

Progress Update – Neighbourhood Policing

No.	Recommendation	Responsibility	Date	Progress Update to Committee December 2016	Progress Update to Committee July 2017	Assessment of progress Categories 1-4
1	As part of its overall consultation and engagement strategy, Cleveland Police and the Council ensure a consistent approach to communications, including:-					1
	a) a consistent approach to the use of social media by local neighbourhood teams, using the good practice that exists in the Force;	C/Supt. Lang C/Insp Anderson	02/12/16	02/12/16 – All NPT’s have their own facebook page and also have access to Cleveland Connected which is being progressed. Items also put on facebook via corporate Communications which assists with force messages. Each NPT is also publishing monthly Newsletter which is sent out to councillors and key individuals on ward areas. Consideration also being given to place on force internet in future.	24/5/17 - All three Neighbourhood Teams have facebook/access to Cleveland Connected and are making use. Also key message document being sent out monthly by teams to KINS/Councillors.	1

	b) the Council's Community Safety Manager and Police keep under review information sharing with the Council to ensure it remains effective and any changes in key contacts are communicated in a timely manner;	C/Supt Lang C/Inspector Anderson Steve Hume	02/12/16	2/12/16 – Steve Hume still point of contact. Further to this all councillors have been updated regarding points of contacts for wards and supervisors to assist with communication.	24/5/17 - Steve Hume and Craig Willows points of contact from council. Cleveland website updated regarding named officers on NPT and Sgts for each ward have been requested to make contact with councillors monthly via E Mail with any changes/updates.	
	c) a recommendation to all Members that they keep up to date with changes in their local areas, including by accessing Cleveland Police's 'My Neighbourhood' website. A link to this should be included on the Council's intranet.	C/Supt Lang C/Inspector Anderson Steve Hume	02/12/16	2/12/16 – My Neighbourhood still on website that gives access to officers on wards and crime trends	24/5/17 – Information available as previous entry on 2/12/16 and any further information can be obtained by contacting relevant Neighbourhood Team if needed. Also additional information sent out monthly by the Key Message Document.	1
	d) following the election, all Members consider what, if any, additional, appropriate methods of communicating with their local police team are required.	C/Supt Lang C/Inspector Anderson Steve Hume	02/12/16	02/12/16 – Meetings have taken place with Neighbourhood Inspectors where they were informed of changes taking place to Neighbourhood Policing since 6/6/16. Further to this C/Inspector Anderson attended Police Seminar on 23/11/16 where further update was given to members.	24/5/17 – Regular contact made where meetings held by both C/Inspector Anderson and C/Supt Simpson with key stakeholders to inform of any changes/updates. These take form of regular monthly meetings and attending other such meetings as SSP.	1

2	Cleveland Police provide annual updates on the policing of Stockton Borough to all Members, and this take place using the existing update session when the Police and Crime Commissioner consults all Members on his Budget and Plan;	C/Supt Lang C/Inspector marc Anderson	02/12/16	23/11/16- Chief Constable, PCC and Chief Inspector Anderson attended Police Seminar and gave update to members.	24/5/17 – Updates given in variety of planned meetings throughout year.	1
3	a) the increased range of responsibilities of Integrated Neighbourhood Teams be noted, and that work to define and explain the revised role of neighbourhood policing be supported;	C/Supt Lang C/Inspector Marc Anderson	02/12/16	2/12/16 – Changes to NPT took place on 6/6/16. Councillors have had opportunity to attend briefings with Inspectors where updates have been given.	24/5/17 – As dated 2/12/16. Briefings have taken place with councillors where given opportunity to attend.	1
	b) all Members recognise the recent changes, and use their key role in communities to explain the role and capacity of local police teams			As above 3a	As 3a	1
4	a) the Housing and Community Safety Select Committee notes and values the work of the Community Safety Team, and Members should continue to receive regular ASB patrol updates from the community safety team and maintain links with their local ASB officer;	Steve Hume		Support noted and welcomed. Regular patrol reports provided to all Cllr's including key contacts of ASB Officers for the respective areas. Action complete		1

	b) the Housing and Community Safety Select Committee notes and values the work of the Safer Stockton Partnership, and the importance of maintaining representation from all appropriate bodies.	Steve Hume		SSP continues to meet every six weeks and partnership representation is monitored. The partnership currently benefits from strong support. Support noted and welcomed. Action complete		1
5	The excellent partnership working between the Council and Cleveland Police be recognised and supported.	All		Support noted and welcomed. Action complete		1
6	a) Cleveland Police regularly monitor and share with partners the Public Confidence Survey results and other related consultation feedback;	C/Supt Lang	02/12/16	This is an on-going process and is fed through the Police and Crime Panel on a quarterly basis	No further update.	1
	b) Work be undertaken by the Police and Crime Panel to further understand changes in public confidence, expectations, and fear of crime issues.	Cleveland Police and Crime Panel	July 2015	Item has been highlighted to Chair of Police and Crime Panel (Cllr Norma Stephenson) due to be discussed on a forthcoming agenda. Matter to be referred to Panel for further consideration	No further update	1
