the Councillor who has replied to his or her original question. The Mayor may reject a supplementary question on any of the grounds in paragraph 3.27.

Questions from Councillors under paragraph 3.33 – 3.38 which cannot be dealt with either because of lack of time or because of the non-attendance of the Councillor to whom they were to be put, will be referred to the next ordinary Council meeting.

If agreement is granted, a notice will be published on the Council's website and made available at Stockton Borough Council's Customer Service Centre, Church Road, Stockton-on-Tees, TS18 1TU setting out why the meeting is urgent and cannot reasonably be deferred.

3.127 Confidential Information – Requirement to exclude public

- (a) The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed to them in breach of the obligation of confidence.

- (a) The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed to them.

Such reports will be marked "Not for publication" together with the category of information likely to be disclosed. Any decision as to whether or not exempt information or an exempt report should remain exempt and non-disclosable, will also ultimately rest with the Monitoring Officer.

PROCEDURE BEFORE TAKING KEY DECISIONS

- 3.132 Subject to the General Exception and Special Urgency exceptions (see below), Key Decision may not be taken unless a document (called a Forward Plan) including the Item of Business, has been made available for public inspection of the Council's offices and published on the Council's website in connection with the matter in question at least 28 clear days' before the date when the decision is to be taken;
- 3.133 the Forward Plan must include, the following:
- (a) that a key decision is to be taken on the Council's behalf;
 - (b) details of the subject matter of the decision;
 - (c) where the decision-maker is an individual, the individual's name and title, and where it is a body, the name of the body;
 - (d) the date on which, or period during which, the decision is to be taken;
 - (e) a list of documents submitted to the decision-maker for consideration in relation to the matter;
 - (f) the address from which copies of, or extracts from any listed documents are available, subject to any prohibition or restriction on disclosures;
 - (g) that other documents relevant to the matter may be submitted to the decision maker; and
 - (h) the procedure for requesting details of those documents (if any) as they become available.
- 3.134 where the decision is to be taken at a meeting of the Cabinet or its committees, notice of the meeting has been given in accordance with paragraph 3.117 (Notice of Meetings);
- 3.135 in the case of Cabinet meetings or meetings of joint Committees exercising executive functions, access to agendas, reports and background papers has been provided in accordance with the preceding rules.

THE FORWARD PLAN

- 3.136 Forward plans will be prepared on a monthly basis and will be published as and when required in order to ensure, so far as reasonably practicable, compliance with the

requirements of the preceding paragraph 3.132 insofar as the taking of the executive Key Decisions are concerned.

- 3.137 The Forward Plan will contain matters which will be the subject of a Key Decision to be taken by the Cabinet, a committee of the Cabinet, Officers or under joint arrangements in the course of the discharge of a Cabinet function. It will describe the particulars specified in paragraph 3.133 above, together with any other information which is considered appropriate to include.
- 3.138 All Councillors and the public will be notified of each Forward Plan and copies will be made available, in particular, to the Chair and members of the Executive Scrutiny Committee.
- 3.139 Exempt information need not be included in the Forward Plan and confidential information cannot be included.

GENERAL EXCEPTION

- 3.140 If a matter which is likely to be a Key Decision has not been included in the Forward Plan, then subject to paragraph 3.141, (Special Urgency), the decision may still be taken, if:
- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next Forward Plan;
 - (b) the Leader and/or Deputy Leader have been consulted where the decision is to be taken by the Managing Director and/or a Chief Officer;
 - (c) the Proper Officer has informed the chair of the Executive Scrutiny Committee by notice in writing, or if there is no such person, each member of the Executive Scrutiny Committee, of the matter in respect of which the decision is to be made;
 - (d) the Proper Officer has made copies of that notice available to the public at the offices of the Council and has published it on the Council's website; and
 - (e) at least 5 clear working days have elapsed since the Proper Officer complied with sub-paragraphs (c) and (d) above.

Where such a decision is taken collectively, it must be taken in public except insofar as exempt or confidential information is involved.

SPECIAL URGENCY

- 3.141 If by virtue of the date by which a decision must be taken paragraph 3.140 (General Exception) cannot be followed, the decision can only be taken if the Leader and/or Deputy Leader have been consulted where the decision is to be taken by the Managing Director and/or Chief Officers and if the decision taker (if an individual) or the chair of the body making the decision, obtains the agreement of the Chair of the Executive Scrutiny Committee that the taking of the decision is urgent and cannot reasonably be deferred, because such deferral would seriously prejudice the Council's or the public's interests. If there is no Chair of the Executive Scrutiny Committee, or if the Chair of that Committee is unable to act, then the agreement of the Mayor, or in his/her absence the Deputy Mayor, will suffice.
- 3.142 As soon as reasonably practicable after such agreement has been obtained, a notice setting out the reasons that the meeting (or part) is urgent and cannot reasonably be deferred must be made available at the Council's offices and published on the Council's website.

- 3.143 The Cabinet, Officers or decision-makers/decision making bodies under joint arrangements discharging executive functions, may take a decision which is contrary to the Council's policy framework or contrary to the budget/MTFP approved by full Council if the decision is a matter of urgency. A decision will be urgent if any delay would seriously prejudice the Council's or the public's interests. However, the decision may only be taken:
- (a) if the Leader and/or Deputy Leader have been consulted where the decision is to be taken by the Managing Director and/or Chief Officers; and
 - (b) if it is not reasonably practical to convene a quorate meeting of the full Council in order to enable the matter to be considered urgently at such a meeting; and
 - (c) if the Chair of the Executive Scrutiny Committee agrees that the decision is a matter of urgency.

In the absence of the Chair of the Executive Scrutiny Committee, or if that person is unable to act, the consent of the Mayor, or in the absence of the Mayor, the consent of the Deputy Mayor will be sufficient. In the absence of both the Mayor and the Deputy Mayor, the Head of Paid Service's, or his/her nominees consent will be required

The reasons why it is not reasonably practical to convene a quorate meeting of full Council and the Chair of the Executive Scrutiny Committee's consent to the decision being taken as a matter of urgency, or such other consent as may have been obtained in this respect, must be noted in the minutes of the meeting or on the record of the decision and notice by which it is made public.

- 3.144 Where such a decision is taken collectively, it must be taken in public, save insofar as exempt or confidential information is involved. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision maker or body, the decision is an urgent one and, therefore, not subject to call-in. Decisions referred to in 3.141 above must also be reported to the Council by the Leader of the Council as required by paragraph 3.147 (Reports on Special Urgency Decisions) and in the case of a decision referred to in 3.141 to the next available meeting of the Council, explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.
- 3.145 In each case referred to in 3.140 and 3.141 above the agreement or consent to be obtained, is agreement or consent to the **taking** of the decision urgently, and is not in any way to be construed as a requirement to obtain agreement or consent **to the merits of the decision itself**. If the relevant person does not, however, agree that the decision may reasonably be regarded as urgent in the circumstances, then the decision cannot be taken without five prior clear working days notice having elapsed or the matter being referred to the full Council for determination in the case of decisions contrary to the policy framework or the budget/MTFP.
- 3.146 The provisions relating to the call-in of decisions will not apply to urgent decisions taken in accordance with this Rule.

REPORTS TO COUNCIL

- 3.147 If the Executive Scrutiny Committee, after considering the advice of the Monitoring Officer, thinks that a Key Decision has been taken which was not:
- (a) included in the Forward Plan;

- (b) the subject of the general exception procedure; or
- (c) the subject of an agreement with the Executive Scrutiny Committee chair, the Mayor/Deputy Mayor of the Council under paragraph 3.141;

the Committee may require the Cabinet to submit a report to the Council within such reasonable time as the Committee specifies. The power to require a report rests with the Committee, but is also delegated to the Proper Officer, who shall require such a report on behalf of the Committee when so requested by any 6 Councillors or any two education representatives (with voting rights) in the case of education matters. Alternatively, the requirement may be raised by resolution passed at a meeting of the Executive Scrutiny Committee.

- 3.148 Any such report must include details of the decision; the reasons for it; the decision maker; and if the Leader or the Cabinet is of the opinion that the decision was not a Key Decision, the reasons for that opinion.
- 3.149 The Cabinet will prepare a report described in paragraph 3.148 for submission, so far as reasonably practicable to the next available meeting of the Council. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the committee, then the report may be submitted to the following meeting. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a Key Decision the reasons for that opinion.
- 3.150 The Leader will submit at least one report annually to the Council on any executive decisions taken in the circumstances set out in paragraph 3.141, (Special Urgency). The report will include the number of decisions so taken, particulars of each decision, and a summary of the matters in respect of which those decisions were taken.

RECORD OF DECISIONS

- 3.151 As soon as reasonably practicable after an executive decision has been made, whether the decision was made in public or private, the Proper Officer or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable.
- 3.152 The record will include:
 - (a) a statement of the reasons for each decision;
 - (b) any alternative options considered and rejected at that meeting;
 - (c) any relevant interests which any of the Councillors involved declared; and
 - (d) together with any dispensations they may have been granted.

EXECUTIVE SCRUTINY AND SELECT COMMITTEES ACCESS TO DOCUMENTS

- 3.153 Subject to paragraph 3.154 below, the Executive Scrutiny and Select Committees will be entitled to a copy of any document which is in the possession or control of the Cabinet or its committees and which contains material relating to any business transacted at a public or private meeting of the Cabinet or its committees.
- 3.154 The Executive Scrutiny and Select Committees will not be entitled to:

- (a) any document that is in draft form;
- (b) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise; or if the information is information falling within paragraph 3 of schedule 12A of the Local Government Act 1972 (except to the extent that the information relates to any terms proposed or to be proposed by or to the Council in the course of negotiations for a contract) or if the information is information falling within paragraph 6 of Schedule 12A of the 1972 Act; or
- (c) the advice of a political advisor.

ADDITIONAL RIGHTS OF ACCESS FOR COUNCILLORS

3.155 All Councillors will be entitled to inspect any document which is in the possession or under the control of the Cabinet or its committees and contains material relating to any business previously transacted at a private meeting unless either (a) or (b) below applies.

- (a) it contains exempt information falling within paragraphs 1, 2, 3 (where the information relates to any terms proposed or to be proposed by or to the authority in the course of negotiations for a contract), 4, 5, and 7 of the categories of exempt information; or
- (b) it contains the advice of a political advisor.

3.156 These rights of a Councillor are additional to any other right he/she may have.

3.157 The Councillor's common law right to know:

- (a) The common law right of Councillors is much broader than those described in paragraph 3.155 and is based on the principle that any Councillor has a prima facie right to inspect Council documents so far as his/her access to the documents is reasonably necessary to enable the Councillor properly to perform his/her duties. This principle is commonly referred to as the "need to know" principle.
- (b) In some circumstances (e.g. a Committee member wishing to inspect non-personal or non-confidential documents relating to the functions of that Committee) a Councillor's "need to know" will normally be presumed. In other circumstances (e.g. a Councillor wishing to inspect Council documents which contain personal or confidential information about third parties, such as Council Tenants) there will be a presumption against disclosure and a Councillor will be expected to justify the request in specific terms in order to make their "need to know" clear. In certain cases, additional guidance regarding the circumstances when inspection may or may not be allowed may also have been approved by the Council e.g. the primary and secondary schools Admissions Protocol which prohibits/restricts the disclosure of information relating to parental preferences; the number of pupils or their position on the Holding Register; the number of successful or unsuccessful applicants and the reasons why a place at a school has or has not been allocated to a pupil.
- (c) Whilst the exercise of this common law right principally depends therefore upon the Councillor's ability to demonstrate that he/she has the necessary "need to know" and that there are no legitimate reasons for non-disclosure, a Councillor has no right to "a roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". The "need" is so that Members can perform their roles as Councillors. It can be limited by conflict of interest, confidentiality and practicality. The question as to whether a "need to know" has been reasonably and satisfactorily established must initially be

determined by the particular Director of Service whose Service holds the document in question (with advice from the Monitoring Officer). In the event of dispute, the question falls to be determined by the relevant Council body e.g. a Committee in connection with whose functions the document is held.

- (d) As a general requirement, where a request to inspect or copy Council documents is likely to involve the significant use of resources, approval to the use of those resources should be requested by following the need to know determination procedure specified in the preceding paragraph.

Further and more detailed advice relevant to particular circumstances regarding Members' right to inspect Council documents may be obtained from the Monitoring Officer.

KEY DECISIONS BY OFFICERS

- 3.158 The requirements specified in paragraphs 3.132 – 3.133 must be complied with, subject to the application of paragraph 3.140 or 3.141. Subject to any restrictions in relation to exempt or confidential information, any reports or other documents upon which a Key Decision proposed by an Officer is based will be open to public inspection and the provisions of paragraphs 3.119, 3.120, 3.122 – 3.123 will be applied accordingly.
- 3.159 Subject to any restrictions relating to exempt or confidential information, after an Officer has made a Key Decision, the Proper Officer will ensure that a copy of the written statement referred to in paragraph 3.152 and a copy of any report or other document considered by the Officer and relevant to the recorded decision, or where only part of that report or other document is relevant to such a decision, that part, is available for inspection by members of the public, as soon as reasonably practicable, at the Council's offices and is published on the Council's website.

