1.	That collaboration between Tees Valley Authorities regarding the provision of CCTV/community alarm services infrastructure be supported	Head of Community Protection	March 2014	<p>.7 year business plan has been agreed for the delivery of Care Call services within Stockton following significant investment by SBC in renewal of the existing equipment.</p> <p>It has been agreed that discussions around a potential partnership be put on hold, pending performance of the business plan and developments within the Better Care Fund.</p>	2 On track	Further progress on this has been put on hold. This is due to continuing budget pressures within other Tees authorities and SBC services and the need to revise the business plan for Care Call. It is suggested that this action be removed as it is unlikely that any Tees collaboration will take place in the near future	4 – Not Achieved
