

## **Preston Park Museum & Grounds**

### **Meeting Room**

#### **Fire Procedure**

We ask all guests to exit calmly and in an orderly fashion and to leave their personal belongings behind.

In the event of a fire please exit down the stairs and turn right onto the Victorian Street. Visitors should exit through the gates onto the field away from the museum.

The Assembly Point is at the front of the main entrance within the forecourt area and field in front of the museum.

If this exit is blocked, walk right, along this corridor into the office and down the stairs to follow the fire exits signs to the next exit.

A member of staff will assist you as soon as possible.

#### **Toilets**

The main toilets are located on the Victorian Street. Go down stairs to exit and the toilets are on your right.

#### **Smoking**

Please be aware that smoking is only permitted at the front of the Building outside in the Park and not within the Victorian Street.