KEY DECISIONS UNDER JOINT ARRANGEMENTS

- 3.160 Where a joint committee has been established to discharge functions which are the responsibility of the executive and all members of that Committee are members of the executive, then the joint Committee will meet in public in the same circumstances as a meeting of the Cabinet or its Committees, subject to the restrictions relating to exempt or confidential information, and the Application of Access to Information Procedure Rules will apply equally to the joint committee, its proceedings and its Key Decisions. In particular, written details of the key executive decisions made by the Joint Committee will be provided to the Proper Officer of the Council in accordance with paragraph 3.121 and those Key Decisions will not take effect or be implemented until the expiry of the four days call-in period referred to in paragraph 3.181 of the Executive Scrutiny and Select Committee Procedure Rules, such period to commence on the first working day following the date of receipt by the Proper Officer of the written details of the decisions concerned.
- 3.161 Where a joint committee includes Councillors from any of the local authorities involved who are not members of an executive, the provisions of Part VA the Local Government Act 1972 will apply, particularly the provisions regarding admission to meetings; access to agendas and connected papers; inspection of minutes and other documents after meetings; inspection of background papers and exempt information.

PUBLIC ACCESS AND INSPECTION

- 3.162 Any document required by the preceding rules to be available for inspection by members of the public shall be available for inspection:

- (a) at all reasonable hours at the Stockton Borough Council's Customer Service Centre, Church Road, Stockton-on-Tees, TS18 1TU and on the Council's website; and
 - (b) in the case of a list of background papers and the papers themselves, upon payment by the person wishing to inspect the documents of any reasonable fee required by the Council.
- 3.163 Where a document is to be made available for inspection by the public, any person may:
- (a) make a copy of the whole or part of the document; or
 - (b) require the person with custody of the document to supply him with a copy of the whole or part of the document,
- upon payment by the person requiring a copy of the postage, copying or any other necessary fee required by the Council for transmission.
- 3.164 Any person may, in any publicly available medium, reproduce, or provide commentary in relation to any document supplied to that person or made available for inspection under these Rules.
- 3.165 Paragraphs 3.163 does not require or authorise the doing of anything which infringes the copyright in any work, except where copyright in the document is owned by the Council, when nothing done pursuant to the preceding paragraph will constitute an infringement of copyright.
- 3.166 Where any document is required by these Rules, or the law, to be open to public inspection and:
- (a) is supplied to, or available for inspection by members of the public; or
 - (b) is supplied for the benefit of any newspaper,
- the publication thereby of any defamatory matter contained in the document will be privileged, unless the publication is proved to be made with malice.
- 3.167 Any written record of an executive decision, or any report considered at an executive meeting or by individuals exercising executive functions, which is required to be made available for public inspection, will be retained by the Council and made available for inspection by the public for a period of at least six years, beginning on the date on which the decision to which the record or report relates, was made.
- 3.168 Any background papers required to be available for public inspection in accordance with these rules will be retained by the Council and be available for inspection by the public for a period of at least four years beginning on the date on which the decision to which the background papers relate, was made.

FREEDOM OF INFORMATION

- 3.169 The Freedom of Information Act 2000 and Environmental Information Regulations 2004 have brought additional rights, responsibilities and safeguards regarding access to information. A "Publication Scheme" has been produced by the Council and this can be accessed on the Council's website at www.stockton.gov.uk

EXECUTIVE SCRUTINY AND SELECT COMMITTEE PROCEDURE RULES

3.170 **What will be the number and arrangements for Executive Scrutiny and Select Committees?**

- (a) The Council will have the Executive Scrutiny and Select Committees set out in [Part 2](#) of this Constitution and will appoint to them as it considers appropriate from time to time. The Council may also appoint such other Scrutiny and Select Committees as it considers necessary and appropriate from time to time.

3.171 **Who may sit on Executive Scrutiny and Select Committees?**

- (a) All Councillors except members of the Cabinet may be members of the Executive Scrutiny and Select Committees. However, a Councillor may not be involved in the scrutiny of a decision in which he/she has been directly involved, other than for the purpose of answering questions or giving evidence relating to the business. The Executive Scrutiny and Select Committees shall be entitled to recommend to Council the appointment of a number of people as non-voting co-optees either as set out in Table 1 at the end of this procedure rule or otherwise.
- (b) The quorum for the Executive Scrutiny Committee and Select Committees will be one third of their respective voting membership

3.172 **Education representatives**

- (a) The Executive Scrutiny Committee, the Children and Young People Select Committee, and the People Select Committee, (when any of these bodies are dealing with education matters) shall include in their Councillorship the following voting representatives:
- 1 Church of England diocese representative;
 - 1 Roman Catholic diocese representative; and
 - 2 Parent Governor representatives (one or other of whom may be appointed to one or more such Executive Scrutiny and Select Committees).
- (b) A relevant committee in this paragraph is a scrutiny (or select) committee or committee of the Council, where the Committee's functions relate wholly or in part to any education functions which are the responsibility of the authority's Cabinet. In this respect the education representatives will have the right to vote on any decisions which relate to schools maintained by the Council; and pupils who attend schools maintained by the Council, or who are educated by the Council in some other way. Education representatives will also be allowed to vote on matters which affect how funds which have already been earmarked for education are to be spent, such as votes on how much of the education budget is devoted to schools (compared to other forms of education provision such as adult education or the youth service); what proportion of the schools budget is retained centrally by the local education authority to provide services for schools and pupils, and what proportion is delegated to individual school budgets; what proportion of the schools budget retained centrally is devoted to each of the four main funding areas (school improvement, pupil access, special educational provision and strategic management) and how much is contributed to Government grants for other specific activities; the formula by which individual school budgets are calculated; and any other more specific financial matter. All of these matters constitute "education matters" for the purposes of the call-in procedure specified in paragraph 3.181.
- (c) Education representatives should not vote on any decision which determines the local education authority's total education revenue or capital budget; any matter which would require the Council to raise the Council Tax; any matter in which the representative has a Disclosable Pecuniary Interest or any other matter in which the

representative has some direct interest, including a direct impact on the school at which the representative is or was a parent governor or where the representative's children are taught (for example, whether that school or another school should be given priority for the replacement of temporary classrooms). If a committee deals with other matters, the education representatives shall not vote on those other matters, though they may attend the meeting and speak.

- (d) Other non-Councillor representatives have also been appointed to the Council's Select Committees dealing with education matters, but with no rights to vote whatsoever. The Council's other Committees may also co-opt non-Councillor representatives without voting rights.

3.173 **Meetings of the Executive Scrutiny Committee and Select Committees**

- (a) There shall be at least 4 ordinary meetings of each Select Committee in each year. In addition, extraordinary meetings may be called from time to time as and when appropriate. A Select Committee meeting may be called by the Chair of the relevant Select Committee, by any six members of the committee or by the [Monitoring Officer] as the Proper Officer if he/she considers it necessary or appropriate. Meetings of the Executive Scrutiny Committee and Select Committees may be held at the Council's Town Hall; Municipal Buildings or at other suitable locations to be agreed by the Chairs of those Committees.

3.174 **Agenda Items**

- (a) The Select Committees shall also respond, as soon as their work programme permits, to requests from the Council and from the Cabinet, via the Executive Scrutiny Committee, (for instance, as regards matters in its Forward Plans) to review particular areas of Council activity. Where they do so, the Select Committees shall report their findings and any recommendations back to the Executive Scrutiny Committee, Cabinet and/or Council.

3.175 **Reports from Select Committees**

- (a) Once it has formed recommendations on proposals for development, a Select Committee will prepare a formal report and submit it to the Proper Officer, for referral to the Executive Scrutiny Committee and for consideration by the Cabinet (if the proposals are consistent with the existing budget and policy framework), or via the Cabinet to the Council for its consideration as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget or policy framework).
- (b) The Council shall consider the report of the Select Committee at its next appropriate meeting.
- (c) The Cabinet shall consider a Select Committee's report in accordance with the provisions of the following paragraph 3.176.

3.176 **Making sure that Select Committee reports are considered by the Cabinet**

- (a) The reports/recommendations of Select Committees referred to the Cabinet will be included at an appropriate point in the agenda of the next available Cabinet meeting following the Select Committee completing its report/recommendations or making a request that an item be considered by the Cabinet and the referral of the report/recommendations or request to the Executive Scrutiny Committee. The Chair of the Cabinet will determine which is the most appropriate meeting for this purpose.
- (b) The Executive Scrutiny Committee and Select Committees will in any event have access to the Cabinet's Forward Plans and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from a Select Committee following a consideration of possible policy/service developments, the Committee will at least be able to respond in the course of the Cabinet's consultation process in relation to any key decision.

3.177 **Rights of Scrutiny and Select Committee Councillors to documents**

- (a) In addition to their rights as Councillors, members of the Executive Scrutiny and Select Committees have the additional right to documents, and to notice of meetings as set out in the [Access to Information Procedure Rules in Part 3](#) of this Constitution.
- (b) Nothing in this paragraph prevents more detailed liaison between the Cabinet, the Executive Scrutiny Committee and Select Committees as appropriate depending on the particular matter under consideration.

3.178 **Councillors and Officers giving account**

- (a) The Executive Scrutiny Committee, by means of the exercise of the call-in procedure, and Select Committees, through their individual work programmes, may scrutinise and review decisions made, or actions taken in connection with the discharge of any of the Local Authority's functions. As well as reviewing documentation, in fulfilling the scrutiny role, the Executive Scrutiny Committee or any of the Select Committees (or any member of such a Committee) may require any member of the Cabinet and/or any Senior Officer to attend a meeting to explain in relation to matters within their remit:
 - any particular decision or series of decisions
 - the extent to which the actions taken implement Council policyand/or
 - performance in respect of Service Plans,and it is the duty of those persons to attend if so required in accordance with the provisions of these Rules.
- (b) Prior to requiring any Cabinet Member to attend a meeting, and where reasonably practicable to do so, the Proper Officer will consult the Cabinet (through the Leader, or in his absence the Deputy Leader) about who might be the most appropriate person or persons to answer the questions and discuss the issues concerned.
- (c) Where any Councillor or Senior Officer is to be required to attend the Executive Scrutiny Committee or a Select Committee under this provision, the Chair of that committee will inform the Proper Officer. The Proper Officer shall inform the Councillor or officer in writing giving, so far as reasonably practicable, at least seven working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account, specify so far as reasonably practicable the questions likely to be asked, and, other than where call-in applies, whether any papers are required to be produced for the committee. Except for the call-in procedure, where the account to be given to the committee will require the production of a report, then the Councillor or officer concerned will, so far as reasonably practicable, be given sufficient notice to allow reasonable time for preparation of that documentation.
- (d) Where, for good reason, the Councillor or officer is unable to attend on the required date, then in consultation with the Councillor or officer an alternative date for attendance to take place will be arranged, wherever possible, within a reasonable period of time from the date of the original request.

3.179 **Councillors' Interests**

- (a) Where a Councillor has a disclosable pecuniary interest in an item of business the Councillor must leave the meeting room during the whole of the consideration of that item, except where the Councillor is permitted to remain in the meeting room as a result of the prior grant of a dispensation or to present information or be questioned prior to consideration of the matter.

3.180 Attendance by others

- (a) A Select Committee may invite people other than those people referred to in paragraph 3.172 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Councillors and officers in other parts of the public sector and may invite such people to attend. Select Committee meetings will be open to the public, and the public will be able to speak or ask questions, under the direction of the Chair, save where items of an exempt or confidential nature are being discussed.

