LGiU – the Local Government Information Unit – is a UK charity run by and for local government. LGiU services are used every day by Leaders and Cabinets, Chief Executives and SMTs, MPs and Lords as well as frontline councillors and staff. The LGiU annual survey consistently shows 90+ per cent satisfaction and value-for-money ratings (see our [annual user survey](#)).

what do we offer?

- **Over 200 special Policy Briefings a year:** helping your council's decision-making and effectiveness on eg Brexit, Local Growth, Housing, Children's Services, Health and Social Care
- **Exclusive Daily News summary** mailed every day: helping you stay abreast of local government in the national, regional, local news
- **Policy Projects:** with the LGiU team helping you develop ideas about Local Government Finance, Devolution/Democracy, Service Design (2017 themes)
- **New daily Northern Powerhouse/Midlands Engine news updates**
- **New policy exchange opportunities with LGiU Scotland, LGiU Ireland**
