

Scrutiny Review of Tree Asset Management

Evidence Gathering

Minimum requirement

- Current service provision
- Alternative delivery – or external
- New team still improving
- Expectation vs reality

Works examples

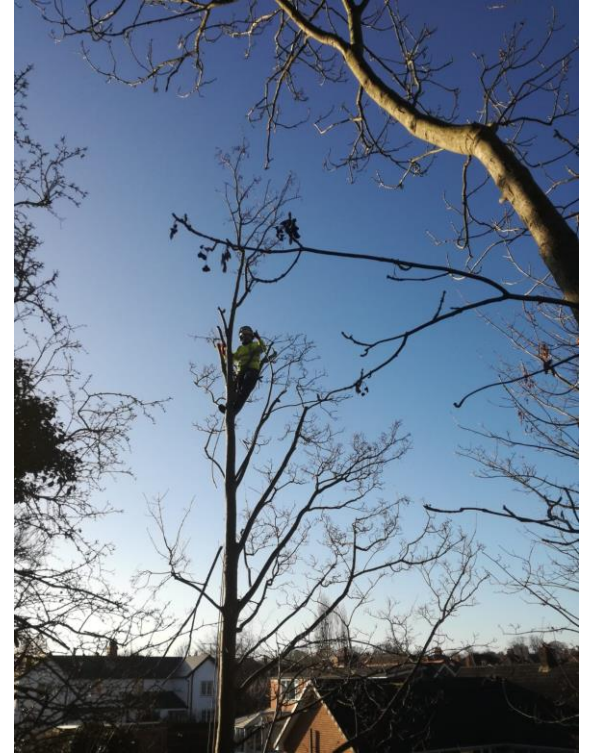

Works examples

Works examples

Apprentice

Tree Removal example

Storm Clearance

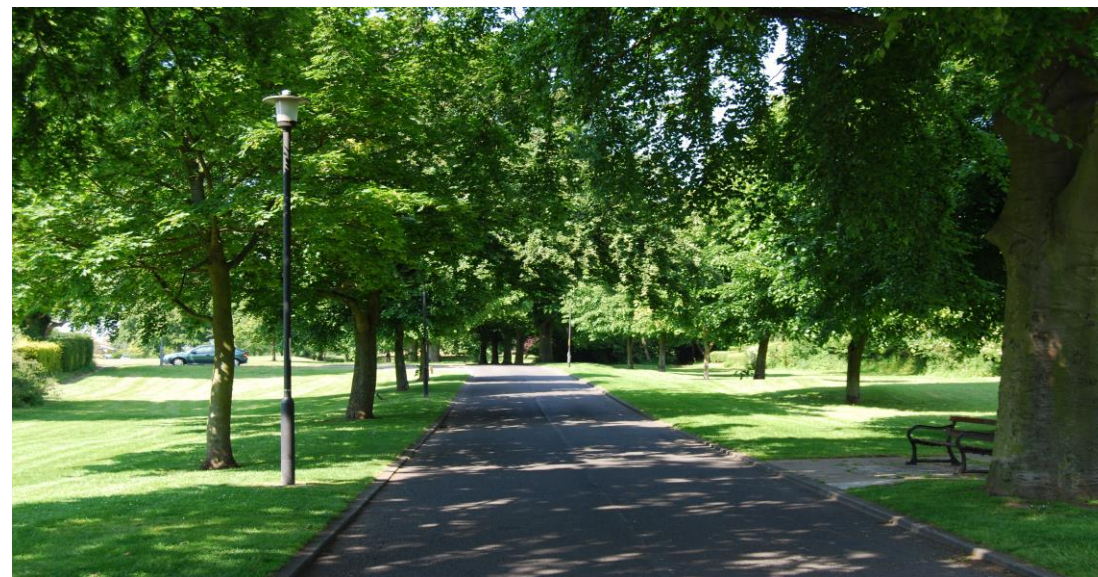

Planting in the right places

Policy document update

- Working through reviewing document
- Modern, relevant and understandable policy
- Link with planting plan and environmental policy
- Adding policy to website

Managing expectation

- Difficult
- Managing scheduled works vs reactive vs requests
- Cllr involvement
- Resources continuing to be stretched
- Additional planting / ongoing maintenance
- Ash Dieback.....