3.181 Call-in

- (a) Call-in is only exercisable by, or on behalf of the Executive Scrutiny Committee and will normally only be used where either six Councillors, excluding Cabinet members, (together hereinafter referred to as “six Councillors”) have evidence which suggests that the Cabinet when making any executive decision (i.e. any decision other than a Council decision, save where Cabinet is making recommendations to Council in relation to plans or strategies forming part of the Policy Framework), or an individual Cabinet Councillor, or an officer or joint arrangement exercising executive decision making functions when making a key decision, did not take the decision in accordance with the principles set out in the Decision Making Principles or any two education representatives with voting rights (hereinafter referred to as “two education representatives”) have evidence which suggests that the Cabinet when making any executive decision in relation to education functions, or an Officer or joint arrangements when exercising executive education decision making functions which constitute key decisions, did not take such decisions in accordance with the Decision Making principles;
 - (i) When a decision is made by the Cabinet, or an individual Cabinet Councillor, or a Key Decision is made by an officer with delegated authority from the Cabinet, or under joint arrangements which involve executive functions, the decision shall be published in the form of a notice, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made. All the Councillors, and all persons who are not Councillors but have voting rights (“Co-optees”), will be sent copies of the details of all such decisions within the same timescale, by the person responsible for publishing the decisions.
 - (ii) The notice containing the details of the Cabinet decision, will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of a further four working days after the expiry of the two working days referred to in (a) above, or the publication of the decision if this should be later than two working days after the decision was made, unless six Councillors or two education representatives (in the case of education matters) object to it and call it in.
- (b)
 - (i) During that period, the Proper Officer shall (having determined that the call-in request is valid) call-in a decision for scrutiny by the Committee if so requested in writing by any such six Councillors or the two education representatives, and shall then notify the decision maker of the call-in. He/she shall call a meeting of the Committee on such date as he/she may determine, where possible after consultation with the Chair of the Committee and, in the first instance, within six working days of the expiry of the call-in period if practicable, or otherwise as soon as reasonably practicable thereafter.
 - (ii) The written request that call-in should be effected should always include specific details clearly explaining why those persons making the request consider that a decision has not been taken in accordance with the Decision Making principles

- (merely stating any one or more of the principles themselves will not be sufficient) and should also, wherever possible, indicate whether any member of the Cabinet and/or any Senior Officer is to be required to attend before the Executive Scrutiny Committee and, if so, who those councillors and/or Senior Officers.
- (iii) The written request, or written information provided as soon as reasonably practicable after the written request has been submitted, should clarify, as far as it is possible to do so, the questions likely to be asked of the Cabinet Councillor(s) or Officer(s) who are to be required to attend the Executive Scrutiny Committee meeting.
 - (c) Where the Executive Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to the Council's budget/MTFP, then it shall seek advice from the Monitoring Officer regarding the policy framework and Chief Finance Officer in respect of the budget/MTFP.
 - (d) The Cabinet must meet to decide what action to take in respect of the Monitoring Officer's or Chief Finance Officers report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Executive Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.
 - (e) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to the budget/MTFP, the Executive Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within ten working days, or if it is not reasonably practical to convene a quorate meeting of the Council within that period the Council shall meet as soon as reasonably practicable after the request by the Executive Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer or the Chief Finance Officer. The Council may either:
 - (i) endorse a decision or proposal of the executive decision taker as falling within the existing budget/MTFP or policy framework. In this case no further action is required, save that the decision of the Council will be minuted and circulated to all Councillors and Co-optees in the normal way; or
 - (ii) amend the Constitution, budget/MTFP or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council will be minuted and circulated to all Councillors and Co-optees in the normal way; or
 - (iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to the budget/MTFP, or otherwise not within the remit of the Cabinet and does not amend the existing framework to accommodate it, require the Cabinet or executive decision taker to reconsider the matter in accordance with the advice of the Monitoring Officer and/or Chief Finance Officer.
 - (f) In all other cases, if having considered the decision, the Executive Scrutiny Committee is still concerned, then it may refer the decision back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns and any related recommendations or where the decision has been made by the Cabinet in the course of developing proposals to the full Council, as part of, or to amend the policy

- framework, or (having taken advice from the Monitoring Officer or Chief Finance Officer, where it considers that the proposed decision is not within the remit of the executive to make), refer the matter to full Council. If a decision is referred to the decision maker, they shall then reconsider the matter, amending the decision or not, before adopting a final decision. Where the decision was taken by the Cabinet as a whole, a meeting will be convened to reconsider the matter within six working days of the referral, or as soon as reasonably practicably thereafter. Where the decision was taken by an individual, the individual will reconsider the matter within six working days of the referral, or as soon as reasonably practicably thereafter. Where the decision was taken by a Joint Committee under executive joint arrangements, a meeting will be arranged to reconsider the matter within ten working days of the referral, or otherwise as soon as reasonably practicable thereafter.
- (g) If following an objection to the decision, the Executive Scrutiny Committee does not meet in the period set out above, or as soon as reasonably practicably thereafter., or does meet but does not refer the matter back to the decision making person or body, or where appropriate refer the matter to full Council, the decision shall take effect on the date of the Executive Scrutiny meeting, or the expiry of that further period, as appropriate, whichever in each case is the earlier.
- (i) If the matter was referred to full Council, the Council shall meet within ten working days of the request that the matter be referred to it, or if it is not reasonably practical to convene a quorate meeting of the Council within that period, the Council shall meet as soon as reasonably practicable. Where the Council meets and does not object to a decision which has been made, then no further action is necessary, and the decision will be effective in accordance with the provision in (j) below. However, if the Council does object, it has no locus to make decisions in respect of an executive function, unless it is contrary to the policy framework, or contrary to the budget/MTFP, or otherwise not within the approved remit of the executive, in which case it may make any of the decisions referred to in sub-paragraph (f). Unless the Cabinet decision is contrary to the policy framework or contrary to the budget, or otherwise not within its approved remit, the Council will refer any decision to which it objects back to the decision-making person or body, together with the Council's views on the decision. That decision-making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole, a meeting will be convened to reconsider the matter within six working days of the Council request, or as soon as reasonably practicable thereafter. Where the decision was made by an individual, the individual will reconsider the matter within six working days of the Council request, or as soon as reasonably practicable thereafter. Where the decision was made by a joint Committee under executive joint arrangements, a meeting will be arranged to reconsider the matter within ten working days of the request, or otherwise as soon as reasonably practicable thereafter.
- (ii) If the Council does not meet, or if it does but does not refer the decision back to the decision-making body or person, the decision will become effective on the date the Council should have met or the expiry of the relevant period referred to in the preceding sub-paragraph, whichever is the earlier.
- (h) Subject to (l) below, where the Council has received recommendations from the Cabinet regarding any matters which it is the responsibility of the Council to determine, the Council may either determine the matter itself by adopting the Cabinet's recommendations or by referring the matter back to Cabinet, with its views, and a request to Cabinet to reconsider its recommendations within a period of ten working days after the Council meeting, or as soon as reasonably practicable thereafter. In this event, if Cabinet does not meet within the ten working days period, or as soon as reasonably practicable thereafter, or meets but does not revise its recommendations

in line with the Council's views, the Council may take the final decision on the matter by simple majority of those present and voting at its next available meeting but before doing so must reconsider the matter at that meeting in light of any views, recommendations or objections submitted or expressed by the Cabinet.

(I)(A) Where the Cabinet has submitted a draft plan or strategy forming part of the Policy Framework to the Council for its consideration and following consideration of that draft plan or strategy, the Council has any objections to it, the Council must take the action set out below:

(i) before the Council:

- (a) amends the draft plan or strategy;
- (b) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his/her approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or
- (c) adopts (with or without modification) the plan or strategy,

it must inform the Leader of the Council of any objections which it has to the draft plan or strategy and must give to him instructions requiring the Cabinet to reconsider, in the light of those objections, the draft plan or strategy submitted to it.

(ii) Where the Council gives instructions in accordance with the preceding sub-paragraph, it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet within which the Leader may:

- (a) submit a revision of the draft plan or strategy as amended by the Cabinet (the "revised draft plan or strategy"), with the Cabinet's reasons for any amendments made to the draft plan or strategy, to the Council for the Council's consideration; or
- (b) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

(iii) When the period specified by the Council, referred to in sub-paragraph (ii) has expired, the Council must, when:

- (a) amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;
- (b) approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his/her approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or
- (c) adopting (with or without modification) the plan or strategy.

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet's reasons for those amendments, any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for that disagreement, which the Leader submitted to the Council, or informed the Council of, within the period specified.

(I)(B)

(i) When considering a draft plan or strategy forming part of the Policy Framework, at the same time as approving or adopting that draft plan or strategy, the Council should specify which elements of it the Cabinet (or an Officer with delegated

authority from the Cabinet) will have power to amend without being required to refer back the amended plan or strategy to the Council for further approval or adoption of the plan or strategy as revised.

- (ii) If the Cabinet (or an Officer with delegated authority from the Cabinet) exercises the power to amend a plan or strategy previously approved or adopted by the Council, the amendments or modifications concerned will be reported to the full Council at the next available Council meeting.

3.182 **Exceptions**

- (a) In order to ensure that call-in is not abused, nor causes unreasonable delay, certain limitations are to be placed on its use. These are that:
 - (i) either six persons who are Councillors, or any two education representatives in the case of education matters, are needed for a decision to be called in (signifying this by each signing the (or a) call-in request or by emailing or otherwise confirming their agreement to it in writing)
 - (ii) the six persons who are Councillors cannot include Cabinet Members, but may include any other Councillors
 - (iii) call-in applies to the decisions of the Cabinet when it is exercising its executive decision making powers and does not normally apply to Cabinet's views or recommendations regarding any matters which it is the responsibility of the full Council to determine (such as in relation to the setting of the budget/MTFP), unless those views or recommendations relate to a decision made by the Cabinet in the course of developing proposals to the full Council to amend the policy framework
 - (iv) call-in only applies to Key Decisions by Officers and Key Decisions under joint arrangements exercising executive functions and not to any other decisions by Officers or under joint arrangements
 - (v) a matter which has been called in, can only be referred back to the Cabinet, or other decision-maker/decision-making body, once and cannot be called in a second time. Thereafter the Cabinet, other decision-maker or decision-making body may determine the matter, either amending the decision or not, as the case may be

and/or Senior officers are to be requested to attend the Executive Scrutiny Committee meeting.

3.183 **Call-in and urgency**

- (a) The call-in procedure set out above shall not apply where the decision being taken by the Cabinet or by an Officer or under executive joint arrangements is urgent and the provisions of paragraph 3.141 (Special Urgency) of the Cabinet Procedure Rules are applied. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. The record of the decision and notice by which it is made public shall state whether in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in. The Chair of the Executive Scrutiny Committee must agree that the decision should be taken urgently. If there is no such Chair, or if the Chair is unable to act, then the Mayor must agree to the decision being treated as a matter of urgency. [In the absence of the Mayor, the Deputy Mayor's consent shall be required. In the absence of both, the Head of Paid Service or his/her nominee's consent shall be required.] Decisions taken as a matter of urgency will be reported to the full Council. If the relevant person does not agree that the decision may reasonably be regarded as urgent in the circumstances, then the decision cannot be taken without five prior clear working days' notice having been given or in the case of decisions contrary to the policy framework or the budget/MTFP without being reported to full Council.

- (b) The operation of the provisions relating to call-in and urgency shall also be monitored annually, and a report submitted to Council with proposals for review if necessary.
- (c) Urgent decisions by the Cabinet, Officers or under executive joint arrangements, which are contrary to the Council's policy framework or contrary to the budget/MTFP, will be subject to and must be taken in accordance with the Access to Information Procedure Rules.

3.184 **Procedure at Executive Scrutiny and Select Committee meetings**

- (a) Executive Scrutiny and Select Committees shall consider the following business:
 - minutes of the last meeting
 - declarations of interest
 - in the case of the Executive Scrutiny Committee consideration of any matter referred to the committee as a result of the exercise of the call in procedure
 - in the case of Select Committees, responses from the Cabinet to reports of those Committees; and
 - the business otherwise set out on the agenda for the meeting
- (b) Where the Select Committee conducts investigations (e.g. with a view to policy development), the committee may also ask people to attend to give evidence at committee meetings which are to be conducted in accordance with the following principles:
 - that the investigation be conducted fairly, and all members of the committee be given the opportunity to ask questions of attendees and to contribute and speak;
 - that those assisting the committee by giving evidence be treated with respect and courtesy; and
 - that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- (c) Following any investigation or review, the Select Committee shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

3.185 **Matters within the remit of more than one Select Committee**

- (a) Where a matter falls (either wholly or in part) within the remit of more than one Select Committee the Executive Scrutiny Committee will decide which Select Committee will assume responsibility for that item or whether there is a need for joint working and will resolve any areas of dispute between Select Committees.
- (b) In cases where the Executive Scrutiny Committee determines that joint working is appropriate, the Committee assuming primary responsibility will invite the Chair (or Vice-Chair) of the Committee identified as having a particular (or secondary) interest in the item to attend meetings when the matter is being discussed.
- (c) Where appropriate, the Committee assuming primary responsibility will refer any subsequent reports on the item under consideration to other Select Committees having a particular (or secondary) interest, for comments. Those comments shall be incorporated into any reports to the Executive Scrutiny Committee and to Cabinet and/or Council.

- (d) Nothing in the above paragraphs will prevent joint meetings of Select Committees being held, to address specific issues falling within the remit of more than one Select Committee, with the agreement of the Executive Scrutiny Committee and appropriate Chairs.

3.186 Scrutiny of Reports of Chief Finance Officer and Monitoring Officer

- (a) Where either a report by the Chief Finance Officer under s.114 of the Local Government Finance Act 1988 or Monitoring Officer under s.5 of the Local Government and Housing Act 1989 is made the Executive Scrutiny Committee may consider whether it would be appropriate to hold a short inquiry (in the form of a meeting of the Executive Scrutiny Committee) into the matter which is the subject of the report, prior to the Cabinet's consideration of it. The power to call for an enquiry in the form of a meeting of the Executive Scrutiny Committee to consider the report rests with the Committee, but is also delegated to the Monitoring Officer as Proper Officer, who shall require such a meeting on behalf of the Committee when so requested by any 6 Councillors (but not Cabinet members) or any two education representatives (with voting rights) in the case of education matters. Alternatively, the requirement may be raised by resolution passed at a meeting of the Executive Scrutiny Committee.
- (b) For the purposes of the inquiry or meeting in connection with a Monitoring Officer or Chief Finance Officer Report, the Executive Scrutiny Committee may exercise the provisions of rule 14 of these rules regarding Councillors and Officers giving account.

3.187 Reporting on Council Meetings

- (a) The public have the right to report on open meetings of the Executive Scrutiny Committee and Select Committees, subject to compliance with the Council's protocol for recording council meetings.

3.188 Councillor Call for Action

- (a) Councillor Call for Action (CCfA) is a process where a Councillor can act on behalf of the residents of their Ward to resolve a local issue of concern through a mechanism utilising the scrutiny process. Councillors may use this to try to bring about specific solutions for local problems. It is designed as a 'long stop', to be used when all other attempts at resolution have failed.
- (b) This is not a substitute for other means of problem resolution. It is a means of last resort if other methods have not been successful. As such, it is expected that it will be used sparingly.
- (c) The Executive Scrutiny Committee's objective, when considering a Councillor Call for Action, is to recommend a resolution of the issue raised
- (d) A Councillor Call for Action will only be discussed by the Executive Scrutiny Committee or Select Committee if the Committee is satisfied that:
 - (i) the Councillor has made all reasonable efforts to resolve the matter via direct liaison with Council officers and /or relevant partners; and
 - (ii) the issue of concern is a matter in respect of which the Council has a power or duty to deal with and which is not precluded by adopted Council policy or legislation;
 - (iii) the issue of concern has a significant impact on a part or the whole of that Councillor's Ward; and

- (iv) a Councillor Call for Action form has been submitted.
- (e) A Councillor Call for Action will not be included on the Executive Scrutiny Committee and Select Committees agendas if the request relates to:
 - (i) any matter relating to a planning decision;
 - (ii) any matter relating to a licensing decision; or
 - (iii) any matter relating to an individual or entity in respect of which that individual has a right of recourse to a review or right of appeal conferred
 - (iv) by or under any enactment or through the Council's Complaints procedures;
 - (v) any matter which, following the advice of the Monitoring Officer, is considered to be vexatious or discriminatory or otherwise an inappropriate subject for a Councillor Call for Action;
 - (vi) Any matter which relates to individual members of staff.
- (f) Paragraph 3.188 (e) does not prevent the Executive Scrutiny Committee and Select Committees from considering Councillor Calls for Action which deal with systemic failings in any of the above processes rather than the outcomes of individual cases.
- (g) The issue raised by the Councillor Call for Action will be the subject of a report from the relevant Officer, as designated by the Scrutiny Officer, with such supporting information and evidence as is reasonably available. If the matter also, or exclusively, entails consideration of information held by another public body or partner, an appropriate representative shall be invited to the Executive Scrutiny Committee and Select Committees to provide that information, make representations and answer questions.
- (h) The Councillor Call for Action will be considered by the Executive Scrutiny Committee and/or Select Committees in public, unless consideration of the issues involves the disclosure of exempt or confidential information as defined by the [Council's Access to Information Procedure Rules](#).
- (i) The Councillor who raised the Call for Action will be invited to attend the meeting and may address the Executive Scrutiny Committee and Select Committees.
- (j) The Executive Scrutiny Committee and Select Committees may, at the Chair's discretion, consider representations from any residents of the Ward affected by the issue subject to Call for Action.
- (k) The Executive Scrutiny Committee and Select Committees shall, after considering the Councillor Call for Action, decide whether to accept and proceed with the Call for Action. If the Committee decides not to proceed with the Call for Action it will provide written reasons for its decision.

- 3.192 The Council must either approve the proposed budget/MTFP or amend the proposed budget/MTFP prior to the appropriate statutory deadline. Where the Council proposes to amend or change the recommended budget/MTFP it must ensure that the revised budget/MTFP is balanced and resourced.
- 3.193 Where the Council has any objections to the amounts, estimates or draft budget/MTFP (either in whole or in part), then before amending, approving or adopting it, the Council must inform the Leader of its objections and give him/her the opportunity for the Cabinet to reconsider the estimates or draft plan/strategy in the light of those objections within a specified period.

When reconsidering the matter, the Council can either agree with the Cabinet’s original proposals or any revised proposals referred to in the written objection, or it can insist upon its proposed changes or amendments by means of a simple majority of the Councillors present and voting.
- 3.196 If the Leader does not submit an objection in writing within the specified period, the Council’s proposed amendments or changes to the recommended budget/MTFP will take effect at the end of that period. In all circumstances any reconsideration by Cabinet and the subsequent determination by Council must take place within the statutory deadline. The decision shall be made public and shall be implemented immediately.
- 3.197 Where before the 11th March in any financial year, the Cabinet submits to the Council for its consideration in relation to the following financial year:

3.198 Before the Council makes a calculation (whether originally or by way of substitution) in accordance with any of the sections referred to in the preceding paragraph, or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Leader of any objections which it has to Cabinet's estimates or amounts and must give to him/her instructions requiring the Cabinet to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.

3.199 Where the Council gives instructions in accordance with the preceding paragraph, it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet within which the Leader may:

- (a) submit a revision of the estimates or amounts as amended by the Cabinet ("revised estimates or amounts"), which have been reconsidered in accordance with the Council's requirements, with the Cabinet's reasons for any amendments made to the estimates or amounts, to the Council for the Council's consideration; or

- (b) the Cabinet's reasons for those amendments;
- (c) any disagreement that the Cabinet has with any of the Council's objections; and

- 3.202 Financial management of the Capital Programme will be undertaken in accordance with the approved Capital Programme Management arrangements.
- 3.203 Council approval will be required for all new capital schemes or acquisitions or developments which require the use of prudential borrowing that is outside the budget.

MONITORING OF BUDGET AND MTFP

- 3.204 Cabinet will monitor the budget/MTFP and ensure its delivery and shall make recommendations to Council where amendments are deemed appropriate or necessary

MOTION IN COUNCIL INVOLVING INCREASED EXPENDITURE

- 3.205 When a motion or amendment is proposed at a Council meeting, other than as a result of a recommendation or report from the Cabinet, and the motion or amendment would either involve expenditure not provided for in the budget/MTFP, or a reduction in income anticipated by the budget/MTFP, and the motion does not identify from where the required additional funding or equivalent amount of income can be provided, then the motion, or amendment, if seconded and after the appropriate Cabinet Councillor has commented upon it, must be referred without discussion to the Cabinet for consideration, prior to its reconsideration by Council.

DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 3.206 The Cabinet and any Officers or joint arrangements discharging executive functions may only take decisions which are in line with the budget/MTFP and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to the budget/MTFP approved by full Council, then that decision may only be taken by the Council.
- 3.207 If the Cabinet, any Officers or joint arrangements discharging executive functions wish to make such a decision, they shall take advice from the Monitoring Officer as to whether the decision they would like to make would be contrary to the policy framework, and/or advice from the Chief Finance Officer as to whether any such decision would be contrary to the budget/MTFP. If the advice of either of those Officers is that the decision would not be in line with the existing budget/MTFP or the policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in Rule 3.208 below shall apply.

URGENT DECISIONS OUTSIDE THE BUDGET/MTFP OR POLICY FRAMEWORK

- 3.208 The Cabinet, Officers or decision-makers/decision making bodies under joint arrangements discharging executive functions, may take a decision which is contrary to the Council's policy framework or contrary to the budget/MTFP approved by full Council if the decision is a matter of urgency. A decision will be urgent if any delay would seriously prejudice the Council's or the public's interests. However, the decision may only be taken:

- (a) if the Leader and/or Deputy Leader have been consulted where the decision is to be taken by the Managing Director and/or Chief Officers; and
- (b) if it is not reasonably practical to convene a quorate meeting of the full Council in order to enable the matter to be considered urgently at such a meeting; and
- (c) if the Chair of the Executive Scrutiny Committee agrees that the decision is a matter of urgency.

In the absence of the Chair of the Executive Scrutiny Committee, or if that person is unable to act, the consent of the Mayor, or in the absence of the Mayor, the consent of the Deputy Mayor will be sufficient.

- 3.209 The reasons why it is not reasonably practical to convene a quorate meeting of full Council and the Chair of the Executive Scrutiny Committee's consent to the decision being taken as a matter of urgency, or such other consent as may have been obtained in this respect, must be noted in the minutes of the meeting or on the record of the decision and notice by which it is made public.
- 3.210 Where such a decision is taken collectively, it must be taken in public, save insofar as exempt or confidential information is involved. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision maker or body, the decision is an urgent one and, therefore, not subject to call-in. Decisions taken urgently under the above paragraphs must also be reported to the next available meeting of the Council, explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.
- 3.211 Where urgent decisions are made under the above paragraphs, the agreement or consent to be obtained, is agreement or consent to the taking of the decision urgently and is not in any way to be construed as a requirement to obtain agreement or consent to the merits of the decision itself. If the relevant person does not, however, agree that the decision may reasonably be regarded as urgent in the circumstances, then the decision cannot be taken without five prior clear working days' notice having elapsed or the matter being referred to the full Council for determination in the case of decisions contrary to the policy framework or the budget/MTFP.
- 3.212 The provisions relating to the call-in of decisions will not apply to urgent decisions taken in accordance with this Rule.

CALL-IN OF DECISIONS OUTSIDE THE BUDGET/MTFP OR POLICY FRAMEWORK

- 3.213 Where the Executive Scrutiny Committee considers that a Cabinet, Officer or executive joint arrangement decision is, or if made would be, contrary to the policy framework, or contrary to the Council's budget/MTFP, then the Committee will seek advice from the Monitoring Officer regarding decisions considered to be contrary to the policy framework and from the Chief Finance Officer in respect of decisions considered to be contrary to the budget/MTFP, and the provisions of 3.182 of the Executive Scrutiny and Select Committee Procedure Rules shall apply to all such decisions.

CONTRACT PROCEDURE RULES

The Council's rules for procuring works, supplies or services

Introduction

- 3.221 Procurement is defined as *'the process of acquiring works, supplies or services from third parties. The process spans the whole cycle from identification of needs, through to the end of a service contract or the end of the useful life of an asset. It involves options appraisal and the critical "make or buy" decision, which may result in the provision of services in-house in appropriate circumstances.'*
- 3.222 These Contract Procedure Rules cover the processes to be followed for all purchasing, licensing, leasing, contracting, commercial partnering or commissioning of works, supplies or services from third parties.
- 3.223 Good procurement depends on ensuring that requirements are reliably determined, appropriate sourcing strategies are developed, and contracts are well managed. Failure to procure in this way can result in additional costs and put the achievement of the Council's strategic priorities at risk.
- 3.224 These Contract Procedure Rules are intended to:
- (a) secure the best value for the Council;
 - (b) provide those involved in spending public money, with clear and transparent procedural requirements to complement existing professional skills, integrity and commitment and to protect officers (and the Council) from legal challenge;
 - (c) ensure fairness to those seeking to contract with the Council;

Additional third parties can apply to join the dynamic purchasing system at any time and shall be accepted onto the dynamic purchasing system if they meet selection criteria.

- 3.337 The recommendation of the Appointment Panel (“the Appointor”) will be submitted to the full Council for approval and the Council must approve a proposed appointment before an offer of appointment is made.

- 3.338 For the purposes of 3.337 above the Proper Officer will summon a special meeting of full Council, giving five clear working days' notice of the meeting, unless the matter can conveniently be dealt with at an ordinary meeting of the Council.
- 3.339 The Agenda for any such meeting of the Council will contain an item seeking the approval of the Council to the proposed appointment to the post and a summary report of the process followed by the Appointor, together with a note of their decision and recommendation, and will be circulated to all Councillors at least five clear working days prior to the Council meeting.
- 3.340 It is expected that non-approval will occur only in exceptional circumstances, based on objections which are material and well-founded, such as an undeclared relationship to a Councillor, or non-declaration of an unspent conviction. If approval is not granted, the Council must indicate the reasons for non-approval and the matter will be referred back to the Appointor for further consideration.
- 3.341 An offer of an appointment to the position of Head of Paid Service, a Chief Officer or Deputy Chief Officer will not be made by the Appointor until:
- (a) the Appointor has notified the Proper Officer of the name of the person to whom the Appointor wishes to make the offer and any other particulars which the appointor considers are relevant to the appointment;
 - (b) the Proper Officer has notified every member of the Cabinet of:
 - (i) the name of the person to whom the Appointor wishes to make the offer;
 - (ii) any other particulars relevant to the appointment which the Appointer has notified to the Proper Officer; and
 - (iii) the period within which any objection to the making of the offer is to be made by the Leader on behalf of the Cabinet to the Proper Officer (being a period of no longer than 48 hours from the time of dispatch of the notification); and either:
 - (c) the Leader has,
 - (i) within the period specified in the notice under sub-paragraph (b) (ii), notified the Appointor that neither s/he nor any other member of the Cabinet has any objection to the making of the offer;
 - (ii) the Proper Officer has notified the Appointor that no objection was received by him/her within that period from the Leader; or
 - (iii) the Appointor is satisfied that any objection received from the Leader within that period is not material or is not well-founded.
 - (d) for the purposes of (c) (iii) above, the Appointor will consider any such objection from the Leader at a meeting of the Appointor (Panel) duly called by the Proper Officer for that purpose.
- 3.342 For the purposes of paragraph 3.341 (c) (iii) above, an objection must be material and well-founded. For an objection to be well-founded it must be a matter which can be substantiated. This means that it must be based on facts rather than mere hearsay. At the very least, it must be based on a reasonable suspicion that the facts or information are accurate and true. In addition, it must also be material, i.e. it must be relevant to the process and the post and be sufficient to warrant a decision not to make the offer of appointment. This is seen as being likely to be very much an exceptional circumstance.

- 3.343 Whenever provision is made for a notice to be sent, such notice must be in writing and may be sent by post, by e-mail or by fax but in any event must be received by the recipient within the relevant period specified.
- 3.344 The appointment of an assistant to a political group shall be made in accordance with the wishes of that political group and in accordance with and subject to the provisions and requirements of the Local Government and Housing Act 1989 and the Local Authorities (Standing Orders) (England) Regulations 2001. In particular:
- (a) No appointment shall be made to any post allocated to a political group until the authority has allocated a post to each of the groups with quality for one;
 - (b) No post shall be allocated to a political group which does not qualify for one;
 - (c) No more than one post shall be allocated to any political group;
 - (d) No political assistant shall be a term exceeding four years.
 - (e) A group qualifies for a post if the membership of that group comprises at least one-tenth of the membership of the Council, the number of the other groups (if any) which are larger than that group does not exceed two, and where the number of the other groups which are the same size as or larger than that group exceeds two, the Council has determined that that group should be a group to which a post is allocated.

Other Appointments

- 3.345 The shortlisting, interviewing and appointment to all other vacancies, including posts deemed to be politically restricted, shall be dealt with by the Managing Director, or by a Chief Officer, Deputy Chief Officer or appropriate senior officer nominated in writing by the Managing Director. Councillors will not be involved in such appointments.

Disciplinary Action and Dismissal

- 3.346 All Chief Officers including the Head of Paid Service, Monitoring Officer and Chief Finance Officer may be suspended whilst an investigation takes place into alleged misconduct. That suspension will be on full pay unless directed otherwise by the relevant Committee, Sub-Committee, Panel or Officer.

3.347 Independent Persons

The Head of Paid Service, Monitoring Officer and Chief Finance Officer (“relevant officers”) may not be dismissed by the Council unless the following procedure is complied with:

- (a) The Council must appoint all [Independent Persons Panel](#), with a view to appointing at least two such persons to the Panel in accordance with paragraph 2.63 – 2.66.
- (b) The Council must appoint a Panel at least 20 working days before a meeting (“the relevant meeting”) of the Council to consider whether or not to approve a proposal to dismiss a relevant officer of the Council.
- (c) Before taking a vote at the relevant meeting on whether or not to approve such a dismissal the Council must take into account, in particular:
 - Any advice, views or recommendations of the Panel;
 - The conclusions of any investigation into the proposed dismissal; and

- Any representations from the relevant officer
- 3.348 Dismissal of, and taking disciplinary action against any employee of the Council other than the Head of Paid Service, Monitoring Officer or Chief Finance Officer will be the responsibility of the Managing Director, or a Chief Officer, Deputy Chief Officer or appropriate senior officer nominated by the Managing Director.
- 3.349 Councillors will not be involved in disciplinary action against any officer other than the Head of Paid Service, Monitoring Officer and Chief Finance Officer except where such involvement is necessary for any investigation or inquiry into alleged misconduct, through the Council's disciplinary, capability and related procedures, as adopted from time to time which may allow a right of appeal to Councillors in respect of disciplinary action.
- 3.350 Where a Committee, a Sub-Committee or a Panel ("the Dismissor") is discharging the function of dismissal of a Chief Officer, Deputy Chief Officer or Political Assistant, at least one Cabinet Councillor must be a member of that Committee, Sub-Committee or Panel.
- 3.351 Notice of the dismissal of the Managing Director, Chief Officer, Deputy Chief Officer or Political Assistant will not be given by the Dismissor until:
- (a) the Dismissor has notified the Proper Officer of the name of the person who the Dismissor wishes to dismiss and any other particulars which the Dismissor considers are relevant to the dismissal;
 - (b) the Proper Officer has notified every member of the Cabinet of:
 - the name of the person who the Dismissor wishes to dismiss;
 - any other particulars relevant to the dismissal which the Dismissor has notified to the Proper Officer; and
 - the period within which any objection to the dismissal is to be made by the Leader on behalf of the Cabinet to the Proper Officer (being a period no longer than 48 hours from the time of the notification); and
 - (c) either:
 - the Leader has, within that period specified in the notice under sub-paragraph (b) notified the Dismissor that neither he nor any other member of the Cabinet has any objection to the dismissal;
 - the Proper Officer has notified the Dismissor that no objection was received by him within that period from the Leader; or
 - the Dismissor is satisfied that any objection received from the Leader within that period is not material or is not well-founded.
- 3.352 for the purposes of paragraph 3.351 (c) above, the Dismissor will consider any such objection from the Leader in a meeting of the Dismissor duly called, as appropriate, by the Proper Officer for that purpose.
- 3.353 For the purposes of paragraph 3.351 (c) above, an objection must be material and well-founded.

- 3.354 Whenever provision is made for a notice to be sent, such notice must be in writing and may be sent by post, e-mail or fax, but in any event must be received by the recipient within the relevant period specified.

STOCKTON-ON-TEES BOROUGH COUNCIL

CONSTITUTION

Part 4 – Codes and Protocols

MEMBERS CODE OF CONDUCT

Purpose of the Code of Conduct

- 4.1 The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

Purpose of the Code of Conduct

- 4.2 Everyone in public office at all levels; all who serve the public or deliver public services councillors and local authority officers; should uphold the Seven Principles of Public Life also known as the Nolan Principles. Building on these principles, the following general principles have been developed specifically for the role of councillor

- 4.3 In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

- 4.4 In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

- 4.5 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

- 4.6 This Code of Conduct applies to you when:

- you are acting in your capacity as a councillor and/or as a representative of your council

- you are claiming to act as a councillor and/or as a representative of your council
- you are giving the impression that you are acting as a councillor and/or as a representative of your council
- you refer publicly to your role as a councillor or use knowledge you could only obtain in your role as a councillor.

4.7 The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

4.8 You are also expected to uphold high standards of conduct and show leadership at all times.

4.9 Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct.

Standards of councillor conduct

4.10 This Code sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

4.11 **Respect** - As a councillor:

- a. I treat other councillors and members of the public with respect.
- b. I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

4.12 Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack. In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

4.13 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social

media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

4.14 **Bullying, harassment and discrimination** - As a councillor:

- a. I do not bully any person.
- b. I do not harass any person.
- c. I promote equalities and do not discriminate unlawfully against any person.

4.15 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

4.16 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person

4.17 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's

4.18 The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

4.19 **Impartiality of officers of the council** - As a councillor I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

4.20 Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4.21 **Confidentiality and access to information** - As a councillor I do not:

- a. Disclose information given to me in confidence by anyone
- b. Disclose information acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;

- iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 - 1. reasonable and in the public interest; and
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and
 - 3. I have consulted the Monitoring Officer prior to its release.
 - c. Improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.
 - d. Prevent anyone from getting information that they are entitled to by law.
- 4.22 Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.
- 4.23 **Disrepute** - As a councillor I do not bring my role or local authority into disrepute.
- 4.24 As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.
- 4.25 You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.
- 4.26 **Use of position** - As a councillor I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.
- 4.27 Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.
- 4.28 **Use of local authority resources and facilities** - As a councillor:
- a. I do not misuse council resources.
 - b. I will, when using the resources of the local or authorising their use by others:

- i. act in accordance with the local authority's requirements; and
- ii. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

4.29 You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor. Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

4.30 **Complying with the Code of Conduct** - As a councillor:

- a. I undertake Code of Conduct training provided by my local authority.
- b. I cooperate with any Code of Conduct investigation and/or determination.
- c. I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- d. I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

4.31 It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

4.32 **Interests** - As a councillor I register and declare my interests.

4.33 You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should declare an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be declared by you or other councillors when making or taking part in

decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

- 4.34 You should note that failure to register or declare a disclosable pecuniary (i.e. financial) interest is a criminal offence under the Localism Act 2011.
- 4.35 Within 28 days of your election or appointment to office (where that is later) you must register with the Monitoring Officer the interests which fall within the categories set out in Table 1 (Disclosable Pecuniary Interests) and Table 2 (Other Registerable Interests) in Appendix A. Disclosable Pecuniary Interests means issues relating to money and finances.
- 4.36 You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
- 4.37 A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor/member or co-opted member, or a person connected with the member or co-opted member, being subject to violence or intimidation.
- 4.38 Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.
- 4.39 Where a matter arises at a meeting which directly relates one of your Disclosable Pecuniary Interests, you must declare the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest, just that you have an interest.
- 4.40 Where a matter arises at a meeting which directly relates to one of your Other Registerable Interests, you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', again you do not have to declare the nature of the interest.
- 4.41 Where a matter arises at a meeting which *directly relates* to your financial interest or well-being (and is not a Disclosable Pecuniary Interest) or a financial interest or well-being of a relative or close associate, you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest
- 4.42 Where a matter arises at a meeting which *affects* –
- a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a body included in those you need to declare under Disclosable Pecuniary Interests
- you must disclose the interest.
- 4.43 Where the matter affects the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest.

4.44 An application for dispensation must be in writing and must be submitted to the Council's Monitoring Officer, in the first instance. A group secretary or other member may co-ordinate, prepare and submit an application on behalf of his/her group member(s) or other members/co-opted members provided that all of the requirements below are satisfied.

4.45 An application for a dispensation should indicate:

- (a) the name or names of the Councillor or Councillors who require a dispensation;
- (b) the reasons why each member considers that he or she needs a dispensation (i.e. why the Member is prohibited from participating in the particular business of the Council and the interest or interests (whether a disclosable pecuniary interest or a personal interest) which give rise to the prohibition);
- (c) the business or matter and specific meeting or meetings (including dates) to which any dispensation would apply if granted (and whether it should apply for up to four years); and
- (d) should be signed by the Member or on behalf of the Members requesting the dispensation.

4.46 The application should, wherever possible, be received by the Monitoring Officer at least five clear working days before the date of the meeting to which the requested dispensation would relate. If it is not possible to comply with this timescale, this may result in the application not being able to be considered either at all, or in time to determine the application prior to the meeting to which the requested dispensation would apply.

4.47 Following receipt of an application, the Monitoring Officer will use best endeavours to ensure that she/he considers it no later than the day before the date of the meeting to which the requested dispensation would relate. The Monitoring Officer may (but is not obliged to) consult an Independent Person.

4.48 If it should not be reasonably practicable or possible for the application to be considered in advance of the meeting or if the Monitoring Officer determines that it would not be appropriate to grant a dispensation, the Monitoring Officer will, as soon as reasonably practicable, advise the applicant Member(s), and any Group Secretary(ies) of the fact and will take all appropriate action regarding the meeting(s) to which the application related. An appeal may be made to the Standards Panel.

4.49 Where the Monitoring Officer or the Panel determines that it would be appropriate to grant a dispensation, the Monitoring Officer will, as soon as reasonably practicable, advise the Member(s) and any Group Secretary(ies) of the decision and will ensure that details of the existence, duration and nature of the dispensation are recorded in writing and kept with the Council's Register of Interests established under the Localism Act.

- 4.50 **Gifts and hospitality** - As a councillor:
- a. I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
 - b. I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
 - c. I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.
- 4.51 In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

OFFICER CODE OF CONDUCT

Purpose

- 4.52 This code sets out the standard of conduct that the Council expects from its Officers. The aim is to promote high standards of conduct and to maintain public confidence in the Council's services.

General Principles

- 4.53 The role of Officers is to represent the Council in delivering services to the local community. Officers must act in accordance with the Council's Culture Statements and Behaviours. Officers must at all time act in accordance with the trust that the public is entitled to place in them.
- 4.54 This code should be read in conjunction with the other parts of the Council's Constitution, and with the Council's Human Resources Policies and Procedures.

Gifts and Hospitality

- 4.56 All offers of gifts or hospitality should be treated with caution. Where a gift or hospitality could be perceived as an inducement or reward for performing Council duties, or where acceptance of the gift or hospitality could be open to misinterpretation, Officers should tactfully but firmly refuse the offer.
- 4.57 Gifts of a promotional nature, e.g. calendars, diaries and pens which are of a low monetary value i.e. less than £25 may be accepted.
- 4.58 All offers of gifts and hospitality of £25 or more in value, including any offers of sponsorship for training or development, whether or not they are accepted, must be recorded promptly (and no later than 28 days from the date of the offer) in a register held by a nominated officer in the relevant service grouping. Completed forms are to be submitted to and approved by the appropriate Head of Service or Director. Copies are sent to Democratic Services for recording and monitoring purposes.
- 4.59 The Bribery Act 2010 includes a number of criminal offences, and you should seek guidance if you are in any doubt. However, you should in particular note the following circumstances in which you could commit a criminal offence:
- (a) It is a criminal offence to accept a bribe or to bribe another person. The offence of being bribed will occur where an Officer agrees to receive or accepts an advantage (for their own or another's benefit whether or not he or she actually receives it), in order to carry out the improper performance of a Council function, or where the advantage may be a reward for already having performed the function improperly.
 - (b) It is a criminal offence to bribe another person. The offence of bribing another person occurs where an Officer offers, promises or gives a financial or other advantage to another person, with the intention that this will induce that person to improperly perform a function or activity, or in order to reward that person for the improper performance of such a function or activity.
- 4.60 Guidance on the Bribery Act 2010 indicates that bona fide hospitality and promotional, or other business expenditure which seeks to improve the image of a commercial organisation, better to present products and service, or to establish cordial relations, is recognised as an established and important part of doing business and it is not the intention of the Act to criminalise such behaviour.

- 4.61 If Officers are in any doubt about the acceptance of a gift or hospitality, they should inform their Head of Service or Line Manager in advance (where feasible) and seek advice.
- 4.62 Where an Officer receives an unsolicited gift or believes that a person is otherwise attempting to influence him or her, the Head of Service or Line Manager should be informed immediately.
- 4.63 Particular care should be taken by Officers concerned with purchasing or the award of official contracts. An Officer who knowingly accepts a gift or favour from a contractor or other person seeking services to or from the Council may put themselves at risk of a disciplinary investigation. Failure to record offers of gifts and hospitality may also be the subject of investigation by managers.

Legacies

- 4.64 Officers are not permitted to accept a bequest or agree to be a beneficiary under the terms of a client/service user's will or testament. Any bequest made or received by an Officer or a relative or close associate of the Officer must be reported to the Head of Service or Line Manager.
- 4.65 To avoid any allegations of improper conduct or undue influence, Officers are not permitted to be involved in the preparation, writing, witnessing or signing of a client/service user's will or testament.

Confidential Information

- 4.66 Officers should treat all information they receive in the course of their employment as confidential to the Council. Officers must not use information in the Council's possession to further their private interests or those of their relations and friends. Deliberate exploitation of confidential information for personal gain may result in disciplinary action including dismissal.
- 4.67 Officers may only disclose confidential information where it is required by law or where the Council has agreed to make the information available to the public. Where Officers are in any doubt as to whether they are permitted to release information, they must consult their line manager or Head of Service before any disclosure is made.
- 4.68 Officers must at all times comply with the Council's relevant policies and procedures.

Officer Interests

- 4.69 Officers must disclose any personal conflicts of interest and must not involve themselves in any decisions or matters where their actions could be perceived as biased. A personal conflict may arise where an Officer provides consultancy services in a private capacity which conflict with or are of a similar nature to the Council's services, or which may result in a reduction of Council services. Another example is where an Officer, acting in a private capacity, causes conflict with the service provided by the Council to a service user.
- 4.70 Officers must disclose in writing all interests in contracts or proposed contracts or arrangements:
 - 4.71 where they (or a partner, spouse, relative or close associate) have any financial interest, direct or indirect, in any contract which the Council has entered into or is proposing to enter into, or any application for a licence, consent or permission.

- 4.72 where they are involved as either as an individual or as a partner in a business or as a director of a Company or where they have a substantial shareholding in a public or private company which regularly has dealings with the Council. For this purpose, "substantial" can be defined as more than £25,000 nominal value or 1/100th of the issued share capital of the company whichever is the lower
- 4.73 Friendship or membership of an association or society could also influence an Officer's judgement and should be treated in the same way.
- 4.74 If Officers are in any doubt as to what interests they need to declare they should seek guidance from their Head of Service or Line Manager. Failure by Officers to declare interests in contracts or companies is a criminal offence. Failure to disclose a conflict of interest may result in disciplinary action.

Public Office

- 4.75 Officers who wish to seek public office in an Authority other than that with whom they are employed are not generally prevented from doing so unless they occupy politically restricted posts under the Local Government and Housing Act 1989 but should discuss their intentions and the implications with their Manager and seek legal advice. Arrangements for time off for public duties are explained in the Council's leave policy.
- 4.76 Officers other than holders of politically restricted posts who become Councillors of other Local Authorities should ensure that their two capacities are kept separate. In particular, they should take care that they do not disclose or use for an unauthorised purpose confidential information which could benefit or cause harm either to the Authority represented or to the employing Authority.

Political Activities

- 4.77 Political activities relate to standing for public elected office, engaging in party political debate in a personal capacity, by speaking or writing in public and canvassing at elections. The ability of Officers to indulge in such activities is restricted if they occupy politically restricted posts.
- 4.78 An Officer who proposes to engage in political activities should consider all aspects of this Code and ensure there is no conflict of interest between their duties as an employee and their political activities. Officers at a senior level who regularly advise Councillors, regularly have contact with the public or media, or exercise delegated powers should take particular care when they propose to engage in political activities. They must in all cases consult their Line Manager.
- 4.79 Where Officers are required to advise Councillors, they must do so in ways which do not compromise their political neutrality and must not allow their own personal or political opinion to influence or interfere with their work.

Recruitment and Employment

- 4.80 Officers involved in recruitment or decisions relating to discipline, promotion or grading must not be involved where they are related to an applicant or have a close association with an applicant or Officer.
- 4.81 All Officers involved in recruitment and selection on behalf of the Council must be familiar with, and abide by, the Council's recruitment policy and procedures.
- 4.82 Canvassing of Councillors relating to any employment matter including appointments, is strictly prohibited and may result in disciplinary action.

Sustainability Issues

- 4.83 Officers are required to consider sustainability and environmental issues when undertaking their duties, including the procurement of goods and services. In particular they should seek opportunities to improve and promote energy conservation, advocate recycling and waste minimisation, reduce pollution and support Council initiatives to improve the environment.

Diversity

- 4.84 Officers should not act in a discriminatory way with regard to, for example, a person's age, gender, race, disability, religion, ethnicity, nationality or sexual orientation or otherwise act in a way that puts the Council in breach of its duties under the Equality Act 2010.
- 4.85 All members of the local community, customers, contractors, Councillors and Officers have a right to be treated with fairness and dignity. All Officers are required to comply with Council diversity policies and in accordance with the legal requirements placed upon the Council.

Intellectual Property/Copyright/Lecture Fees

- 4.86 Fees for giving lectures or writing articles may only be retained by Officers where these activities are not integral to their employment or position with the Council and they are conducted in the Officers own time. Officers above Grade K require written line manager approval before conducting any paid work, whether under a contract of employment or otherwise.
- 4.87 Where Officers are interviewed by the media or agree to give lectures in connection with their official duties, The Director or HR, Legal & Communications must be consulted on any intended lecture or publication in the press or other media which is connected to their official duties and prior consent of their line manager must be obtained.
- 4.88 Officers should take care when expressing their personal views publicly that they do not undermine confidence in their objectivity in the performance of their duties.

Use of Council Facilities

- 4.89 Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.
- 4.90 The Council's resources should be used solely in respect of its business and in accordance with Council policies

Performance of Duties

- 4.91 Officers are required to observe agreed working procedures, operational regulations, health and safety rules, regulations, professional codes of practice and the provisions of the Council's constitution and to carry out reasonable and proper instructions in matters relating to their duties.
- 4.92 An Officer must not:
- (a) Fail to discharge through carelessness, or neglect an obligation placed upon him/her by contract or by law;

- (b) Fail to report any matter which he/she is required to report;
- (c) Fail to wear safety clothing, footwear, or use safety equipment which has been issued as being necessary in the interests of health & safety or otherwise fail to have due regard to health & safety requirements.

4.93 Failure to observe the Officer Code of Conduct or Human Resources Policies and Procedures (specifically those relating to substance misuse, smoking or ICT protocols) or other Council policies, regulations or standards, may lead to disciplinary action in accordance with the Council's disciplinary procedures.

PROTOCOL ON MEMBER/OFFICER RELATIONS

The Role and Purpose of the Protocol

- 4.94 Stockton-on-Tees Borough Council operates with and promotes high ethical values and standards and in an environment, which demands close and effective working relations between all Councillors and Officers without either seeking to take unfair advantage of their position.
- 4.95 This is achieved by means of a culture of mutual respect, trust, courtesy, openness and understanding. Councillors and Officers feel free to speak to one another openly and honestly.
- 4.96 With this in mind, the purpose of this protocol is not in any way to change that relationship, but to offer guidance to Councillors and Officers on their respective roles and their working relations with one another, in order to help them to perform more effectively and thereby to ensure the efficient and effective running of the authority and the delivery of best value services to the local community.
- 4.97 The relations between Councillors and Officers are complex and varied. This protocol does not therefore aim to be either prescriptive or comprehensive. It is intended simply to offer guidance on some of the issues which most commonly arise. It is hoped however that the approach which it adopts to these issues will serve as a reference document for dealing with other issues.
- 4.98 This protocol relies to a large extent on current practice and convention. It does, however, attempt to promote greater clarity and certainty for the benefit of both Councillors and Officers.
- 4.99 The Protocol also seeks to reflect and bring together the principles underlying the respective Codes of Conduct which apply to Councillors and Officers. The shared objective of these Codes is to enhance and maintain the integrity (both real and perceived) of Local Government and those who work within it and to maintain the very high standards of personal conduct required of all who serve the public.
- 4.100 Increasingly Councillors and Officers are required to represent the Council on a variety of outside bodies and organisations with statutory and non-statutory links to the Council. Whilst the procedural aspects of the Protocol relate mainly to the Council, it is expected that Councillors and Officers representing the Authority on outside bodies, continue to maintain the ethos of courtesy, respect and understanding advocated by this Protocol.
- 4.101 The Protocol must be read and operated in the context of all relevant legislation and national and local codes of conduct and the Council's Policy on confidential reporting reproduced in this part of the Constitution. Advice and guidance in connection with the Code and Policy, together with this Protocol can be obtained from the Council's Monitoring Officer.

The Roles of Councillors and Officers

Councillors

- 4.102 The roles of Councillors and Officers are different, but complementary. The former National Code of Local Government Conduct for Councillors indicated that:
- “Both Councillors and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council's work under the direction and control of the Council.*

Mutual respect between Councillors and Officers is essential to good Local Government. Close personal familiarity between individual Councillors and Officers can change this relationship and prove embarrassing to the Councillors and Officers.”

4.103 There are a number of crucial roles for Councillors. Four, in particular, can be summarised as follows:

- (a) to provide strong leadership for communities and to share in the policy and budget decisions of the full Council, suggest policy improvements and scrutinise the Executive’s policy proposals and their implementation;
- (b) to monitor and review the Authority’s performance in implementing approved policy and in delivering services;
- (c) to represent their constituents, promoting and communicating the interests of those who elected them within the Council decision making processes and dealing with their day to day problems and concerns as they arise;
- (d) to represent the Authority externally on joint committees, and on key partner and other outside bodies.

4.104 The Council adopted six guiding principles for its structure, with a view to it being:

- a) **Transparent** – to ensure that the public are clear about who is responsible for particular decisions.
- b) **Understandable** – to ensure that the decision-making process is simple, clear and unambiguous to Councillors, Officers and the public.
- c) **Efficient** – to enable swift and responsive action.
- d) **Accountable** – to ensure that decisions are open to scrutiny by Councillors and by the public and that members of the public are able to measure the Council’s actions against the policies upon which it was elected.
- e) **Community Focussed** – to ensure that Councillors are not only highly visible within their communities but are also able to pursue their role as community leaders – championing local issues and priorities and taking action, in partnership with others, to promote achievements and tackle disadvantage.
- f) **Providing Best Value** - to promote continuous improvement within the Authority and demonstrate Best Value in ensuring resources are directed to supporting Councillors in the performance of their representational role.

Officers

4.105 Officers serve the whole Council. Officers support and advise the Council, and the constituent parts of its decision-making machinery; implement Council decisions and may themselves take decisions formally delegated to them through the approved Scheme of Delegation. All Officers are required to be politically neutral, and for senior Officers this is enforced through the political restrictions of the 1989 Local Government and Housing Act. This position is also enshrined in the Council’s Officers’ Code of Conduct which forms part of the Council’s Constitution.

4.106 Within this context, it is important to recognise the differing roles of certain Officers:

- The Managing Director and Directors of Service form the Corporate Management Team, which provides a formal interface between Councillors and Officers and has a leading role in relation to policy co-ordination and performance management.
- Assistant Directors and other Chief Officers are directly responsible for the day to day delivery of services within the Council’s established policy and decision-making framework.
- Officers within services themselves are primarily accountable to their Directors and when assisting Councillors should always do so within the parameters of whatever authority they have been given by their Director.

- 4.107 In particular, it should be recognised that Councillors do not, as elected or co-opted members, have any special immunity from civil or criminal wrongs that they may commit against fellow Councillors, Officers or members of the public. Councillors must ensure that they do not, therefore, for example, bully, harass, slander or libel another person. During public meetings of the Council, the Cabinet and Committees statements made by Councillors may attract "legal privilege" which may be a defence to an action for defamation. Unlike Parliament and the Courts, local authorities only benefit from "qualified", rather than "absolute" privilege. As such there are conditions that must be met before qualified privilege will attach to a statement (including that councillors should generally believe that statements they make are true and they should be made without malice).
- 4.108 Any member of the public (including Officers) can complain to the Council's Monitoring Officer about a Councillors' alleged breach of the Council's Members Code of Conduct and/or bring private, civil action against a Councillor. The external Auditor can also take legal action against a Councillor and the Council, as a whole, for any alleged breach of the law.

Councillors' expectations

- 4.109 Councillors can expect from Officers:
- (a) A commitment to the Authority as whole, and not to any political group.
 - (b) A working partnership based on an understanding of and support for respective roles, workloads and pressures
 - (c) Reasonable and timely response to enquiries and complaints.
 - (d) Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of Officers.
 - (e) Regular, up to date information on matters that can reasonably be considered appropriate and relevant to Councillors needs, having regard to any individual responsibilities that they have and positions that they hold.
 - (f) Awareness of and sensitivity to the political environment.
 - (g) Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech.
 - (h) Relevant training and development in order to carry out their role effectively.
 - (i) Integrity, mutual support and appropriate confidentiality
 - (j) That employees will not use their relationship with Councillors to advance their personal interests or to influence decisions improperly.
 - (k) That Officers will at all times comply with the relevant Code of Conduct.
 - (l) Support for the role of Members as the local representatives of the Council, within the parameters of support approved by the Authority.
 - (m) That Officers will promote equality of opportunity in all Council matters.

Officers' Expectations

- 4.110 Officers can expect from Councillors:
- (a) A working partnership based on an understanding of and support for respective roles, workloads and pressures.
 - (b) Political leadership and direction.

- (c) Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech.
- (d) Integrity, mutual support and appropriate confidentiality.
- (e) Not to be subject to bullying or harassment or to be put under undue pressure. Councillors should have regard to the seniority of Officers in determining what are reasonable requests, having regard to the relationship between Councillors and Officers, and the potential vulnerability of Officers, particularly at junior levels.
- (f) That Councillors will not use their position or relationship with Officers to advance their personal interests or those of others or to influence decisions improperly.
- (g) That Councillors will at all times comply with the Members' Code of Conduct
- (h) That Councillors will promote equality of opportunity in all Council matters.

Limitations on Behaviour

- 4.111 The distinct roles of Councillors and Officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:
- (a) Close personal, as opposed to working, relationships between Councillors and Officers can confuse these separate roles and detrimentally affect the proper discharge of the Council's functions, not least by creating the perception in others that a particular Councillor or Officer may be securing advantageous treatment.
 - (b) The need to maintain the separate roles means that there are limits to the matters on which Councillors may seek the advice of Officers, both in relation to personal matters and party-political issues.
 - (c) Relationships with a particular individual or party groups should not be such as to create public suspicion that an Officer favours that Councillor or group above others. The issue of Officer attendance and advice to political groups is specifically covered at paragraphs 4.138 to 4.145 of this Protocol.

Grievances or Complaints

Procedure for Officers

- 4.112 From time to time the relationship between Councillors and Officers may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation by an appropriate senior manager or Councillor, Officers will have recourse to the Grievance Policy and Procedure, where the matter concerns their employment or to the Council's Monitoring Officer, as appropriate to the circumstances. In the event of a grievance or complaint being upheld, the matter will be referred to the Managing Director who, having advised the Leader of the Council and the appropriate group leader will decide on the course of action to be taken.

Procedure for Councillors

- 4.113 In the event that a Councillor is dissatisfied with the conduct, behaviour or performance of an Officer, he/she should not raise the matter in public or before the press, as Officers have no means of responding to the same in public. The matter should be raised with the appropriate Director of Service. Where the Officer concerned is a Director, the matter should be raised with the Managing Director. Where the Officer concerned is the Managing Director, the matter should be raised with the Monitoring Officer. If the matter cannot be resolved informally, it may be necessary to invoke the Council's disciplinary procedure.

The Mayor/Deputy Mayor and Officers of the Council

- 4.114 The Mayor is elected by the Council annually and as a Councillor is bound by both the Members Code of Conduct which applies to all Councillors and to the provisions of this Protocol in addition having [his/her specific responsibilities](#)
- 4.115 The Deputy Mayor supports and assists the Mayor in fulfilling all of his/her responsibilities.
- 4.116 The Mayor's Attendant should assist the Mayor and Deputy Mayor with the full delivery of the Council's civic functions and services and should also assist any other Councillors who may undertake Mayoral or civic events or engagements from time to time.
- 4.117 Subject to the provisions relating to Councillors access to documents and information, Officers shall give full impartial advice to the Mayor and Deputy Mayor to assist with the fulfilment of their responsibilities to uphold and promote the purposes of the Constitution; to interpret its terms and to preside over meetings of the Council.
- 4.118 All Officers of the Council should, so far as reasonably practicable support the Mayor and Deputy Mayor with the promotion of public involvement in Council activities and civic and ceremonial events but should always bear in mind that they are accountable to the whole Council.

Leader/Cabinet Members and Officers

- 4.119 The Leader is elected by the full Council. The other members of the Cabinet are appointed by the Leader.
- 4.120 As a result of their additional responsibilities as members of the executive, the working relationships between Cabinet Members and Officers as employees may be different from and more complex than those of other Councillors and this is recognised in the expectations they are entitled to have. However, the following provisions of the Protocol are designed to ensure that the Leader and Cabinet members nevertheless work to a set of ground rules designed to maintain high standards of conduct, public accountability and mutual respect between Councillors and Officers, and a clear understanding of the executive and scrutiny functions within the Council's decision-making structures. Non-Cabinet Members can raise items that they may wish to see discussed by the Cabinet either through Officers or the relevant Member of Cabinet, who will consider the request and, if considered appropriate, request Officers to prepare a report.
- 4.121 The Managing Director will be the principal Advisor to the Cabinet. Individual Cabinet Members with functional responsibilities will also have Principal Advisors in accordance with those functional responsibilities. These Advisors will be drawn from the Corporate Management Team. The Managing Director (with the support of the rest of the Corporate Management Team) will act as Principal Advisor to the Leader and/or Deputy Leader.
- 4.122 In undertaking the roles inherent in the Council's political management system, Cabinet Members, Directors of Service and other Officers should respect the following protocols:
- (a) As "visible" and accountable elected representatives, with defined responsibilities, Cabinet Members need to be properly briefed on all significant aspects of the work of the one or more services that operate within their remit. Directors of Services, as Principal Advisors, should ensure a proper information flow so as to ensure that Cabinet Members with functional responsibilities can effectively undertake their role.
 - (b) Good communications can best be achieved through planned and programmed meetings and briefing arrangements. On the basis that Directors of Service should be ensuring that the information needs of Cabinet Members are met, Cabinet Members should in turn seek to avoid making requests for unanticipated briefings, or detailed information-gathering exercises, which can unbalance planned service workloads.

- (c) Cabinet Members should channel requests for information, advice and other support via the Director of Service or via such arrangements as are agreed and established with the Director (e.g. Director's PA, specific Management Team members on specific issues or otherwise). Cabinet Members should not normally approach other staff direct with requests for information (except in cases of urgency) or seek to commission work from individual staff, as this can create conflict with day to day line management accountabilities.
 - (d) While Cabinet Members will wish to work with Directors and senior managers in the development of policies and programmes, they should recognise that there are categories of officer-level meetings, both inside and outside the Council where attendance by a Cabinet Members (or other Councillors) may not be appropriate.
 - (e) Cabinet Members (and other Councillors) have collective responsibility to the Council for the conduct of employment policy and the Council acts as the employing body for all Council staff. These employment policies are implemented via Directors of Service. Cabinet Members should avoid becoming over-involved in issues of individual performance of Officers, or individual cases of e.g. grievance, disciplinary action or harassment. Cabinet Members have the right, however, to bring to the notice of relevant Directors any instances within their area of responsibility, where they have evidence that there are problems of inefficiency or ineffectiveness and to be kept informed of what course of action is being pursued in such circumstances.
 - (f) Cabinet Members are expected to justify and account for any proposals relevant to their portfolio to the Council and to the Executive Scrutiny and Select Committees as appropriate. When fulfilling this responsibility, Cabinet Members should take appropriate advice from relevant Directors, and Directors should ensure that full and proper professional, legal and financial advice is provided in a timely fashion.
 - (g) When new policies and proposals are brought forward, Cabinet Members may wish to discuss with Directors and via Directors with senior Officers preparing reports, the content of such reports and the framing of recommendations. While Cabinet Members may wish to make suggestions on content and drafting, to achieve clarity of presentation, simplify jargon, or better explain issues, they should not attempt to edit out or override any content of a report which Directors or Senior Officers feel it is important to put before the Council. This is especially relevant to matters of a professional or technical nature, and all Chief Officers must be able to retain a right to report direct to the Council and all committees where they consider it necessary.
 - (h) A number of Officers exercise statutory functions or have individual responsibilities. Cabinet Members should not attempt to interfere with these roles. These include the functions of Proper Officers
- 4.123 Where reports are called in for scrutiny, Cabinet Members (if asked to do so) should attend to answer questions. Cabinet Members should normally be sufficiently briefed to answer the majority of questions themselves, and to be able to provide justification for the recommendations in a report. On more technical or professional issues, however, Cabinet Members may wish to call on Directors or specialist Officers to answer questions and explain the basis for recommendations.
- 4.124 The same principles should apply where Cabinet Members wish to discuss issues relating to their portfolios with individual Councillors or groups of Councillors. Cabinet Members should also always ensure, in accordance with the [Concordat for Consultation and Communication with Members](#), that they consult on issues affecting individual wards. Cabinet Members should also make themselves available for discussion with Leaders/Spokespersons of other political groups in respect of forthcoming Cabinet business. On request the Managing Director and Members of the Corporate Management Team will be available to discuss forthcoming agenda items for Cabinet with Leaders/Spokespersons of political groups.

- 4.125 Notwithstanding the above, it should be recognised that the following principles are paramount:
- (a) Chief Officers are employed to serve the whole Council and remain ultimately accountable to the whole Council.
 - (b) All Officers are required to be politically neutral. All Officers are required to abide by the Council's Code of Conduct for Officers. The impartiality of Officers must therefore be respected, and they must not be asked to undertake work of a party-political nature.
 - (c) Chief Officers have individual responsibilities as defined in their job descriptions. In some cases, these will include professional or technical responsibilities of a statutory nature (e.g. regulatory functions, Proper Officer functions).
 - (d) Chief Officers with professional responsibilities may also have a duty to observe codes and standards set by outside professional bodies (e.g. accountancy, law, structural engineering). There may be occasions on which these require to be treated as over-ruling the views of Cabinet Members or Council policy decisions (and should such circumstances arise Chief Officers will need to report the position via the decision-making process).
 - (e) Certain Officers, e.g. Head of Paid Service (Managing Director), Monitoring Officer and Chief Finance Officer (Section 151 Officer) have other responsibilities, which in law have primacy over and above their other obligations to the Council and individual Members, and Members must therefore respect these obligations, not obstruct those Officers in the discharge of their duties and must not victimise them for fulfilling their responsibilities.
 - (f) The Managing Director and the Corporate Management Team have a collective responsibility to advise the Council on its priorities, allocation of resources and forward programmes.
 - (g) Officers should conduct themselves with integrity, impartiality and honesty. They should give honest and impartial advice to the Leader and Cabinet Members without fear or favour and make all information relevant to a decision available to them. They should not deceive or knowingly mislead Cabinet Members, other Councillors or the public, or withhold information that may be relevant to a decision.

Chairs and Members of Executive Scrutiny and Select Committees and Officers

- 4.126 The Head of Democratic Services will be the Principal Advisor to the Executive Scrutiny Committee. She or he will meet with the Chair and Vice-Chair to discuss any items which may have been called-in and will arrange in liaison with the nominated Democratic Services Officer, if required, for the attendance of any Cabinet Members, Senior Officers or other parties at the proposed Executive Scrutiny Committee meeting at which the called-in item or items are to be discussed.
- 4.127 In addition to complying with the Code of Conduct for Members, the Chair and members of the Committee have responsibility for ensuring the scrutiny process operates fairly and openly. In particular, they will have responsibility for ensuring that members of the Cabinet and Officers are not questioned (whether through the nature, tone or language used), in such a manner as could be considered by a reasonable person to be hostile, offensive, derogatory, harassing, bullying, victimising, discriminatory or otherwise unacceptable or inappropriate behaviour by a Councillor. Equally, it has to be recognised that Executive Scrutiny and Select Committees have no jurisdiction to deal with matters, which are of a disciplinary nature for the relevant Political Group (in respect of Councillors) or the relevant Chief Officer/ Managing Director (in respect of Officers).

- 4.128 The Chair and Members of the Committee should expect executive Councillors and Officers to be as open as legally possible with the Committee. In a public forum information should not however be disclosed where it is categorised as exempt under the Access to Information Procedure Rules. The Chair and Members of the Committee will still need to demonstrate the same need to know in respect of access to information as other Councillors.
- 4.129 The Chair of the Committee should keep separate his/her role as chair and as constituency Councillor and should seek to ensure that no conflicts of interest arise. He/she should not seek to use his/her position to influence events unduly.
- 4.130 In accordance with the Code of Conduct, Councillors must not use Council resources for party political purposes. They must uphold the political impartiality of the Officer body, and not ask Officers to act in any way which would conflict with the Officer Code of Conduct, this Protocol, and any other part of the Constitution or National Conditions of Service.
- 4.131 Officers are required to assist the Executive Scrutiny Committee in the delivery of its role. The Chair and Members of the Committee, as with all Councillors undertaking scrutiny, will however have to be aware of the resource consequences of any proposals. In some instances, requests for research in pursuit of scrutiny may have to be refused on grounds of expense or time. In any event information currently under confidential review by the Cabinet will not normally be available on request to Councillors undertaking scrutiny.
- 4.132 The overriding principles outlined in paragraph 4.125 of this protocol apply to the scrutiny process, just as they do to the Council's executive decision-making arrangements.
- 4.133 The provisions of paragraphs 4.127 to 4.132 inclusively of this Protocol apply equally to the Chairs and Members of Select Committees, as they do to the Chair and Members of the Executive Scrutiny Committee.

Chairs and Members of Committees and Officers

- 4.134 Whilst it is clearly important that there should be a close working relationship between the Chairperson and/or Vice-Chairperson of a Committee and a Corporate Director and other Officers of any Service which reports to that Committee, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officers' ability to deal impartially and fairly with other Members and other party groups.
- 4.135 Whilst the Chairperson and/or Vice-Chairperson of a Committee will routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some situations a Director will be under a duty to submit a report on a particular matter. Any issues arising between a Chairperson and/or Vice-Chairperson and a Director in this area should be referred to the Managing Director for resolution in conjunction with the Leader of the Council.
- 4.136 In relation to action between meetings, it is important to remember that the Council's Constitution only allows for decisions (relating to the discharge of any of the Council's functions) to be taken by the Committee a sub-committee or an Officer. In the latter case such decisions may need to be taken in consultation with a Chairperson and Vice-Chairperson or some other Member of the Council. The Constitution does not allow for such decisions to be taken by a Chairperson or indeed by any other single Member.
- 4.137 The provisions of paragraphs 4.127 to 4.132 inclusively of this Protocol apply to the Chairs and Members of all the Council's quasi-judicial and regulatory Committees, including the Standards Panel, just as they apply to the Chairs and Members of the Authority's Executive Scrutiny and Select Committees.

Officers and Party Groups

- 4.138 There is now statutory recognition for Party Groups, and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Party Groups therefore have an important part to play in the development of policy and the political management of the Authority. In view of this it is in the interests of the Authority to support the effective operation of political groups insofar as Council business is concerned and Officers may therefore properly be called upon to support and contribute to deliberations by such groups.
- 4.139 The support provided by Officers can take many forms, ranging from a briefing meeting with a Chairperson or Spokesperson prior to a Cabinet or Committee meeting, to a presentation to a full party group meeting. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.
- 4.140 Certain points must however be clearly understood by all those participating in this type of process. Members and Officers alike, given the particular risks it can pose in terms of the impartiality of Officers. In particular:
- (a) Political Group meetings, whilst they are an important part in the preliminaries to the decision-making process, are not formal decision-making bodies of the Council and, as such, are not empowered, even under the new constitutional arrangements, to make decisions on behalf of the Council. Conclusions reached at such meetings do not, therefore, rank as Council decisions and it is essential that Members and Officer understand and interpret such decisions accordingly.
 - (b) Any political group may request the Managing Director or a Director of Service to attend a meeting of the group to provide information and to advise on any particular matter relating to the authority. Political groups may also request the Managing Director or a Service Director to prepare written reports on matters relating to the authority for consideration by the group.
 - (c) The Managing Director or Director of Service may arrange for the attendance of a representative in his/her stead or may decline to attend or to provide a representative where he/she is of the opinion that the particular issue is of such a political nature that it would be inappropriate to attend.
 - (d) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of *Council* business and, where a report is presented, should be limited to a statement of material facts and identification of options and the merits and demerits of such options for the Council. Officers must not be involved in advising on matters of party business or political implications. They should remain politically neutral. The observance of this distinction will be assisted if Officers are only expected to be present and remain in attendance at Group meetings when matters of Council business are being discussed; and
 - (e) Similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant Council/executive meeting when the matter in question is considered formally.
- 4.141 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not Councillors. Such persons will not be bound by the Code of Conduct for Members (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Members only meeting.

- 4.142 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the contents of any such discussions to another party group.
- 4.143 Any particular cases of difficulty or uncertainty in this area of Officer advice to party groups should be raised with the Managing Director who will then discuss them with the relevant Group Leader(s).
- 4.144 All Councillors should appreciate that the only basis on which the Council can lawfully provide support services (e.g. computers, stationery, typing, printing, photocopying, transport etc) to Councillors is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in order to support Councillors in connection with any party political or campaigning activity or for Councillors private purposes. In particular, Councillors should not personalize the stationery they receive from the Council by adding political logos or referring to themselves as a specific political party member or representative. Councillors should also not ask Officers to provide support services other than those which are to be used for Council business purposes.
- 4.145 All Councillors should comply with the provisions of the Protocols relating to the use ICT and other facilities and services.

Ward Members and Officers

- 4.146 Although all Councillors have a primary, overall responsibility and accountability to the Council as a whole, they also have a wider duty to represent their constituents and local communities.
- 4.147 Ward Councillors should aim to ensure that the Council is aware of the views and interests of those people who elect them. They may take a lead role in developing local networks of organisations and individuals, providing local interpretations of the Council Plan and they may promote local democratic engagement.
- 4.148 A community Member's "champion role" has a number of key elements. The following are some of the principal ones:
- (a) **Signposting** – community Members know how the system works and who to contact. They are well placed to advice local people about local issues and can point people in the right direction;
 - (b) **Monitoring** – community Members can help local people to make progress by overseeing and intervening on their behalf;
 - (c) **Advocacy** – community Members have the necessary status, skills and ability to tackle failure. When things go wrong or break down, as elected representatives, they are well placed to intervene and to seek redress on behalf of local people; and
 - (d) **Representing** – community Members can spot emerging issues and trends. They will know when a series of individual issues indicates that there is a real failure in the system that needs to be taken up by the Council itself and they can feed views into the local authority.
- 4.149 Whichever of these roles Ward Councillors perform, they need to be properly supported if they are to be effective.
- 4.150 The Democratic Services Unit and individual Democratic Services Officers will support Ward Councillors by (amongst other things) providing information and documentation (subject to the following paragraphs of the protocol regarding access to information and Council documents); undertaking research about local issues; putting them in contact with individuals and groups in their Wards and adjoining Wards; arranging Ward Surgeries and local meetings on their behalf; arranging informal meetings with Officers and other

Members; highlighting issues of local interest ensuring access to Council meetings, agendas, minutes and facilities ; maintaining the Members' Library; co-ordinating a support service in connection with technology in Councillors' homes.

- 4.151 All Officers should ensure that the Council's [Concordat for Communication and Consultation with Members](#) is followed at all times.
- 4.152 All Officers and, where appropriate, Members of the Cabinet should consult with Ward Members on issues which relate to their Ward. Such issues may typically include:
- changes in service delivery
 - planning applications and proposals
 - regeneration initiatives
- 4.153 All Officers should identify any issues which may have implications for more than one Ward and consult with all the Ward Members who may be affected.
- 4.154 All Officers should always try to ensure, so far as it is reasonably practicable to do so, that Councillors have a realistic timescale in which to respond to consultation on matters affecting or relating to their Ward or constituents. Where, however, urgent action is required to address a particular issue which, for instance, does not realistically allow time for Ward Members to consult their constituents, Officers should inform the Councillors concerned as soon as possible of any actions taken.
- 4.155 All Officers acting within the remit of their delegated powers should ensure that they identify at an early stage any issues which should be drawn to the attention of Ward members or which should form part of a prior consultation exercise with them.
- 4.156 Whenever a public meeting is organised by or on behalf of the Council to consider a local issue all the Members representing the Ward or Wards affected should as a matter of course be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members should be notified at the outset of the exercise.

Non-Councillor Members of Council bodies

- 4.157 All non-Councillor representatives appointed to the Council's bodies, whether they have voting rights or not, should comply with the Council's Code of Conduct for Members, particularly with regard to personal conduct; the declaration of interests; acceptance of gifts and hospitality; use of Council facilities and the basic principles of mutual trust and respect between Councillors and Officers.
- 4.158 All non-Councillor representatives should abide by and be subject to the provisions of this Protocol insofar as they can sensibly be applied to them when fulfilling their duties as representatives on Council Committees.
- 4.159 All non-Councillor representatives will be subject to the same requirements and restrictions as Members in respect of access to Council documents and information.

Publicity Material and Press Releases

- 4.160 The guiding principles as to the publication of publicity material and the issuing of press releases by local authorities are to be found in the Local Government Act 1986 and the related Code of Conduct or Code of Recommended Practice on Local Authority Publicity as further revised by the Secretary of State on 31 March 2011.
- 4.161 The following is an extract from the 1986 Act:
- "A local authority shall not publish any material which, in whole or in part, appears to be designed to affect support for a political party.*
- In determining whether material falls within the prohibition regard shall be had to the content and style of the material, the time and other circumstances of publication and the likely effect on those to whom it is directed and in particular the following matters;*

- *whether the material refers to a political party or to persons identified with a political party or promotes or opposes a point of view on a question of political controversy which is identifiable as the view of one political party and not of another;*
- *where material is part of a campaign the effect which the campaign appears to be designed to achieve.”*

4.162 A copy of the Code of Conduct or Code of Recommended Practice on Publicity is accessible at www.communities.gov.uk/publications/localgovernment/publicitycode2011

4.163 The Council is not therefore permitted to fund the publication of publicity material and/or the production of press releases which are party political. To assist in defining this, the following checklist can be used:

- party political logos should not be used
- party political names should not be used except where they are necessary in describing a position
- publicity should not be used to promote individual Councillors unless they are acting on behalf of or representing the Council.

4.164 The names of Members, and a short quote from them, may be included in press releases relating to a ward-specific issue in their ward or, in the case of Group Leaders, to a Council/Borough-wide issue. This may only occur where the Councillors concerned are speaking on behalf of the Council or in support of Council policy.

4.165 If these rules are respected there is no reason whatsoever as to why effective publications and other material cannot be produced and issued without contravening the law. Such material can be written by paid officers and printed by the local authority.

4.166 Any publication or press release which breaches any of the above will be deemed political and will need to be funded by the political party and Officers will not be able to participate.

4.167 Councillors acting as spokespersons for the Council, when responding to the press and media and making public statements on behalf of the Council should liaise with the Authority's Communications Team on the form and content of any response or statement.

Correspondence

4.168 Correspondence between an individual Councillor and an Officer should not normally be copied (by the Officer) to any other Councillor unless a prior protocol to that effect has been agreed e.g. as in the case of advice on Members' interests. Where exceptionally, without such agreement being in place, it is necessary to copy correspondence to another Councillor, this should be made clear to the original Councillor. In other words, a system of "silent copies" should not be employed.

4.169 Official letters on behalf of the Council should normally be sent out under the name of the appropriate Officer, rather than under the name of a Councillor. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter to appear under the name of a Councillor, but this should be the exception rather than the norm. Letters which for example, create obligations or give instructions on behalf of the Council should never be sent out under the name of a Councillor.

4.170 Correspondence between Officers and Members of Parliament should be copied to the Leader and Deputy Leader of the Council.

4.171 Where correspondence is proposed to be copied to another Councillor, or to any other person or body, and that correspondence contains, or includes as an attachment personal information regarding a third party (e.g. a constituent), copying should not take place in breach of the requirements of Data Protection Legislation. Where there is any doubt in this respect, appropriate legal advice should be obtained before copying takes place.

- 4.172 It is also accepted by convention that a Member of one party group will not have a “need to know” and therefore a right to inspect, a document which forms part of the internal workings of another party group.

Reporting on, and Recording Meetings

- 4.173 Reporting on meetings between Councillors by Councillors, or between Officers and Councillors by either party, where reporting includes filming, photographing or making an audio-recording of the business of the meeting, and using any other means for enabling persons not present at a meeting to see or hear the business of the meeting as it takes place or later, should not take place without prior notice, thereby allowing those present at the meeting either to request that no reporting takes place, or to moderate the nature and content of the business appropriately.
